Good morning

Members of the Fair Oak & Horton Heath Parish Council considered the EBC consultations on the (a) draft Tree and Development Supplementary planning documents and (b) Local Plan consultation at its Full Council meeting on Monday 19 July 2021, and I show below the comments they made:-

- a) The Eastleigh Borough Council's consultation was considered on the draft Tree and Development Supplementary planning documents and the following comments were made:-

Members felt the strategy was a move in the right direction with extra scrutiny and more emphasis on replacing trees. They welcomed the Borough's proactive approach and thought it was an exciting project.

- b) Eastleigh Borough Council's Local Plan Consultation was discussed and the following comments were made:-

Members were delighted that the strategic growth options site for Fair Oak had been withdrawn and hoped that it would remain so. They regretted the reducing of settlement gaps.

Cllr Tennent felt that the whole process of Local Plans was too lengthy and should be simplified in order that the public could understand them more easily.

Kind regards
