HACKNEY CARRIAGE PROPRIATOR

29th January 2020

Dear Sir or Madam

METER CHANGE – MAY BANK HOLIDAY – ACTION REQUIRED

Plate Number:

Registration:

As you may be already aware, there has been a change to the May Day Bank Holiday in that it has been moved to Friday 8th May 2020 to co-inside with the 75th Anniversary of VE day. This change means that all meters installed in hackney carriages will need a new tariff uploading into them to take this into account. This new tariff will charge customers the bank holiday tariff for Friday 8th May 2020 and the usual tariff for the Monday 4th May 2020.

This means that you will need to obtain a meter calibration certificate before 1st May 2020 and bring it into the Licensing Office at Hedge End Depot. This certificate must have an installation date of later than 22nd January 2020.

On the back of this letter is the current list of meter agents. Please make arrangements for your vehicle to be taken to a meter fitter and provide us with a new calibration certificate before the 1st May 2020 to ensure that your vehicle can continue to work. If we do not receive a meter certificate indicating that the new tariff has been installed by 1st May 2020 your vehicle will be suspended until a valid meter certificate is received.

As you know we became aware that some meters were swapping over to tariff 2 at 23:00 hrs even if the journey began during tariff 1. This is the opportunity for you to check that your meter has been correctly set and does not swap to tariff 2 until the next journey commences after 23:00hrs.

If you have any questions regarding this letter please contact the licensing office on 023 8068 8109. A copy of this letter has also been published on the [Taxi Noticeboard](#) at www.eastleigh.gov.uk/taxis

Yours sincerely,

A handwritten signature in black ink, appearing to be "AJ", written over a horizontal line.
