*Figures may not total to 100% due to rounding up

3.6b Local Areas: usual residents (aged 16+) by legal partnership status (number) (Source: Office for National Statistics, March 2021)

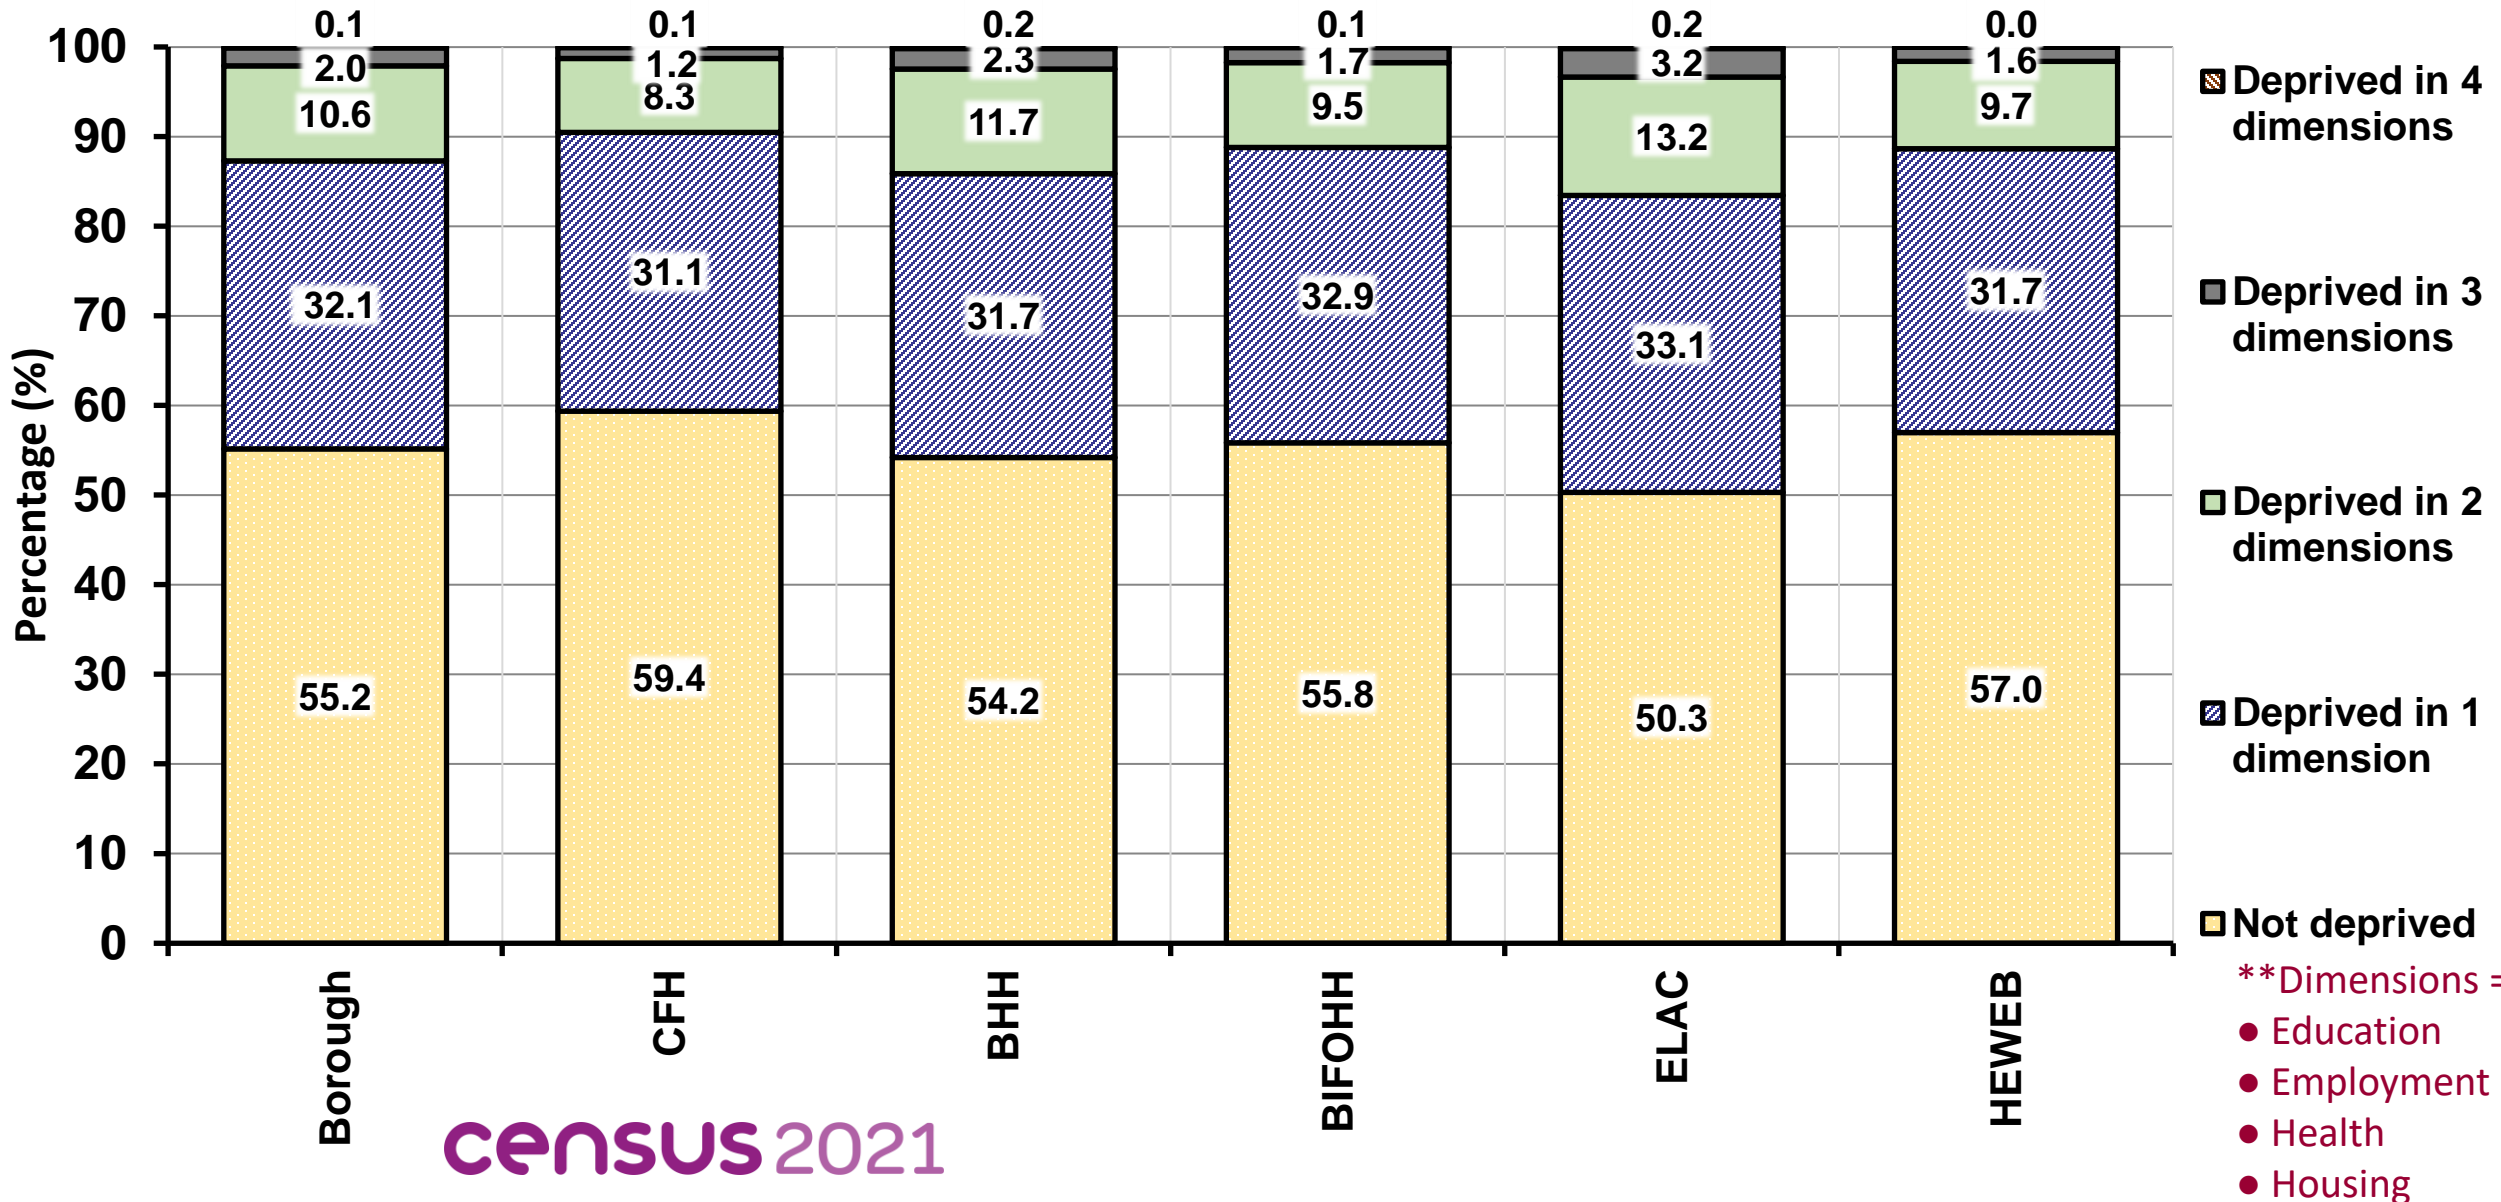

- Deprivation -

3.7a Local Areas: households by deprivation dimensions** (%*)

(Source: Office for National Statistics, March 2021)

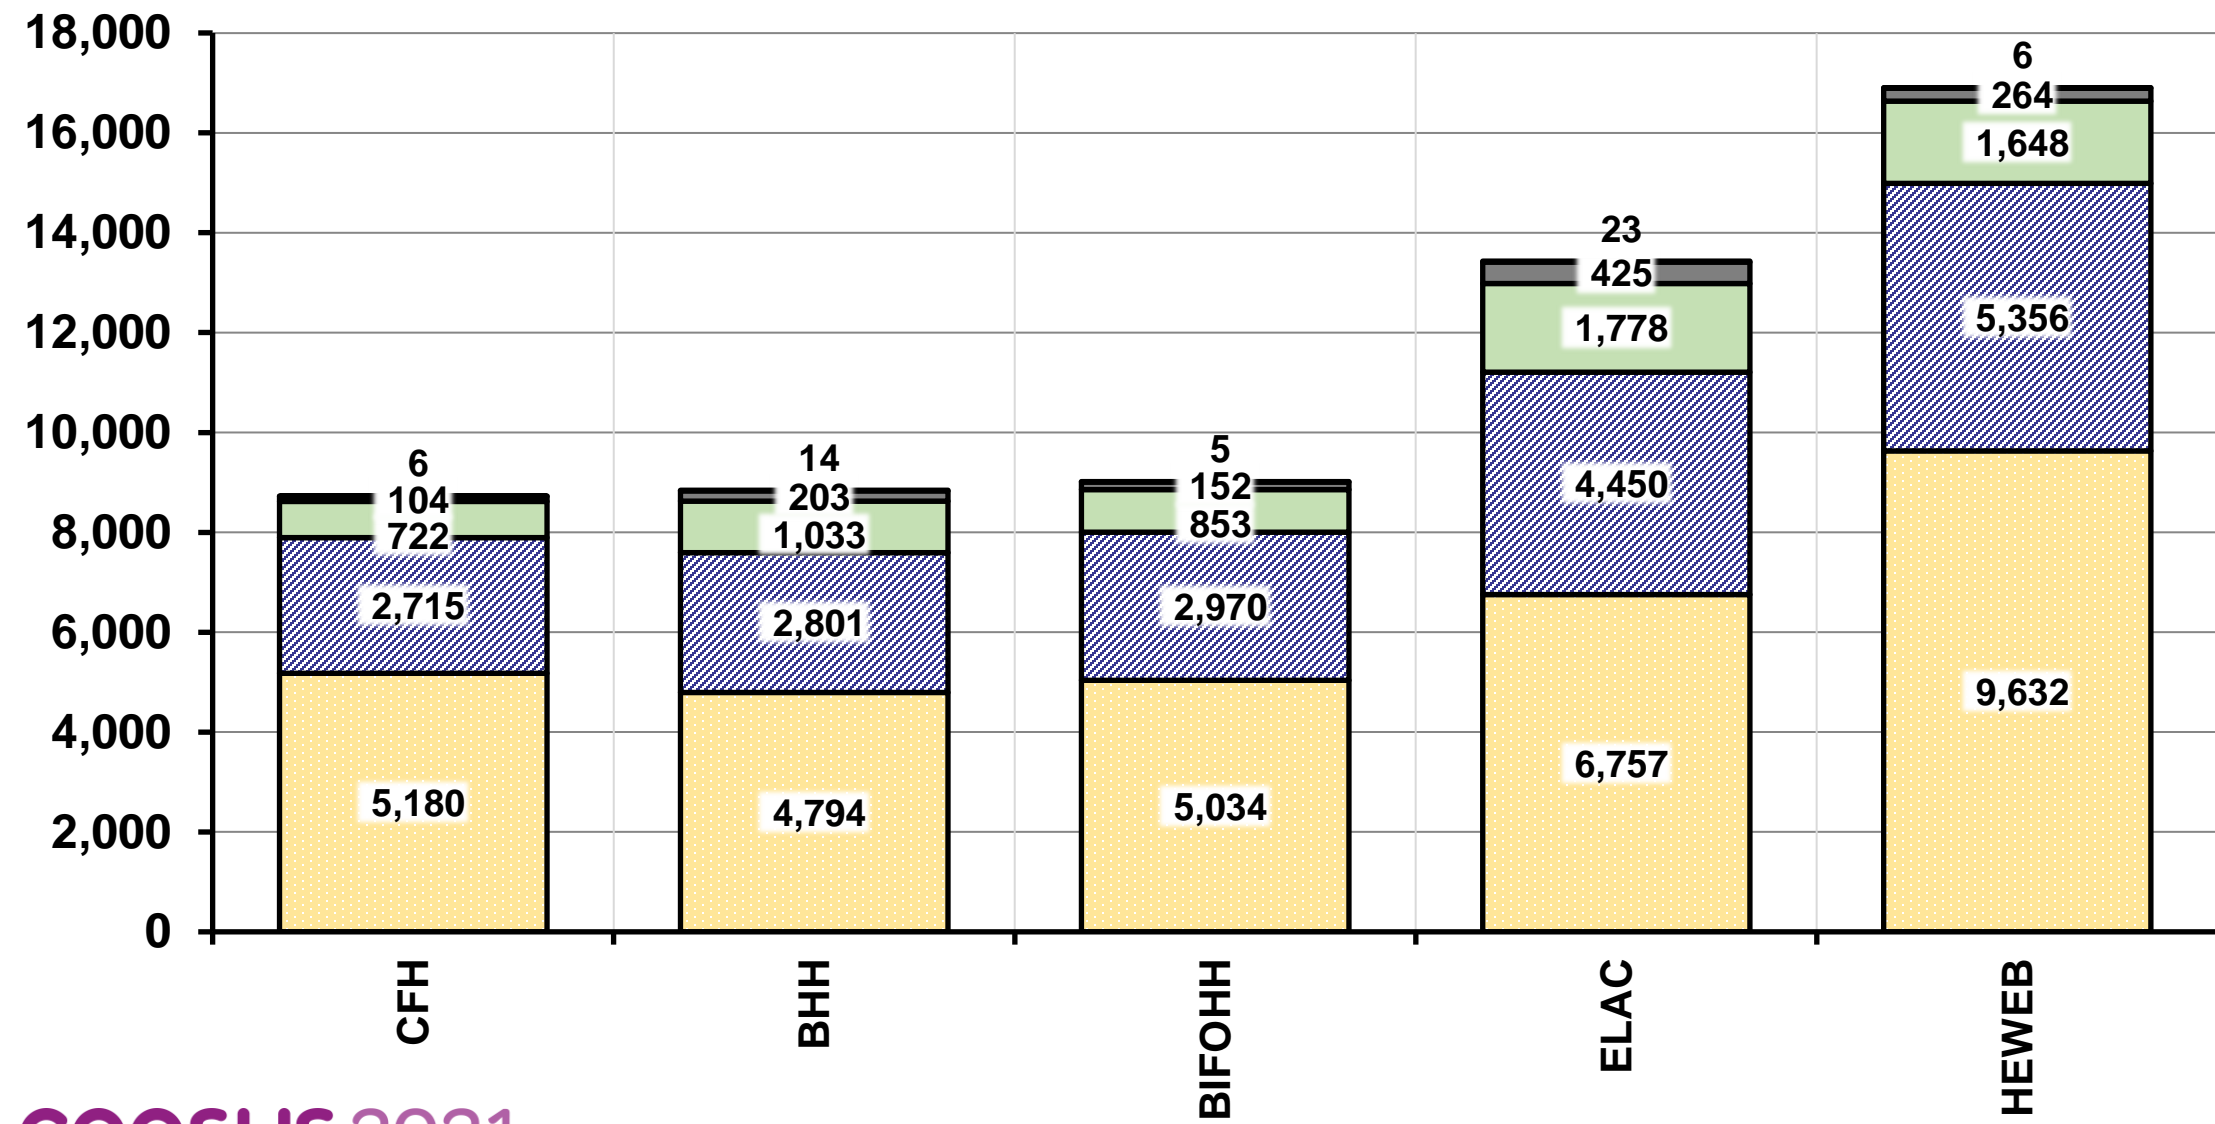

*Figures may not total to 100% due to rounding up

3.7b Local Areas: households by deprivation dimensions* (number) (Source: Office for National Statistics, March 2021)

- *Dimensions =
- Education
 - Employment
 - Health
 - Housing

- Deprived in 4 dimensions
- Deprived in 3 dimensions
- Deprived in 2 dimensions
- Deprived in 1 dimension
- Not deprived

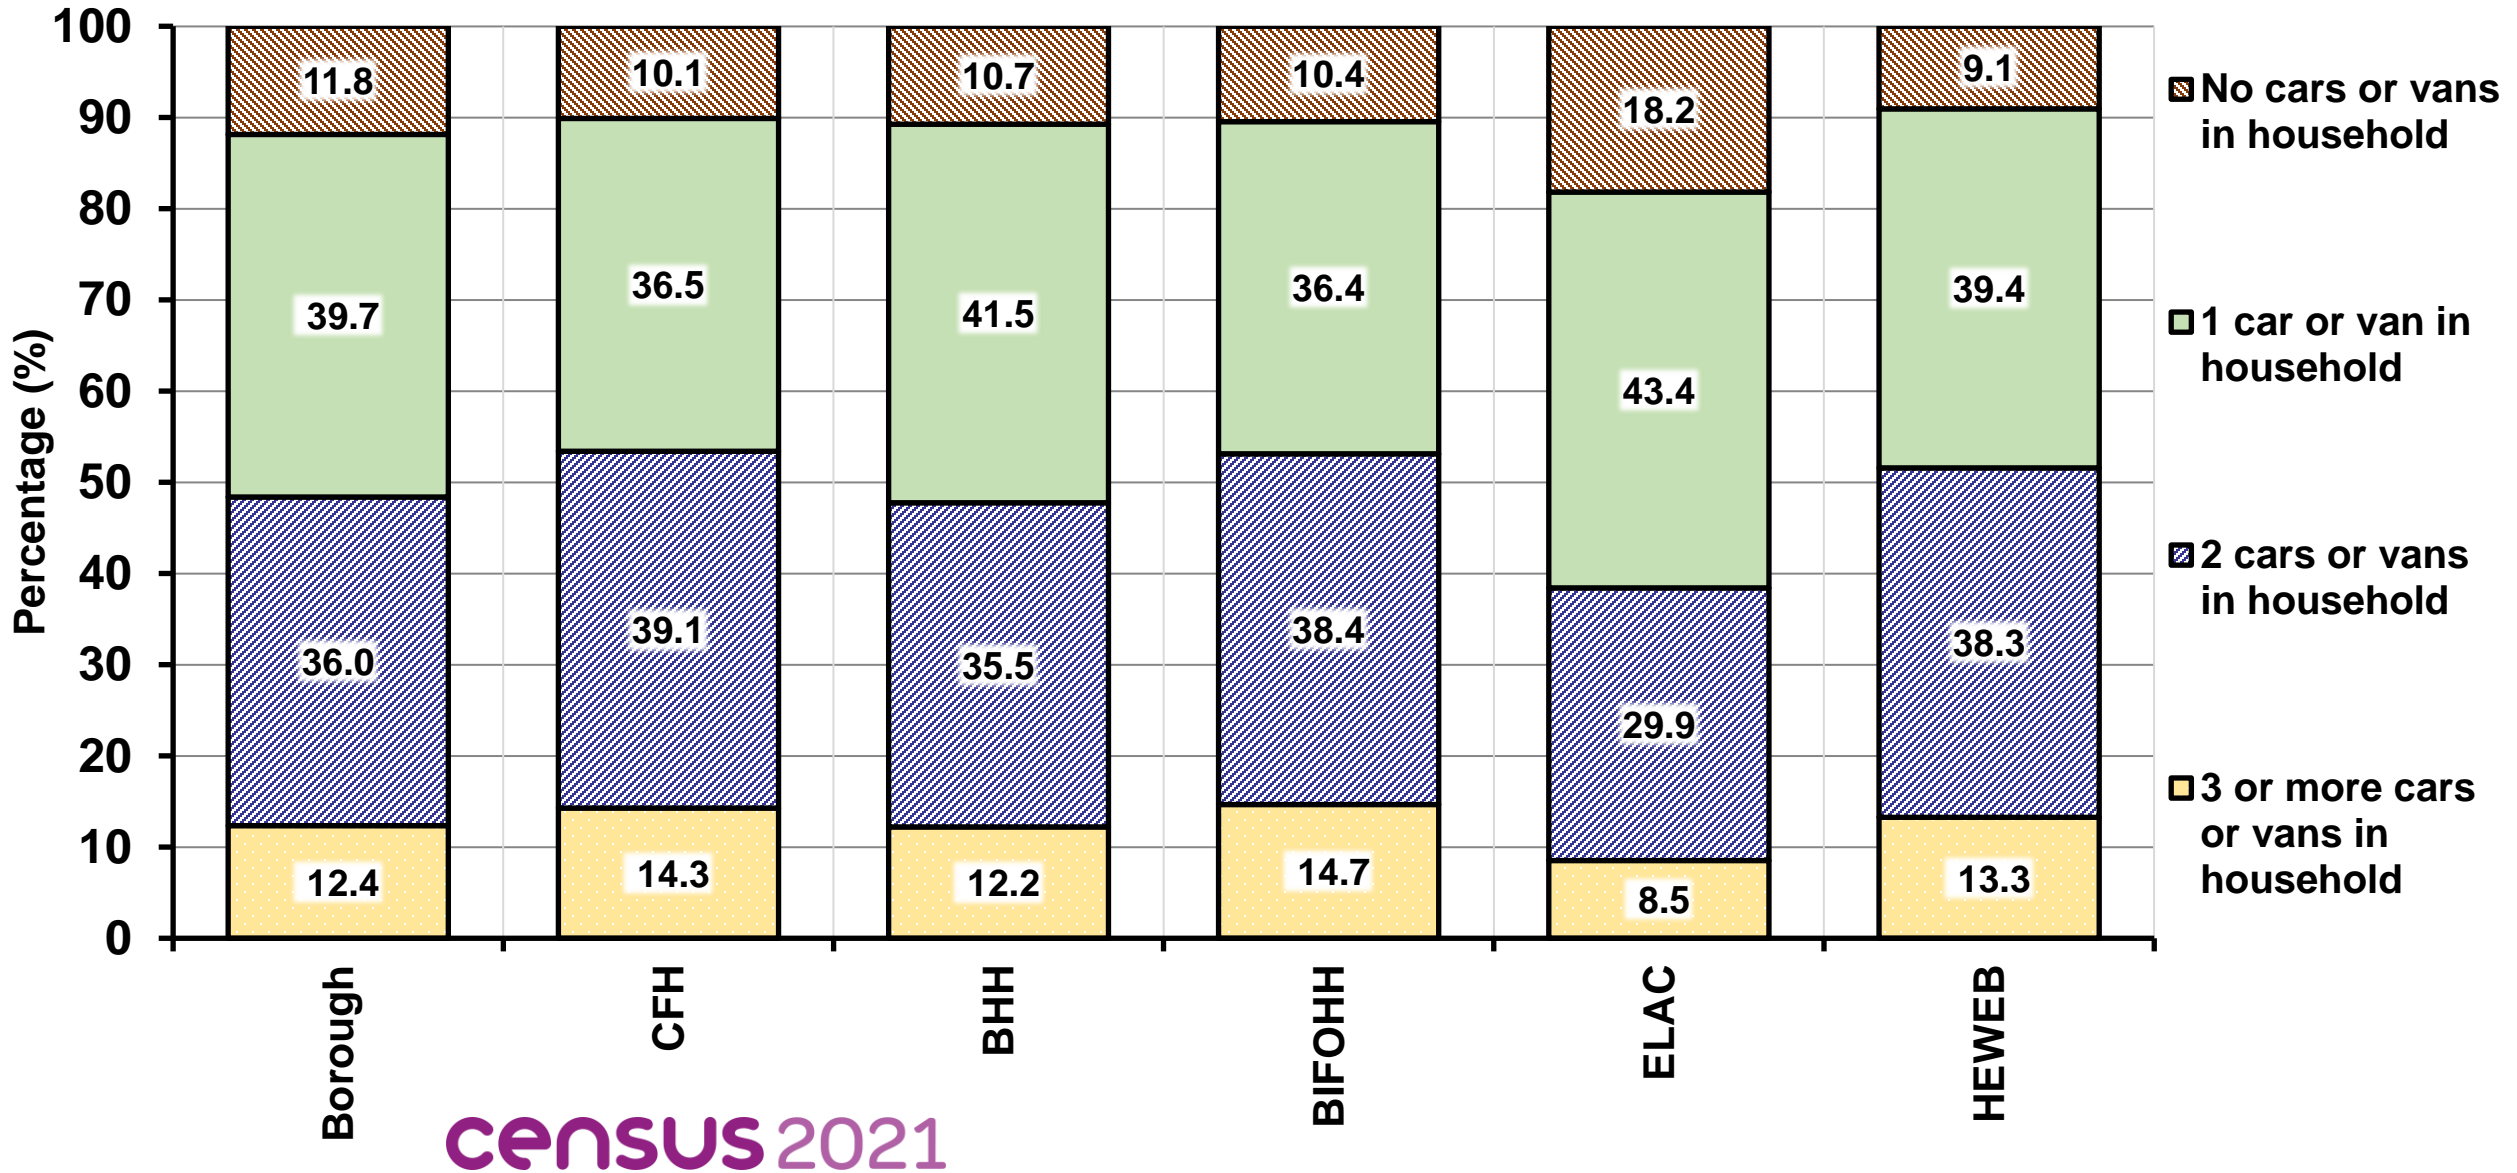

- Environment -

3.8a Local Areas: car or van availability per household (%*)

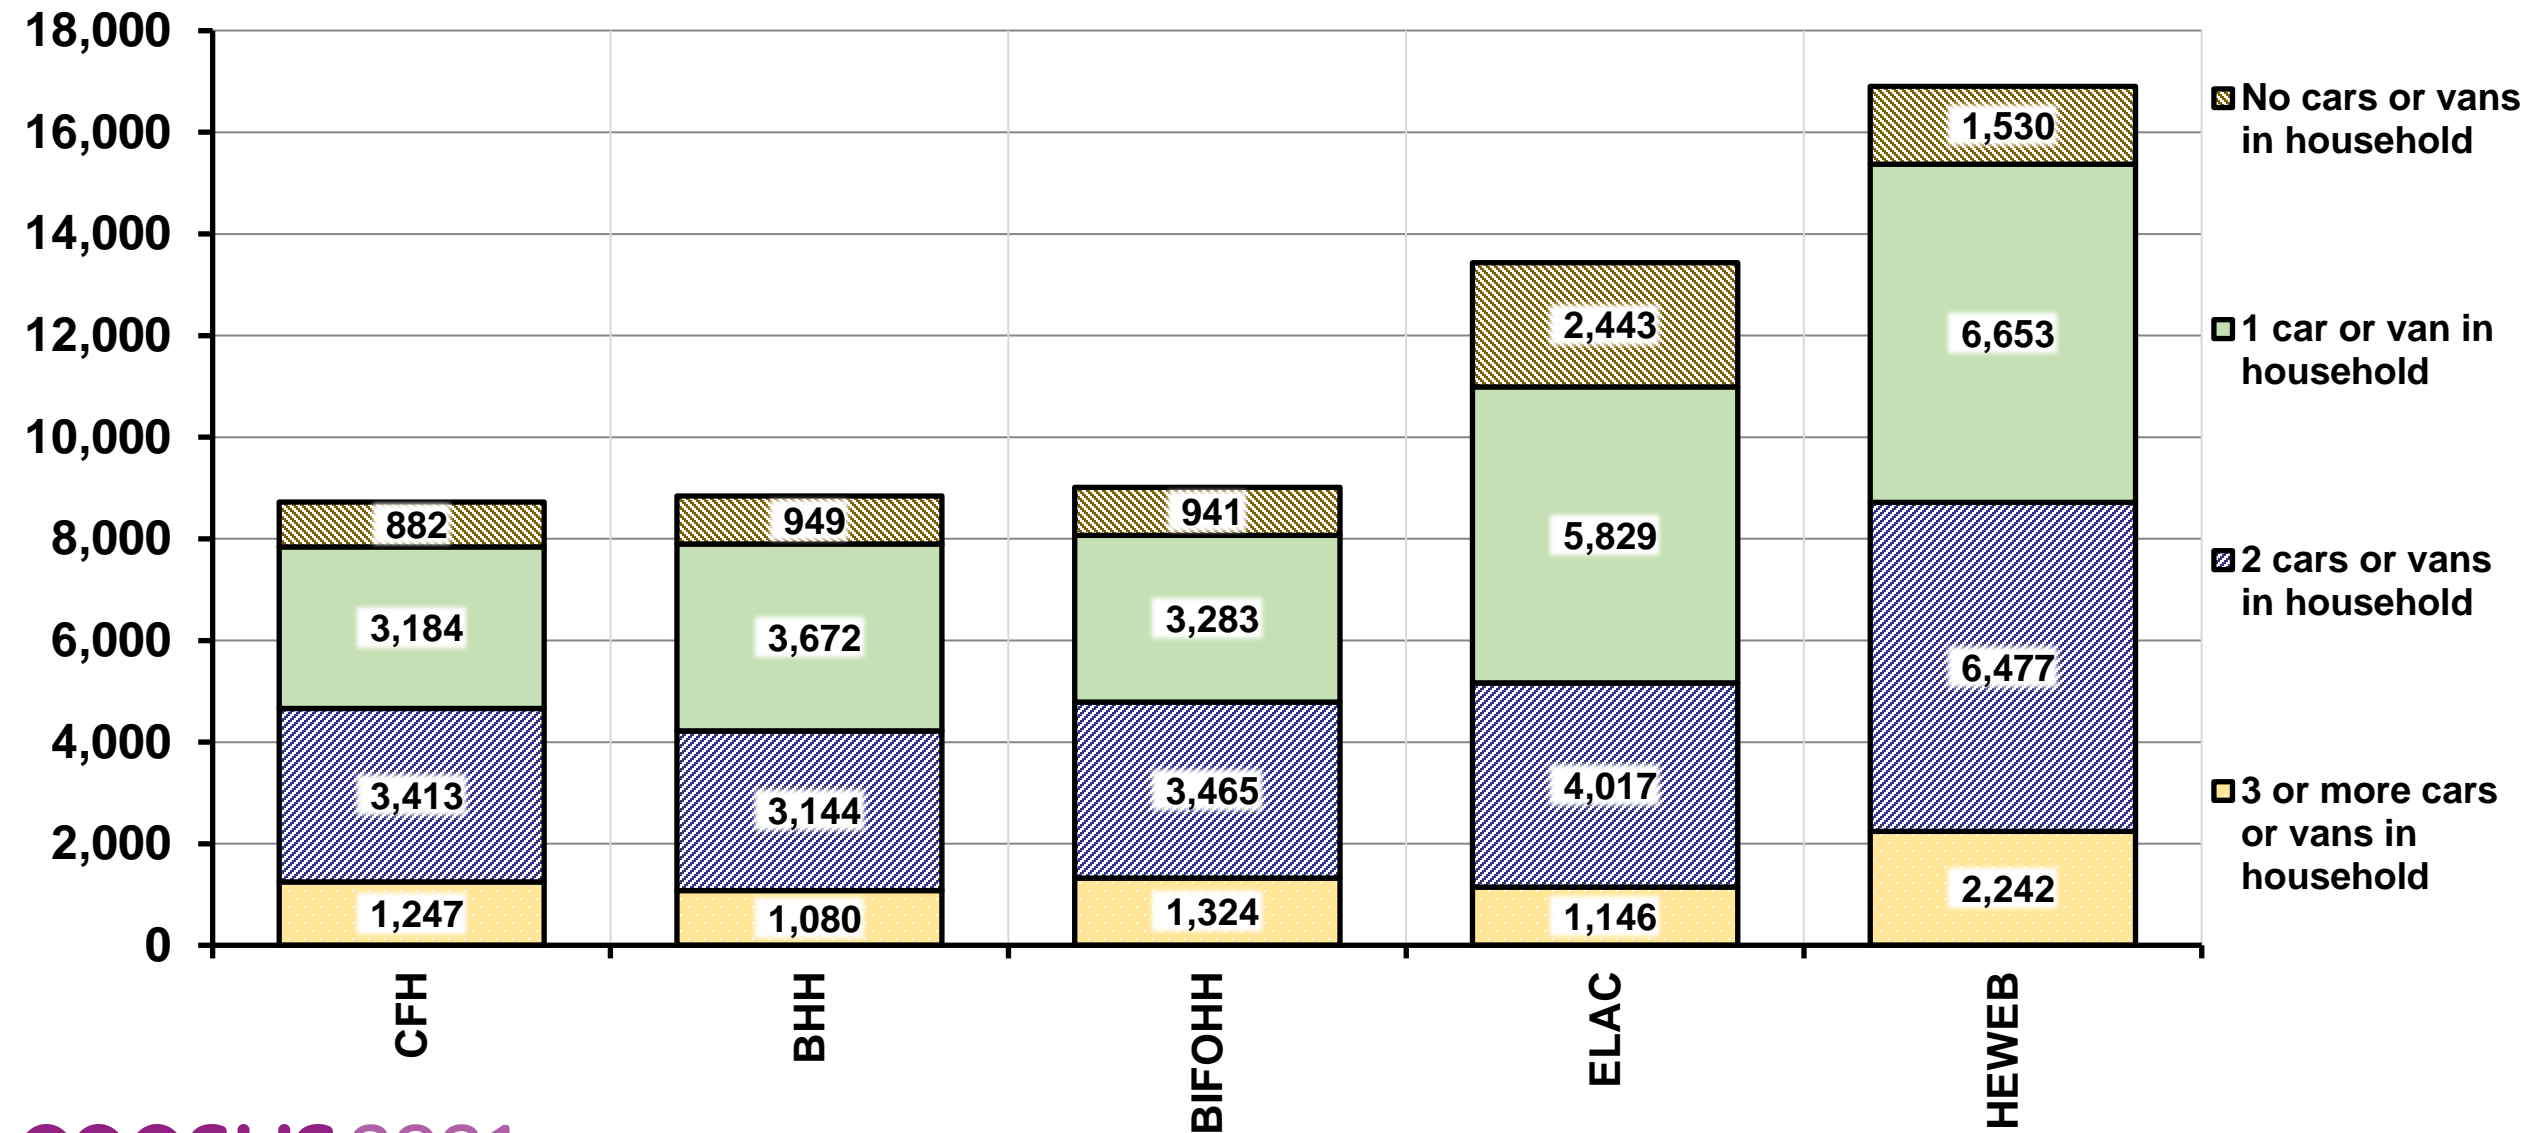

(Source: Office for National Statistics, March 2021)

*Figures may not total to 100% due to rounding up

3.8b Local Areas: car or van availability per household (number)

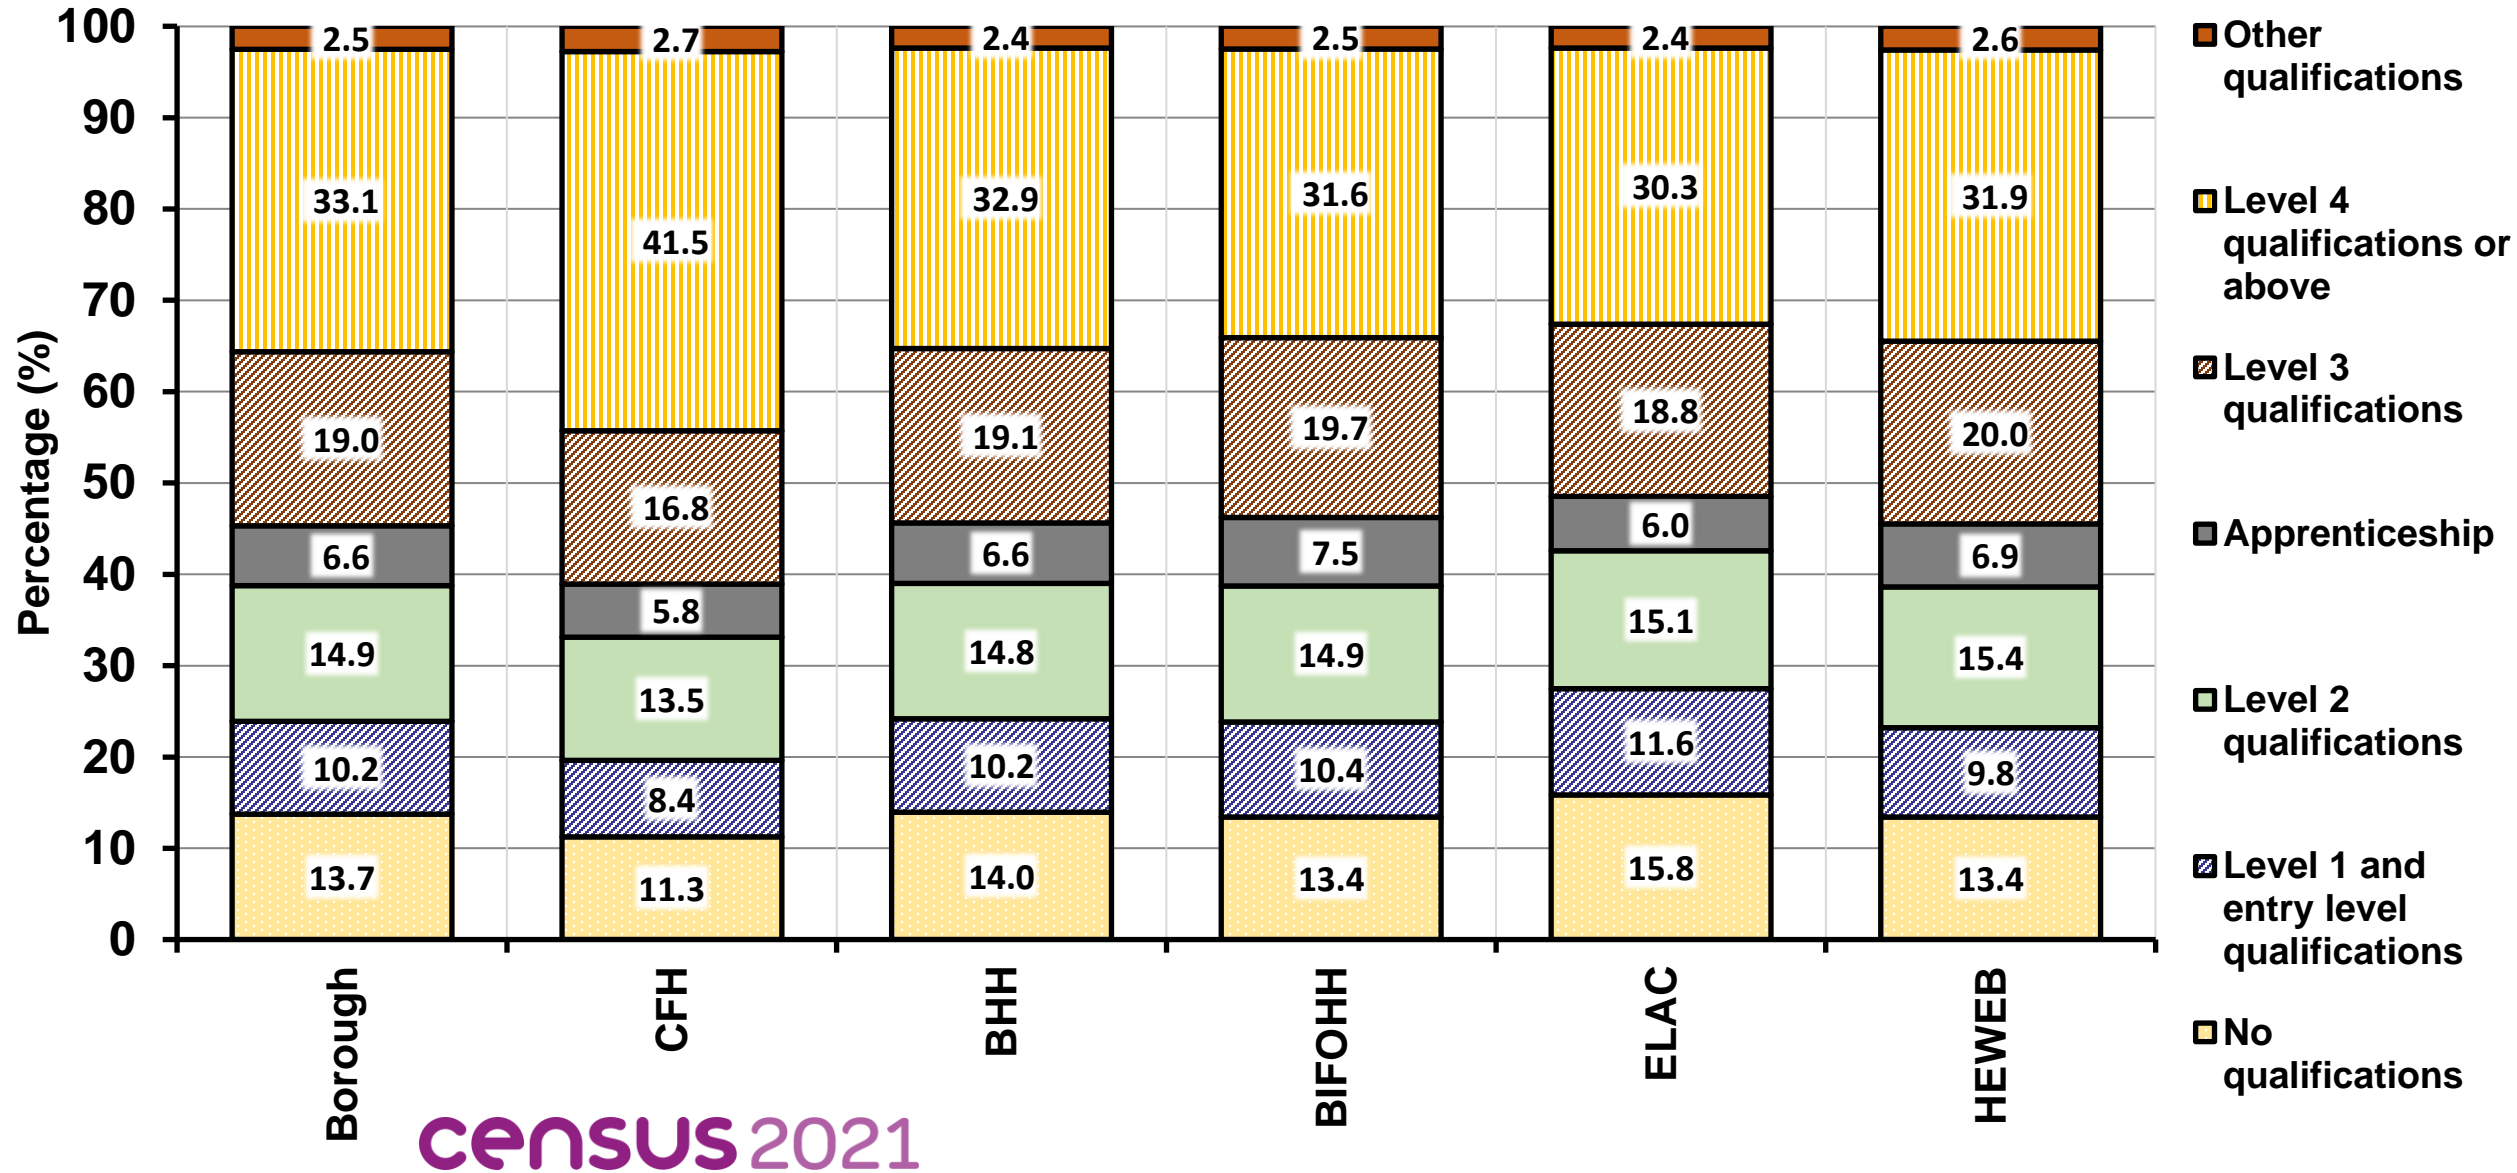

(Source: Office for National Statistics, March 2021)

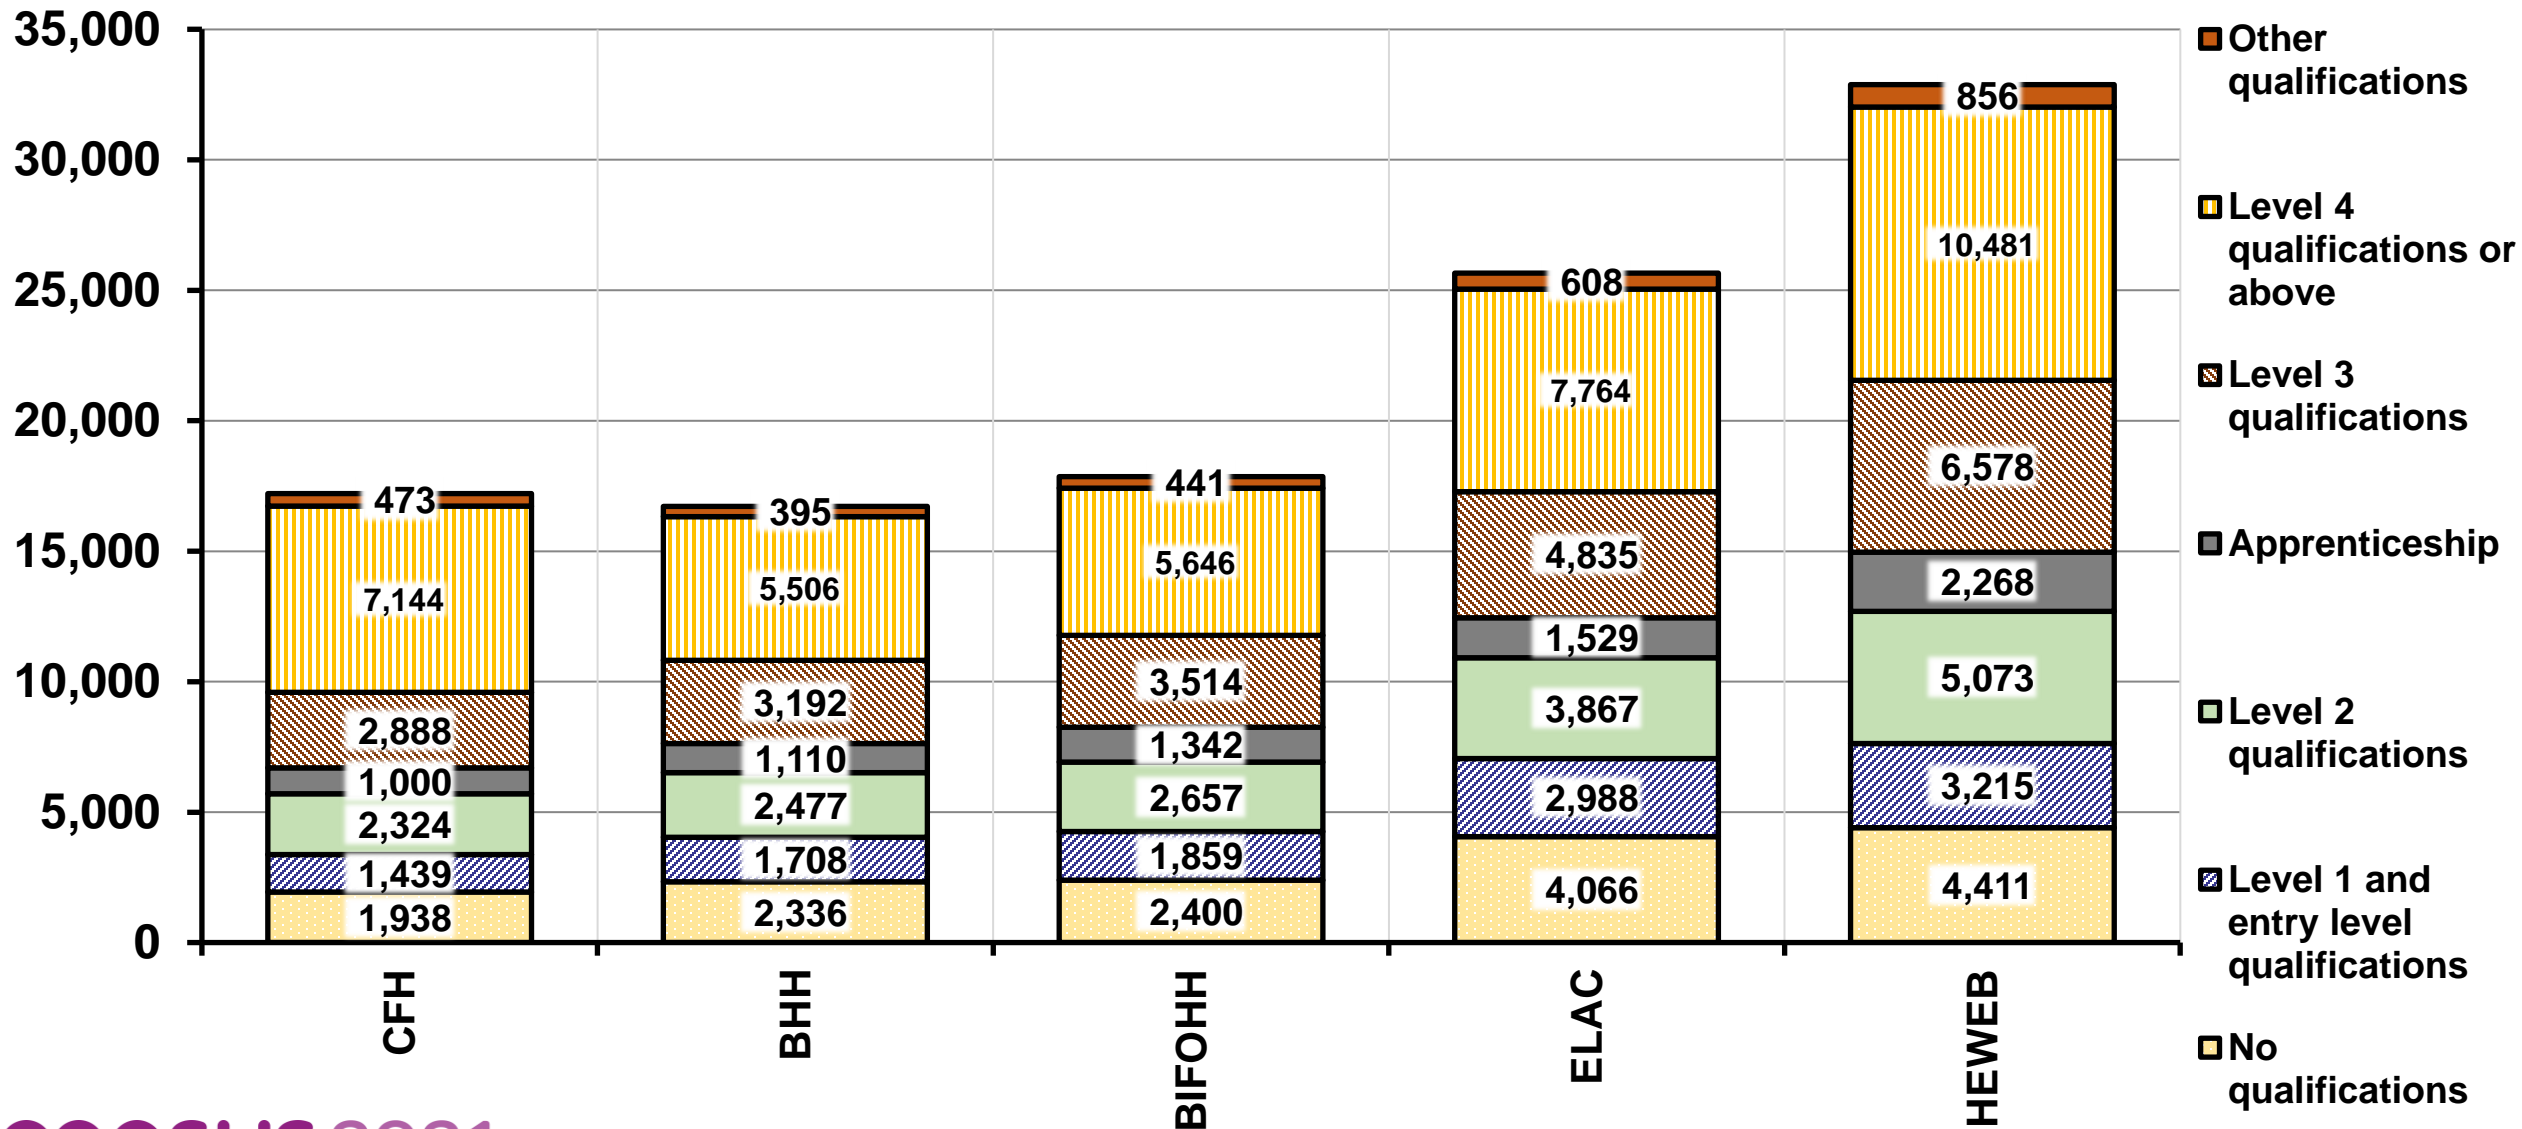

- Economy -

3.9a Local Areas: usual residents (aged 16+) by highest level of qualification (%*) (Source: Office for National Statistics, March 2021)

*Figures may not total to 100% due to rounding up

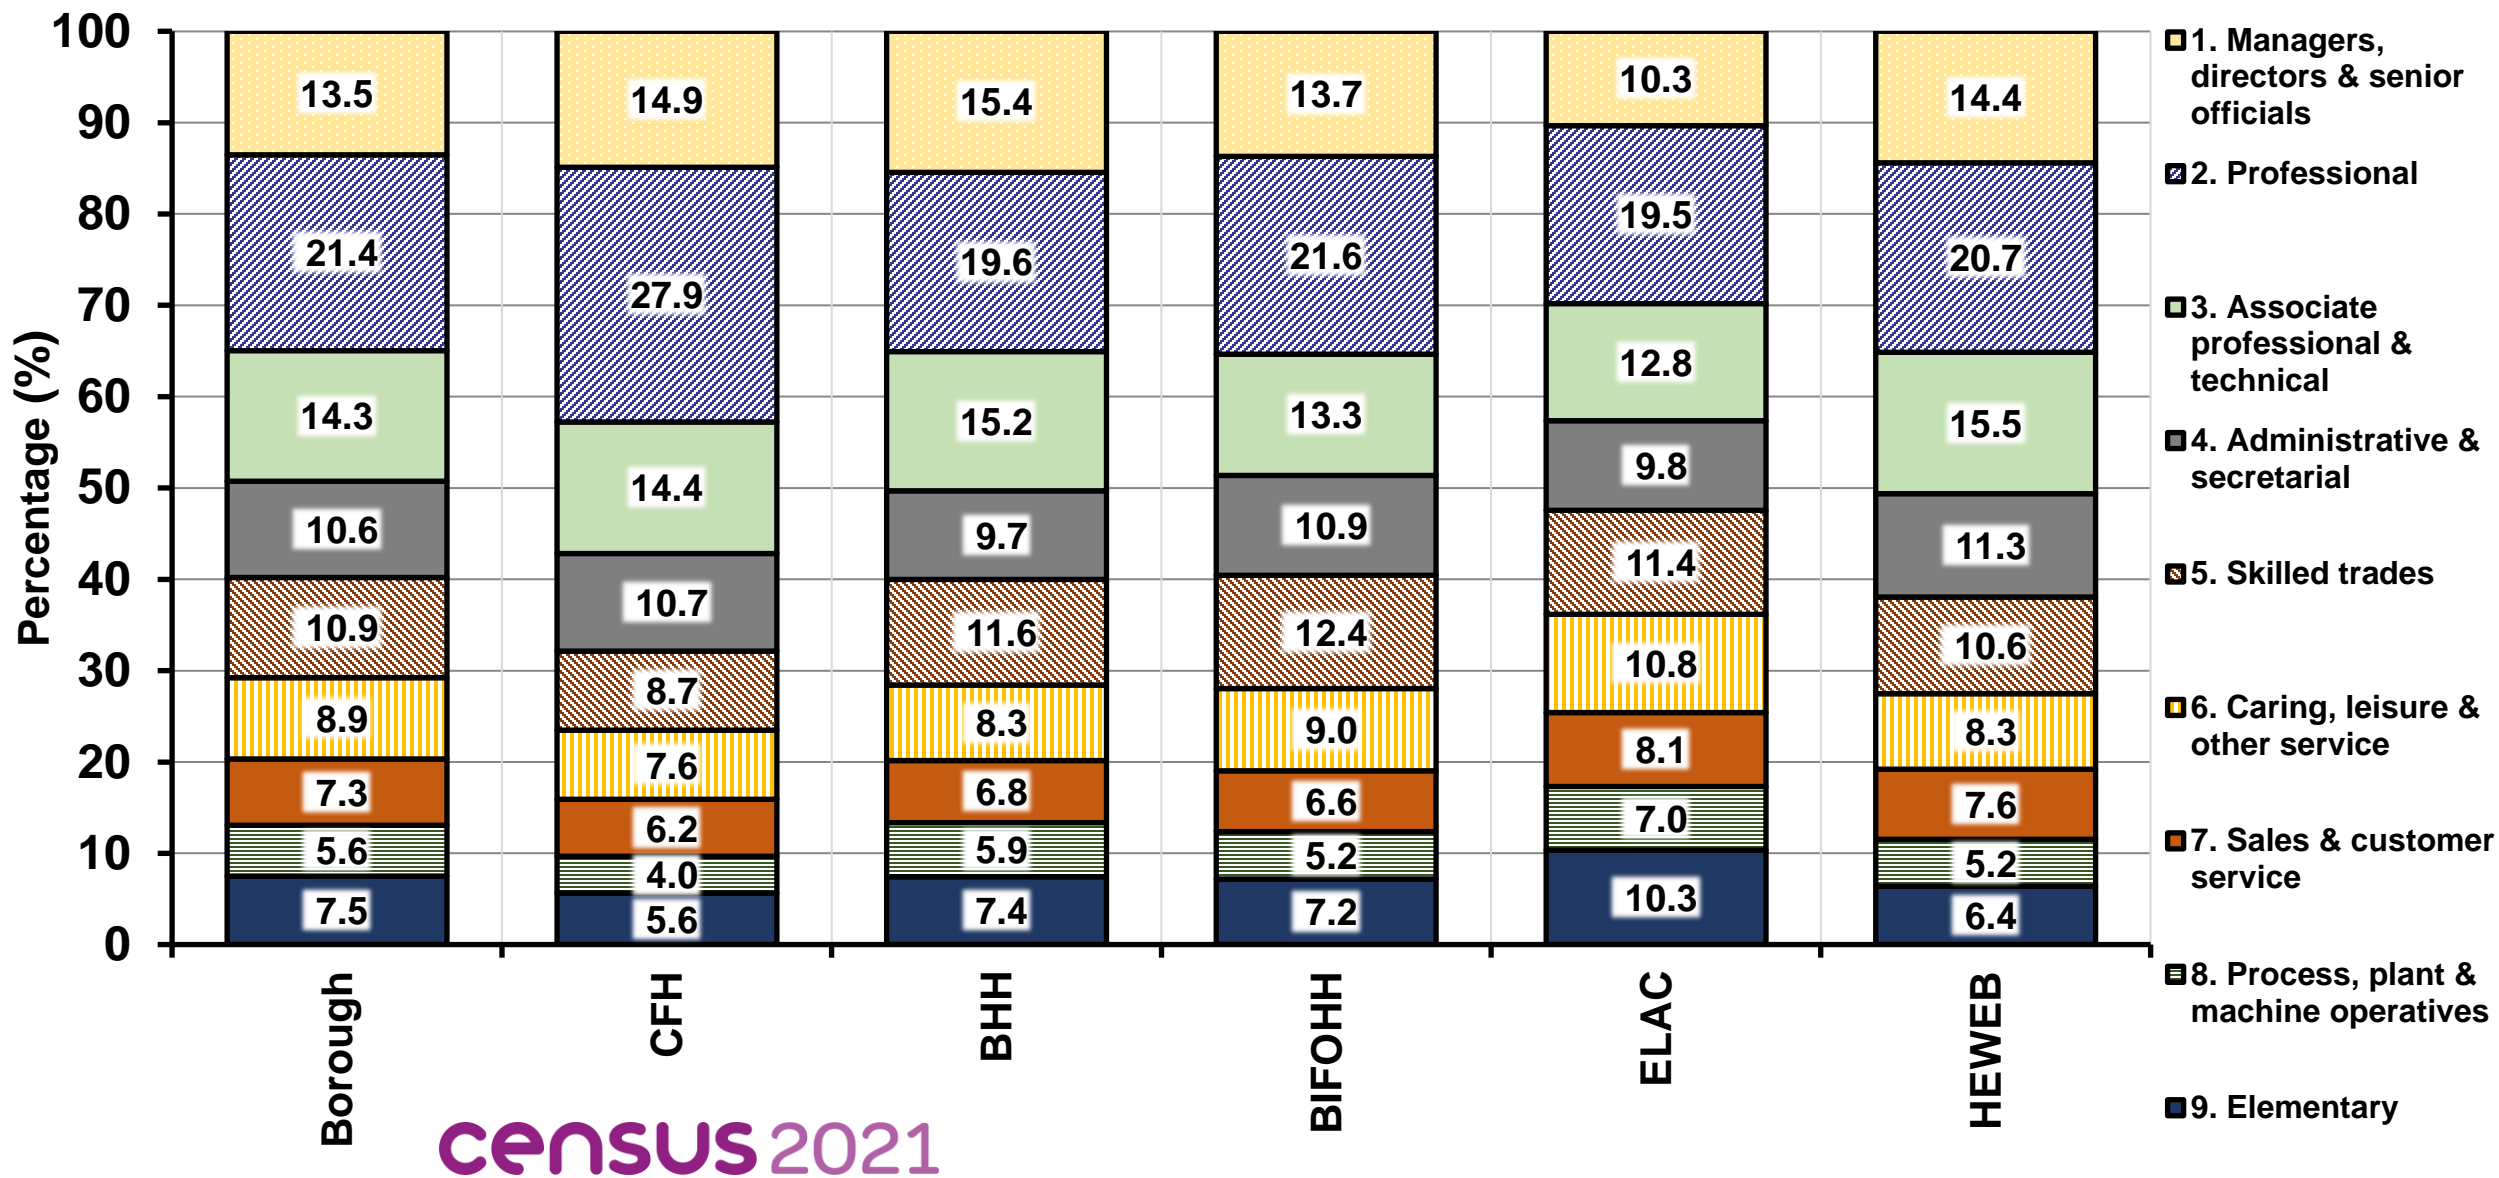

3.9b Local Areas: usual residents (aged 16+) by highest level of qualification (number) (Source: Office for National Statistics, March 2021)

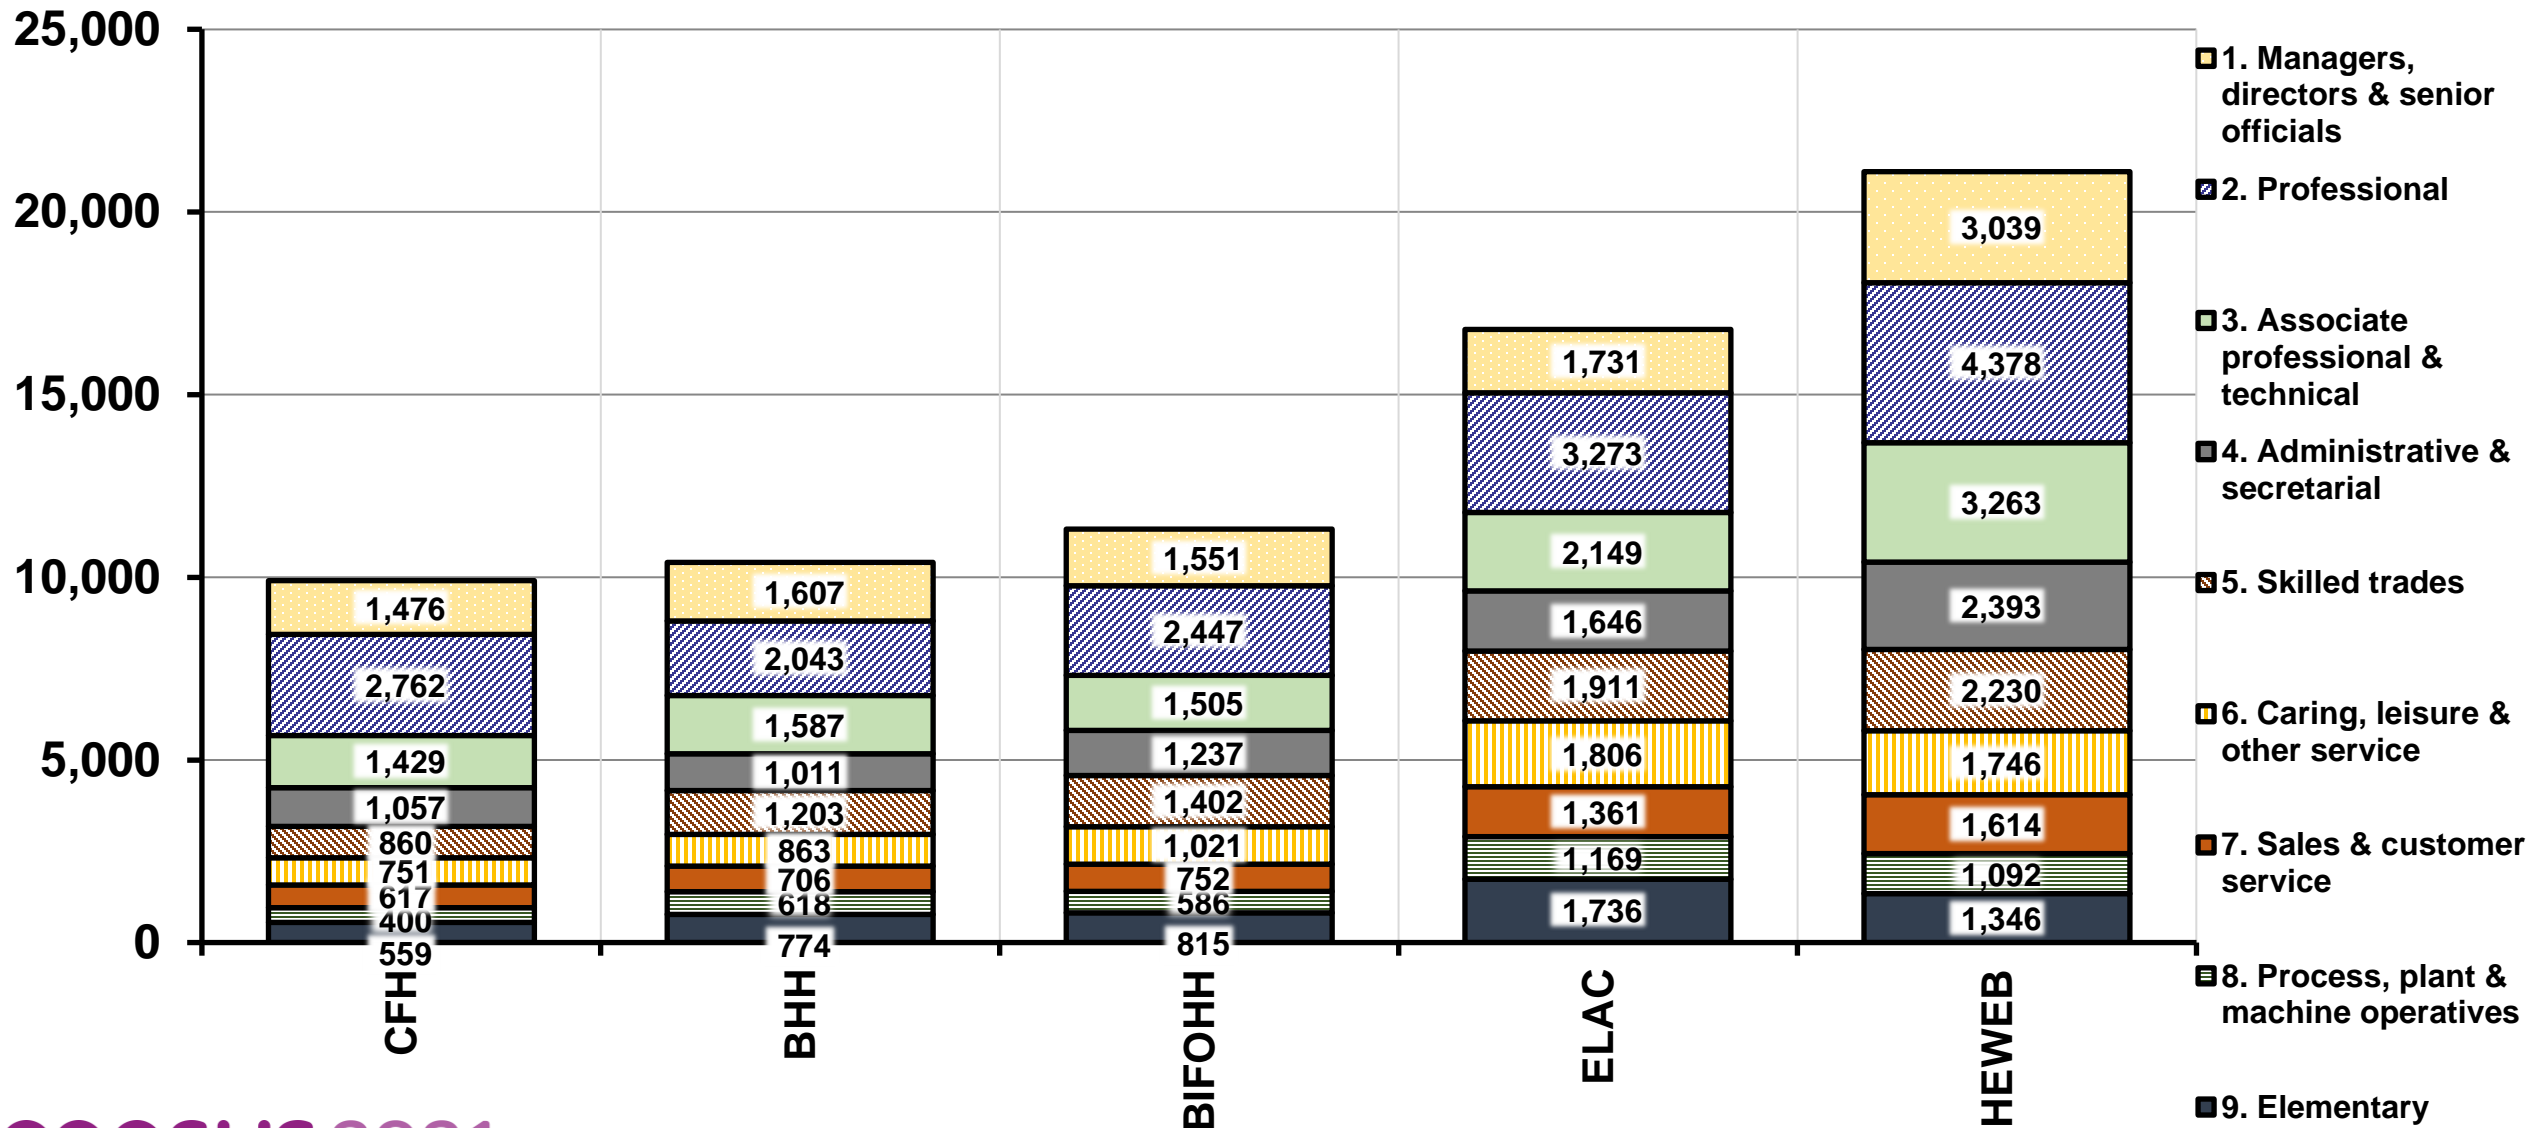

3.10a Local Areas: employed usual residents (aged 16+) by occupation (%*) (Source: Office for National Statistics, March 2021)

*Figures may not total to 100% due to rounding up

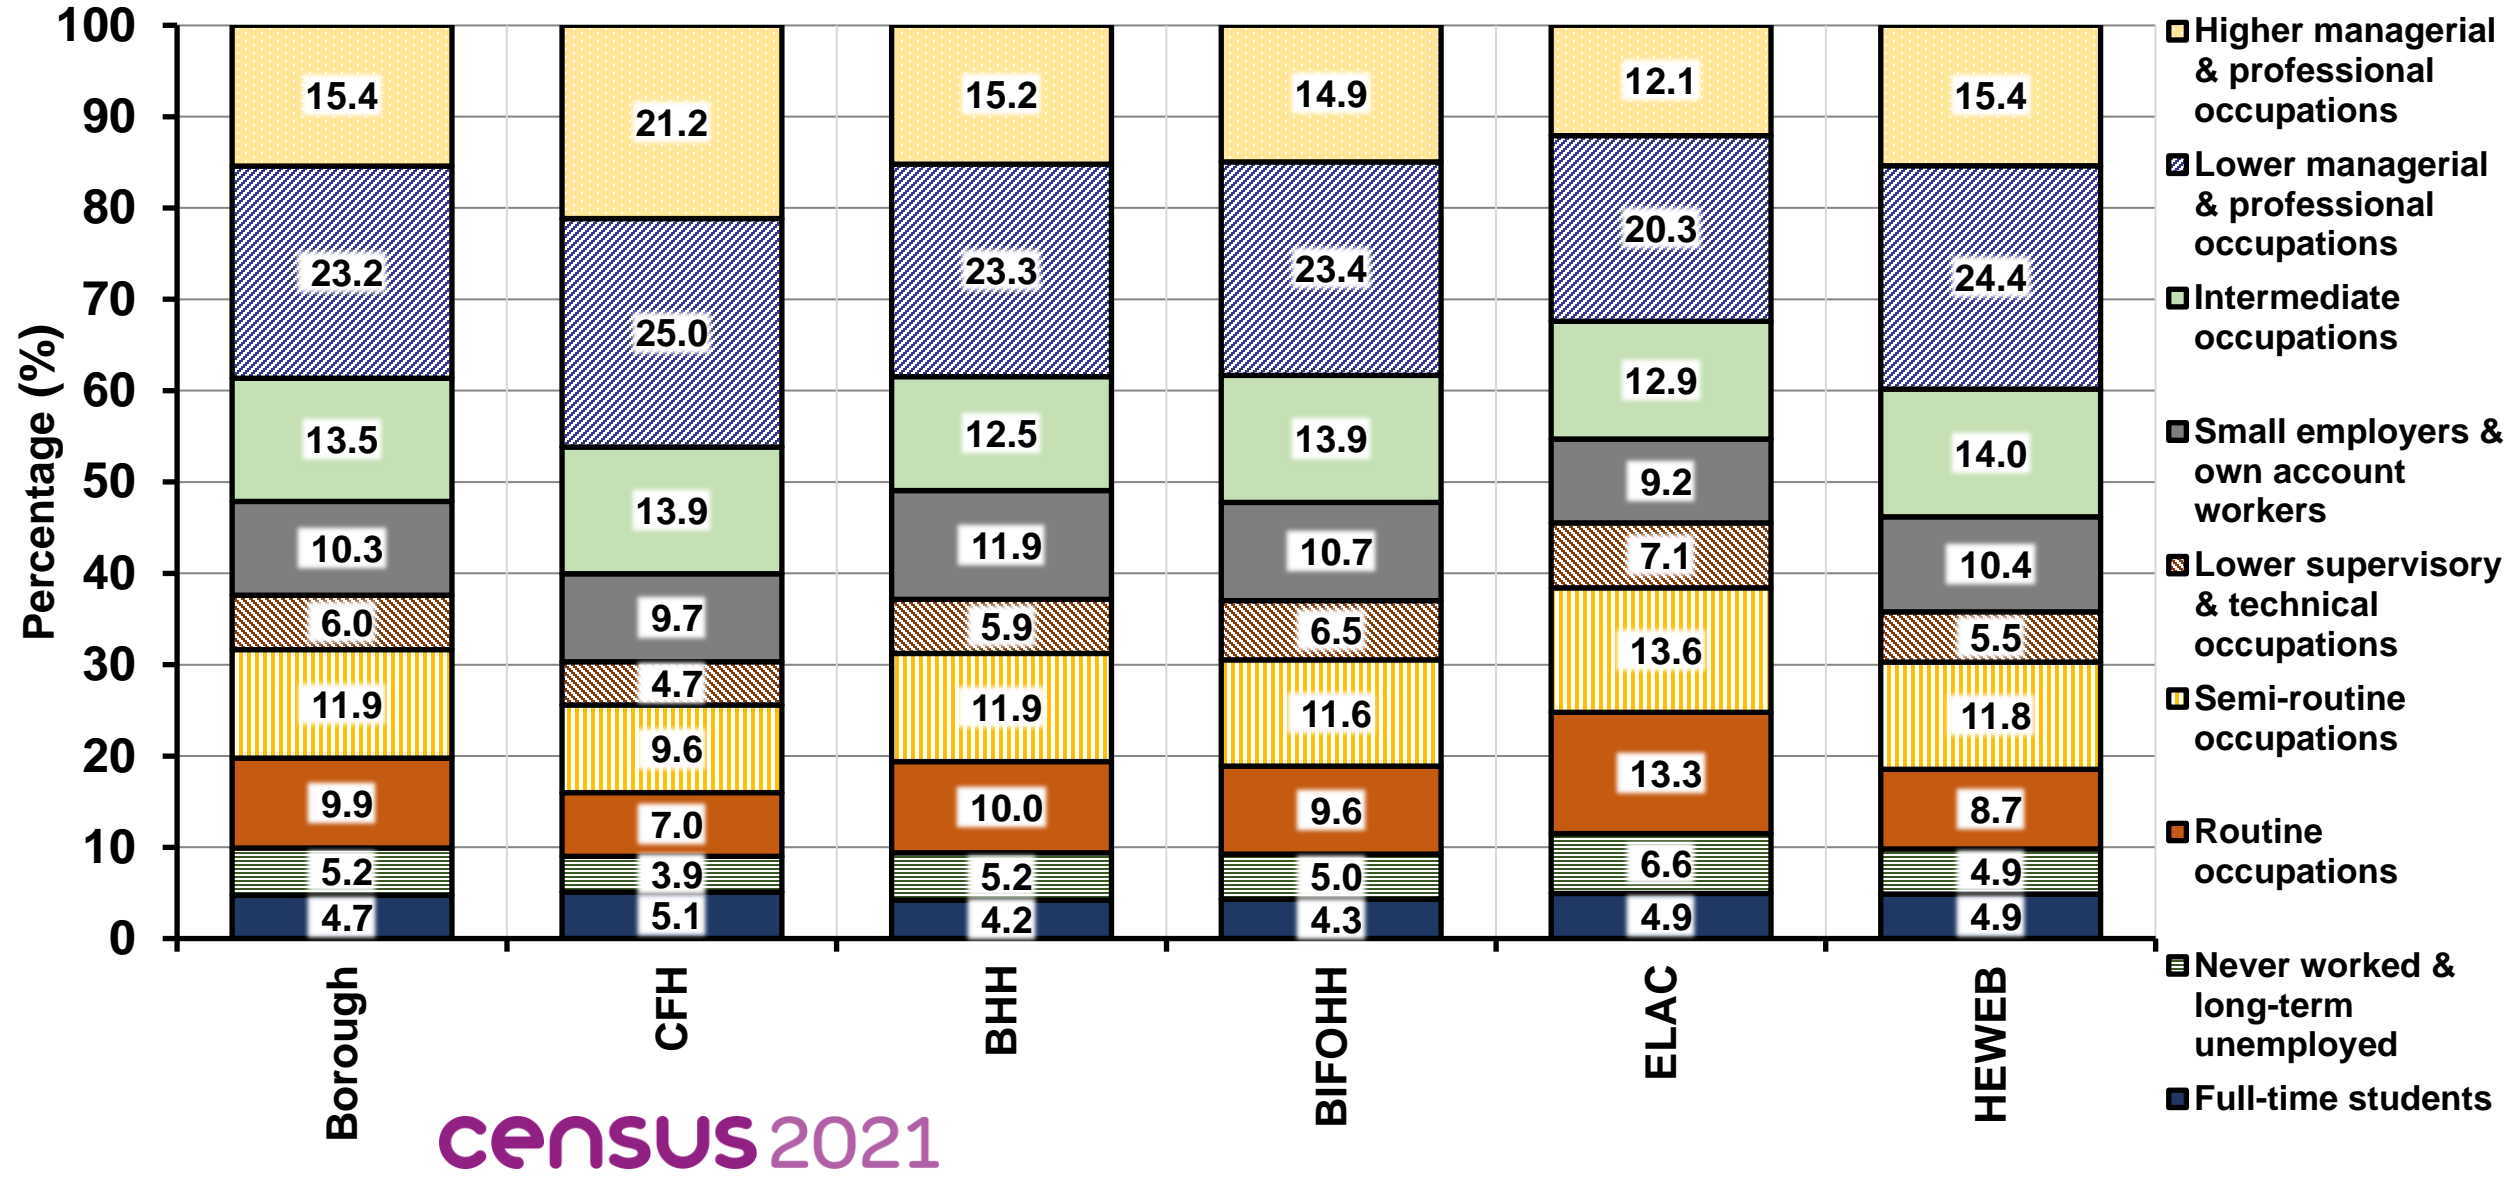

3.10b Local Areas: employed usual residents (aged 16+) by occupation (number) (Source: Office for National Statistics, March 2021)

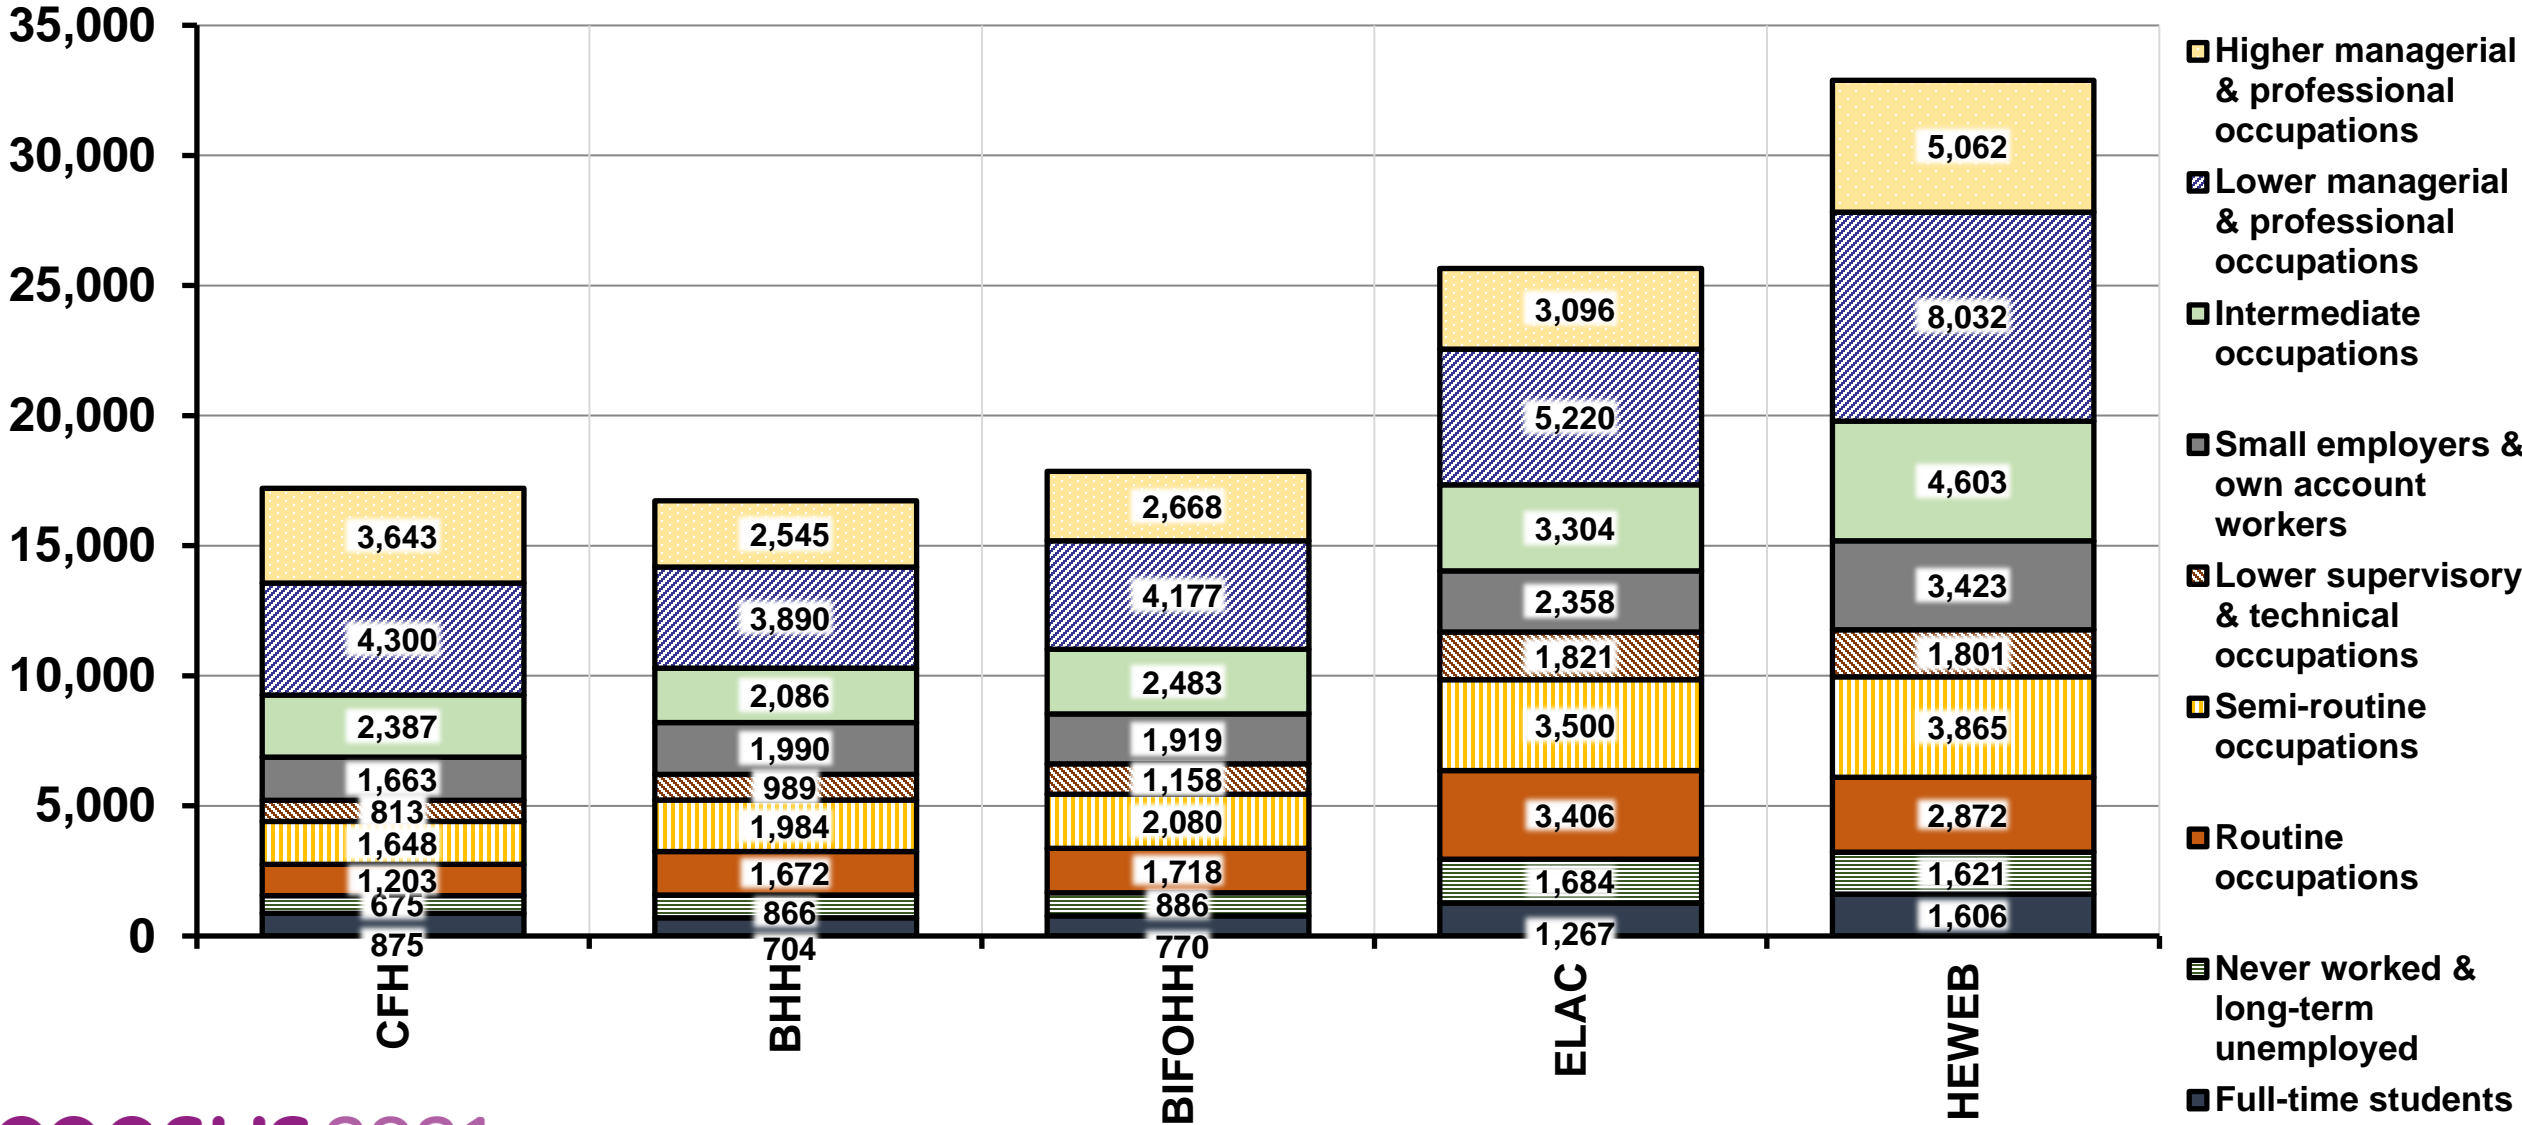

3.11a Wards: usual residents (aged 16+) by occupation-based socio-economic position (%*) (Source: Office for National Statistics, March 2021)

*Figures may not total to 100% due to rounding up

3.11b Wards: usual residents (aged 16+) by occupation-based socio-economic position (number) (Source: Office for National Statistics, March 2021)

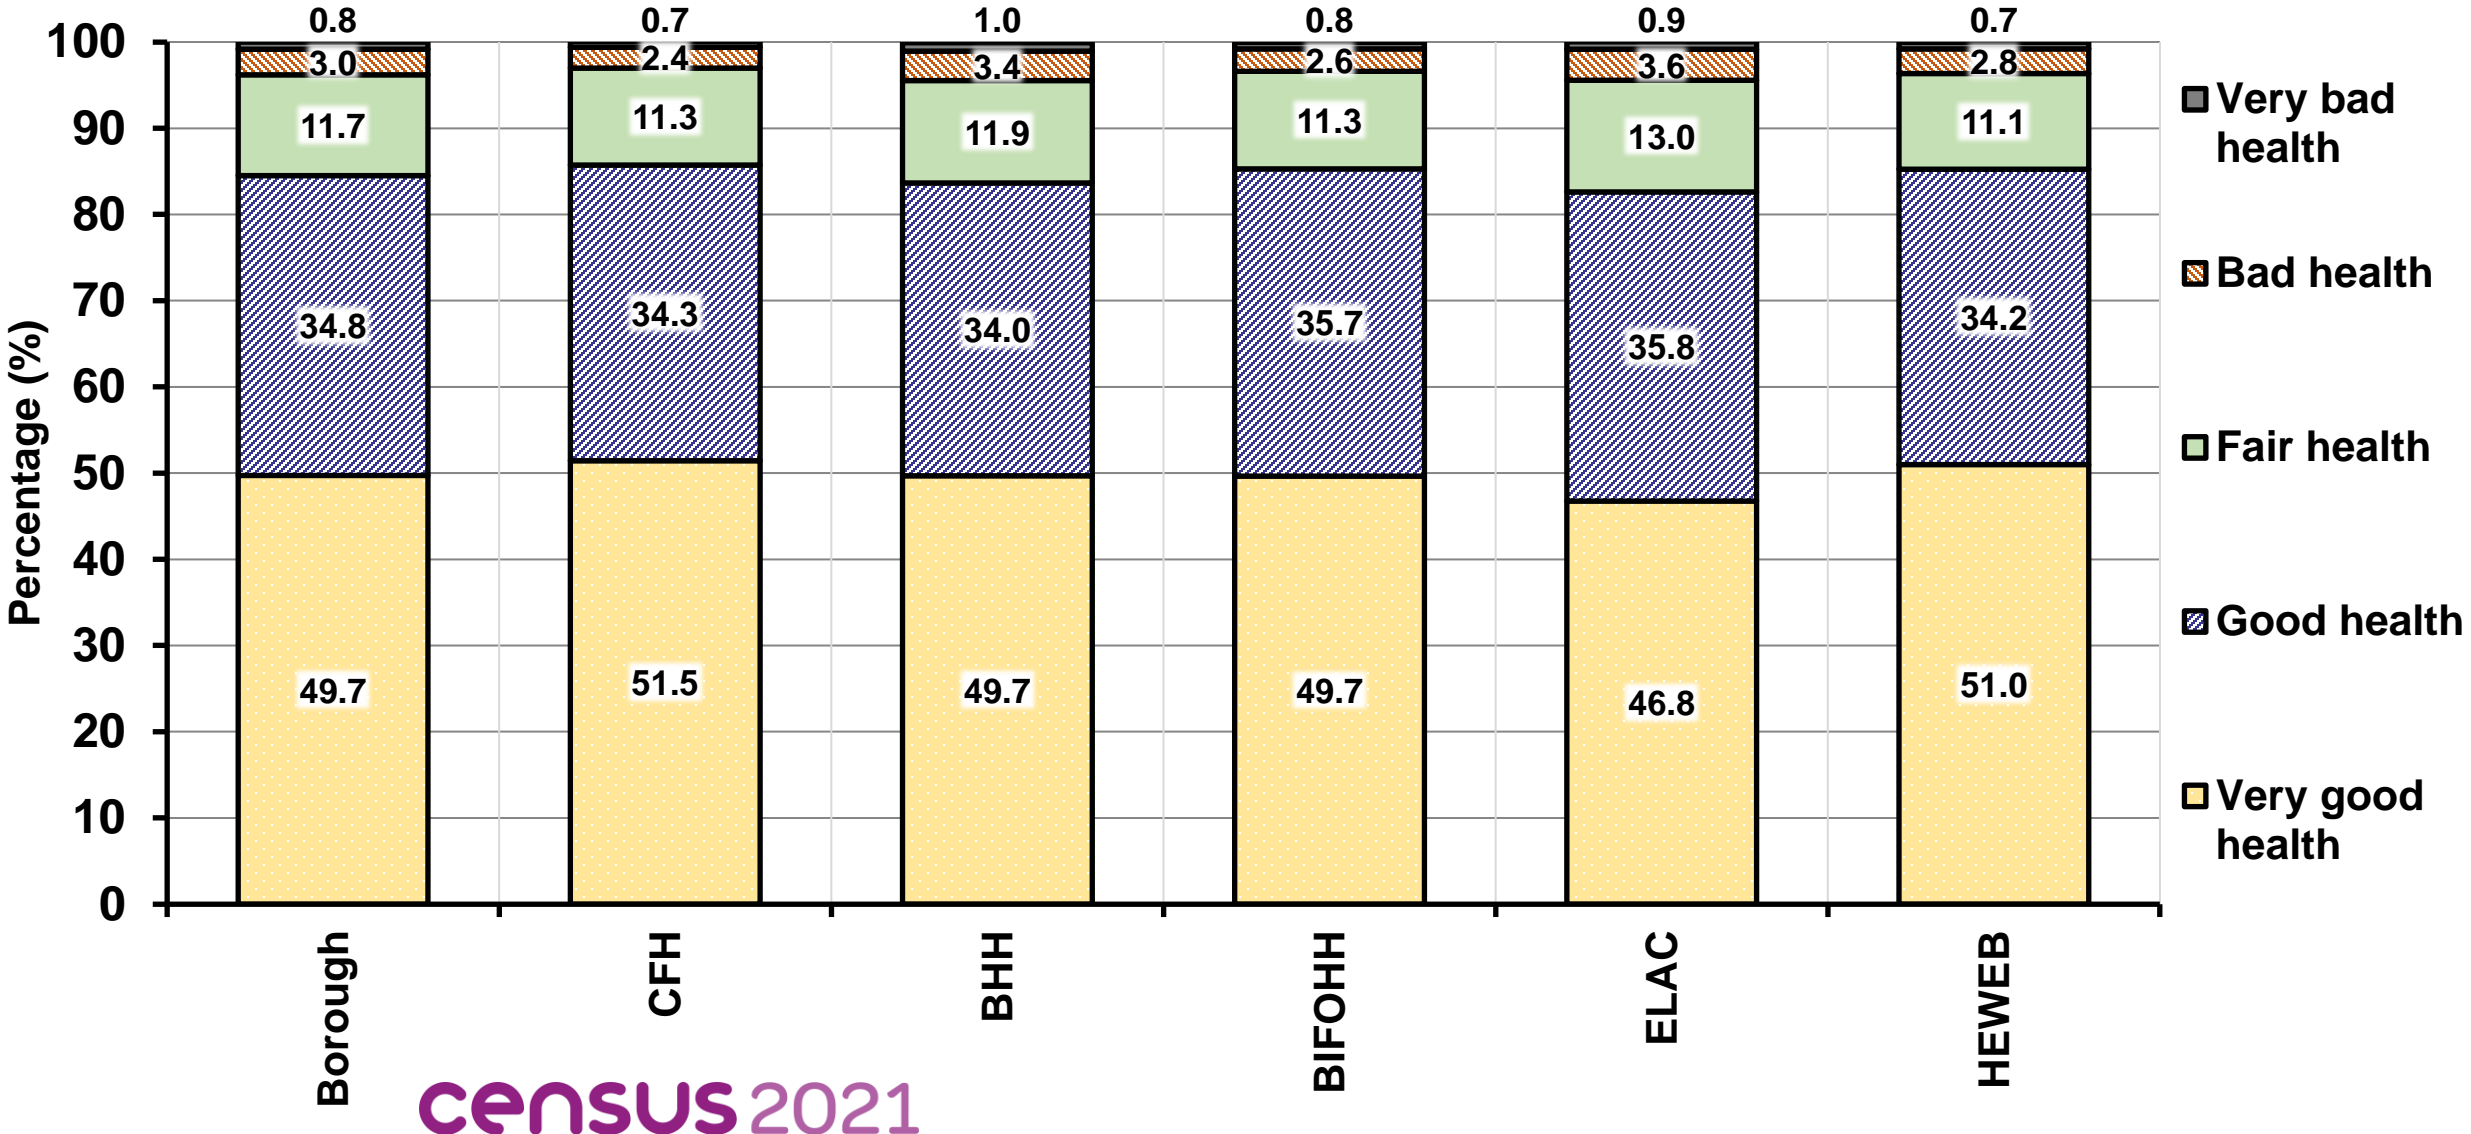

- Health -

3.12a Local Areas: general health of usual residents (%*)

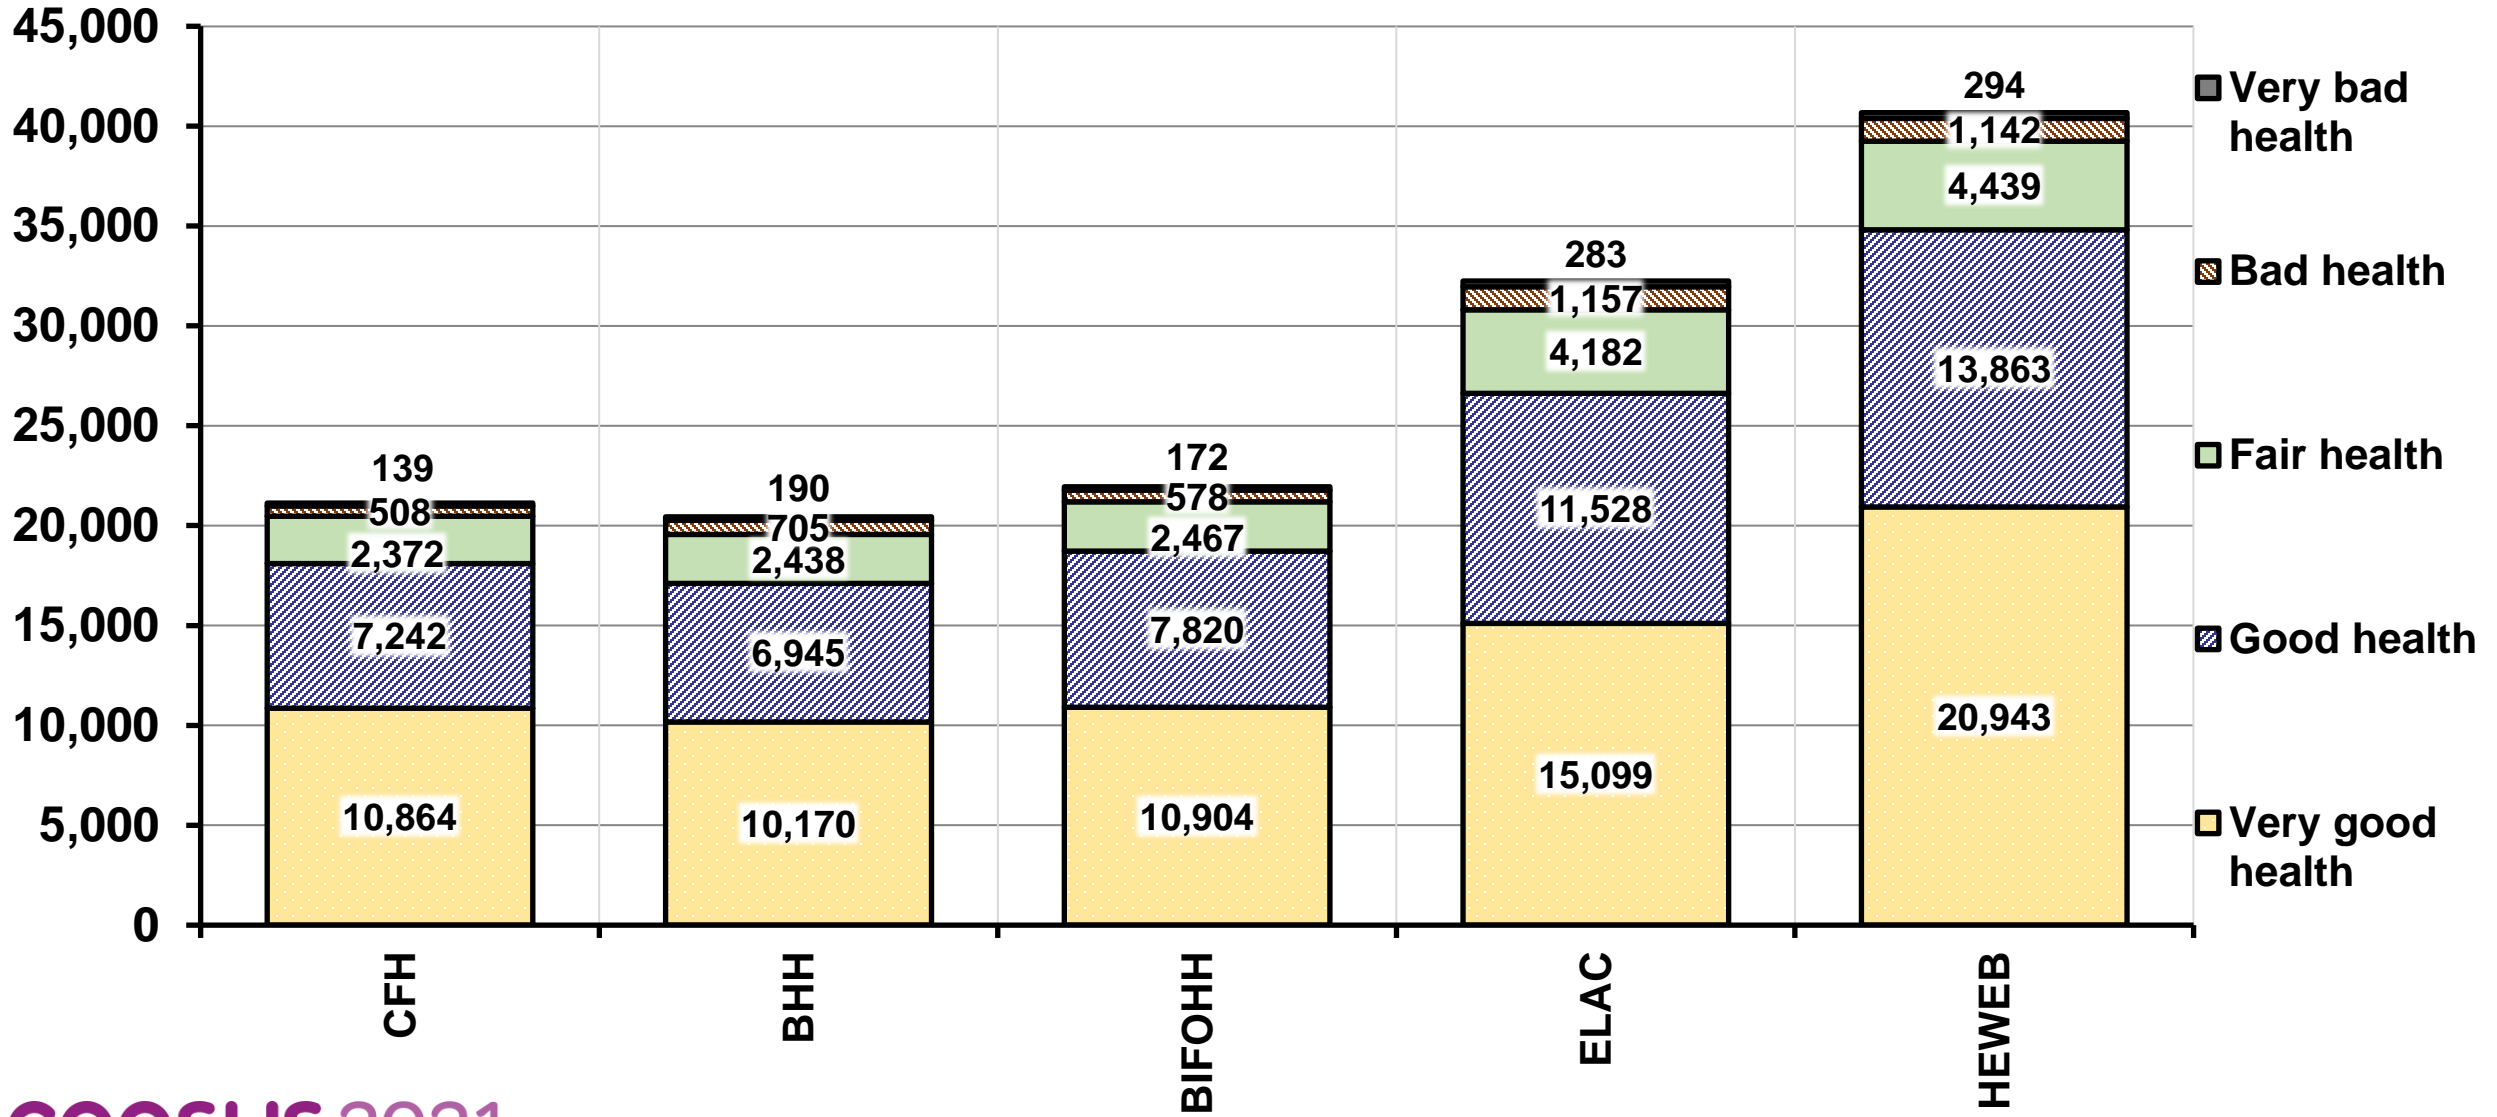

(Source: Office for National Statistics, March 2021)

*Figures may not total to 100% due to rounding up

3.12b Local Areas: general health of usual residents (number)

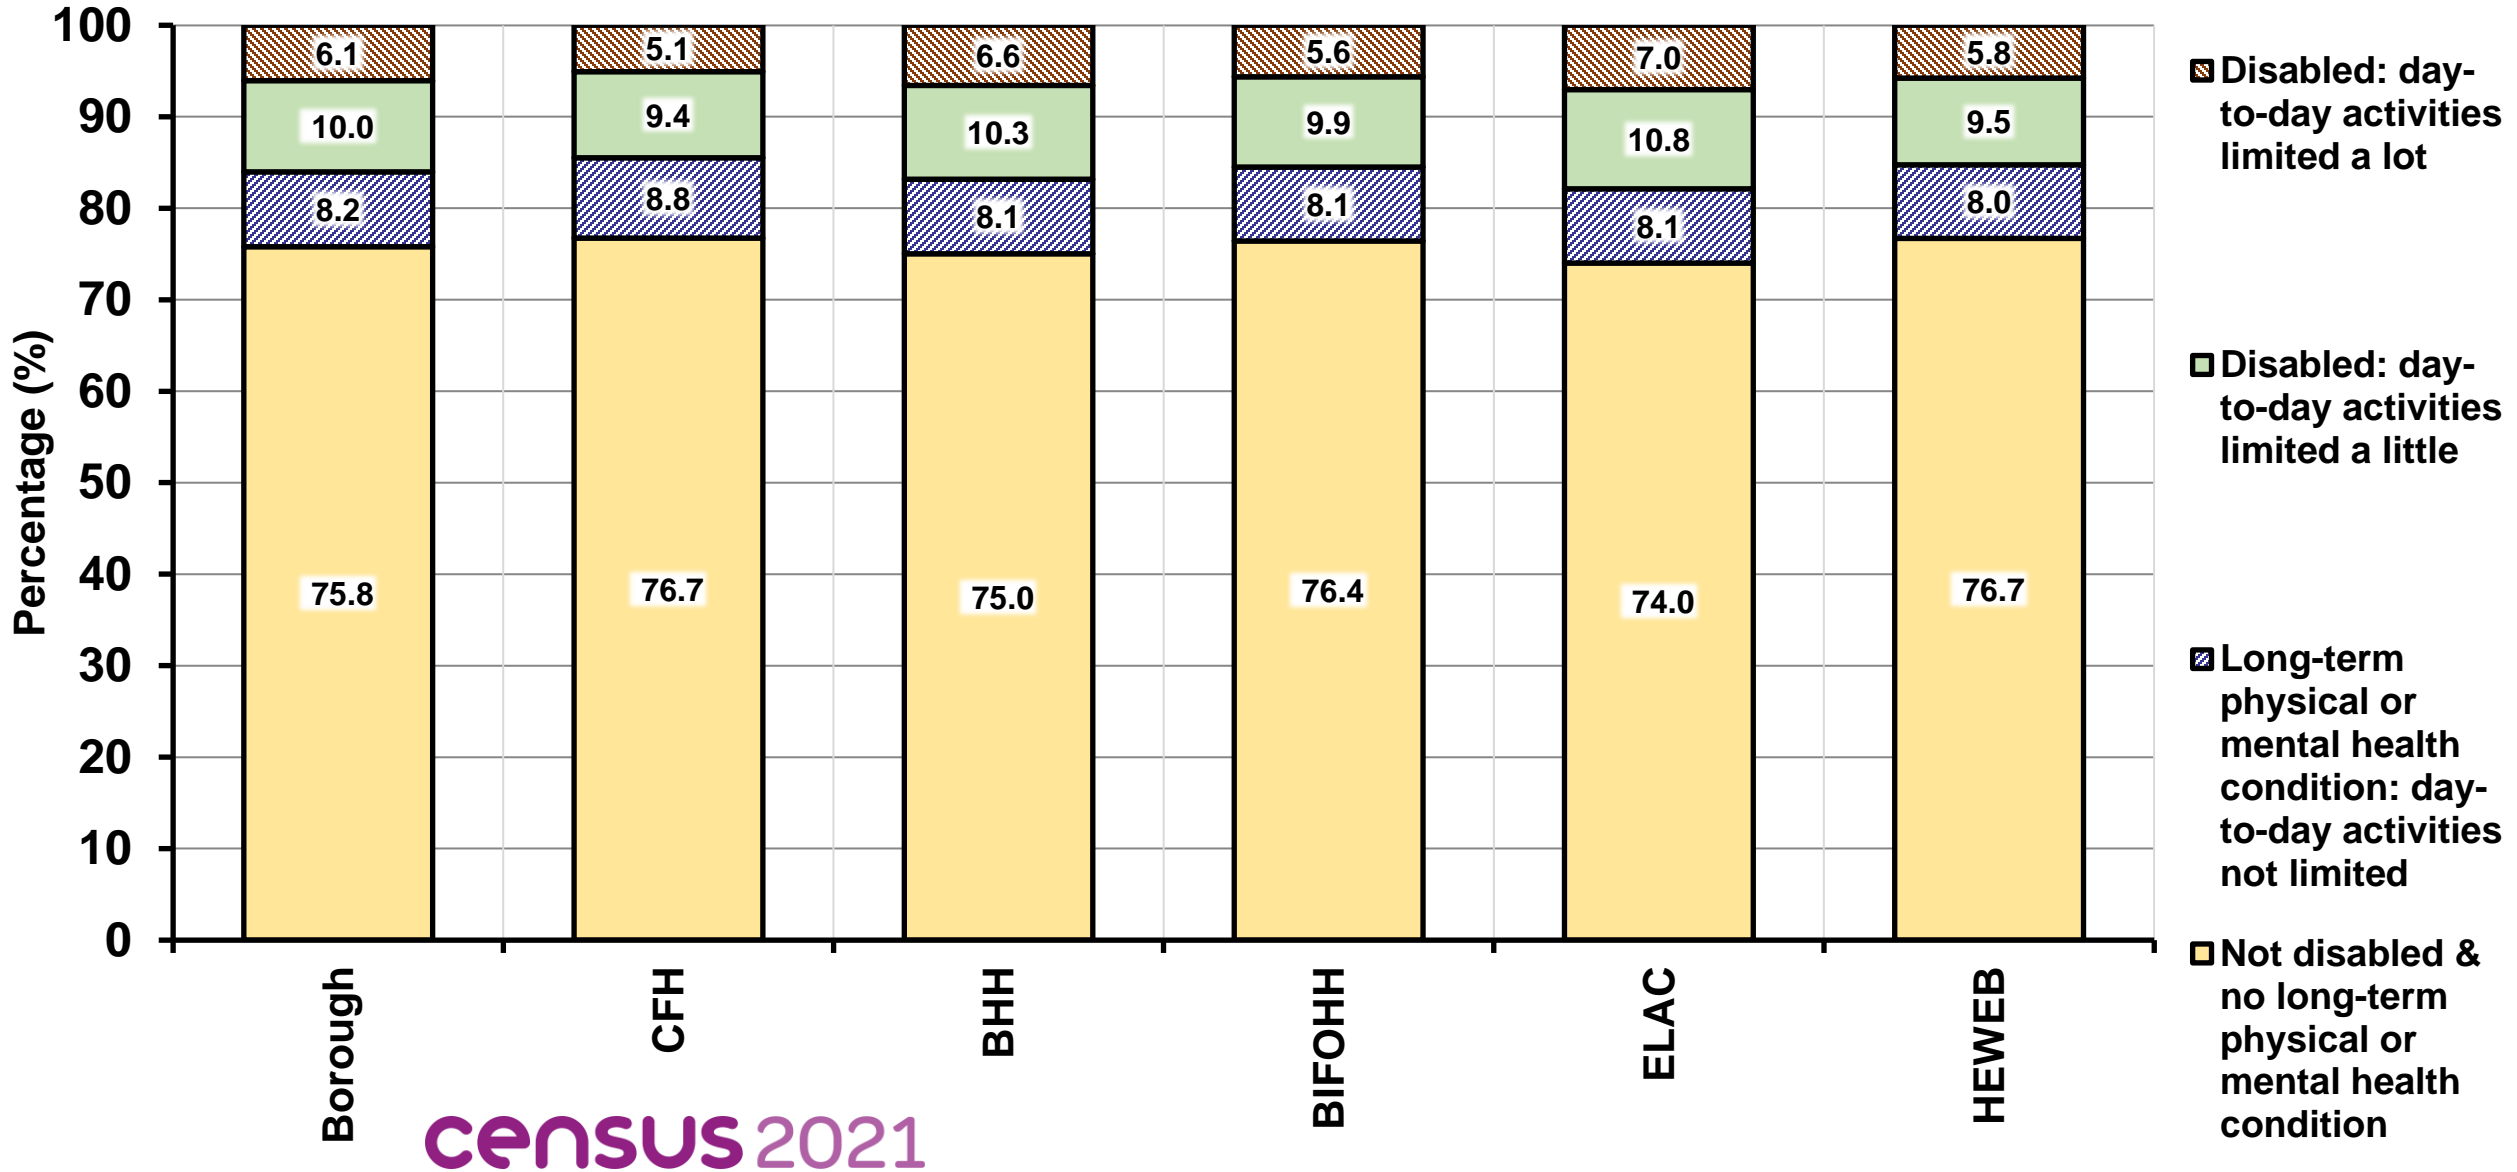

(Source: Office for National Statistics, March 2021)

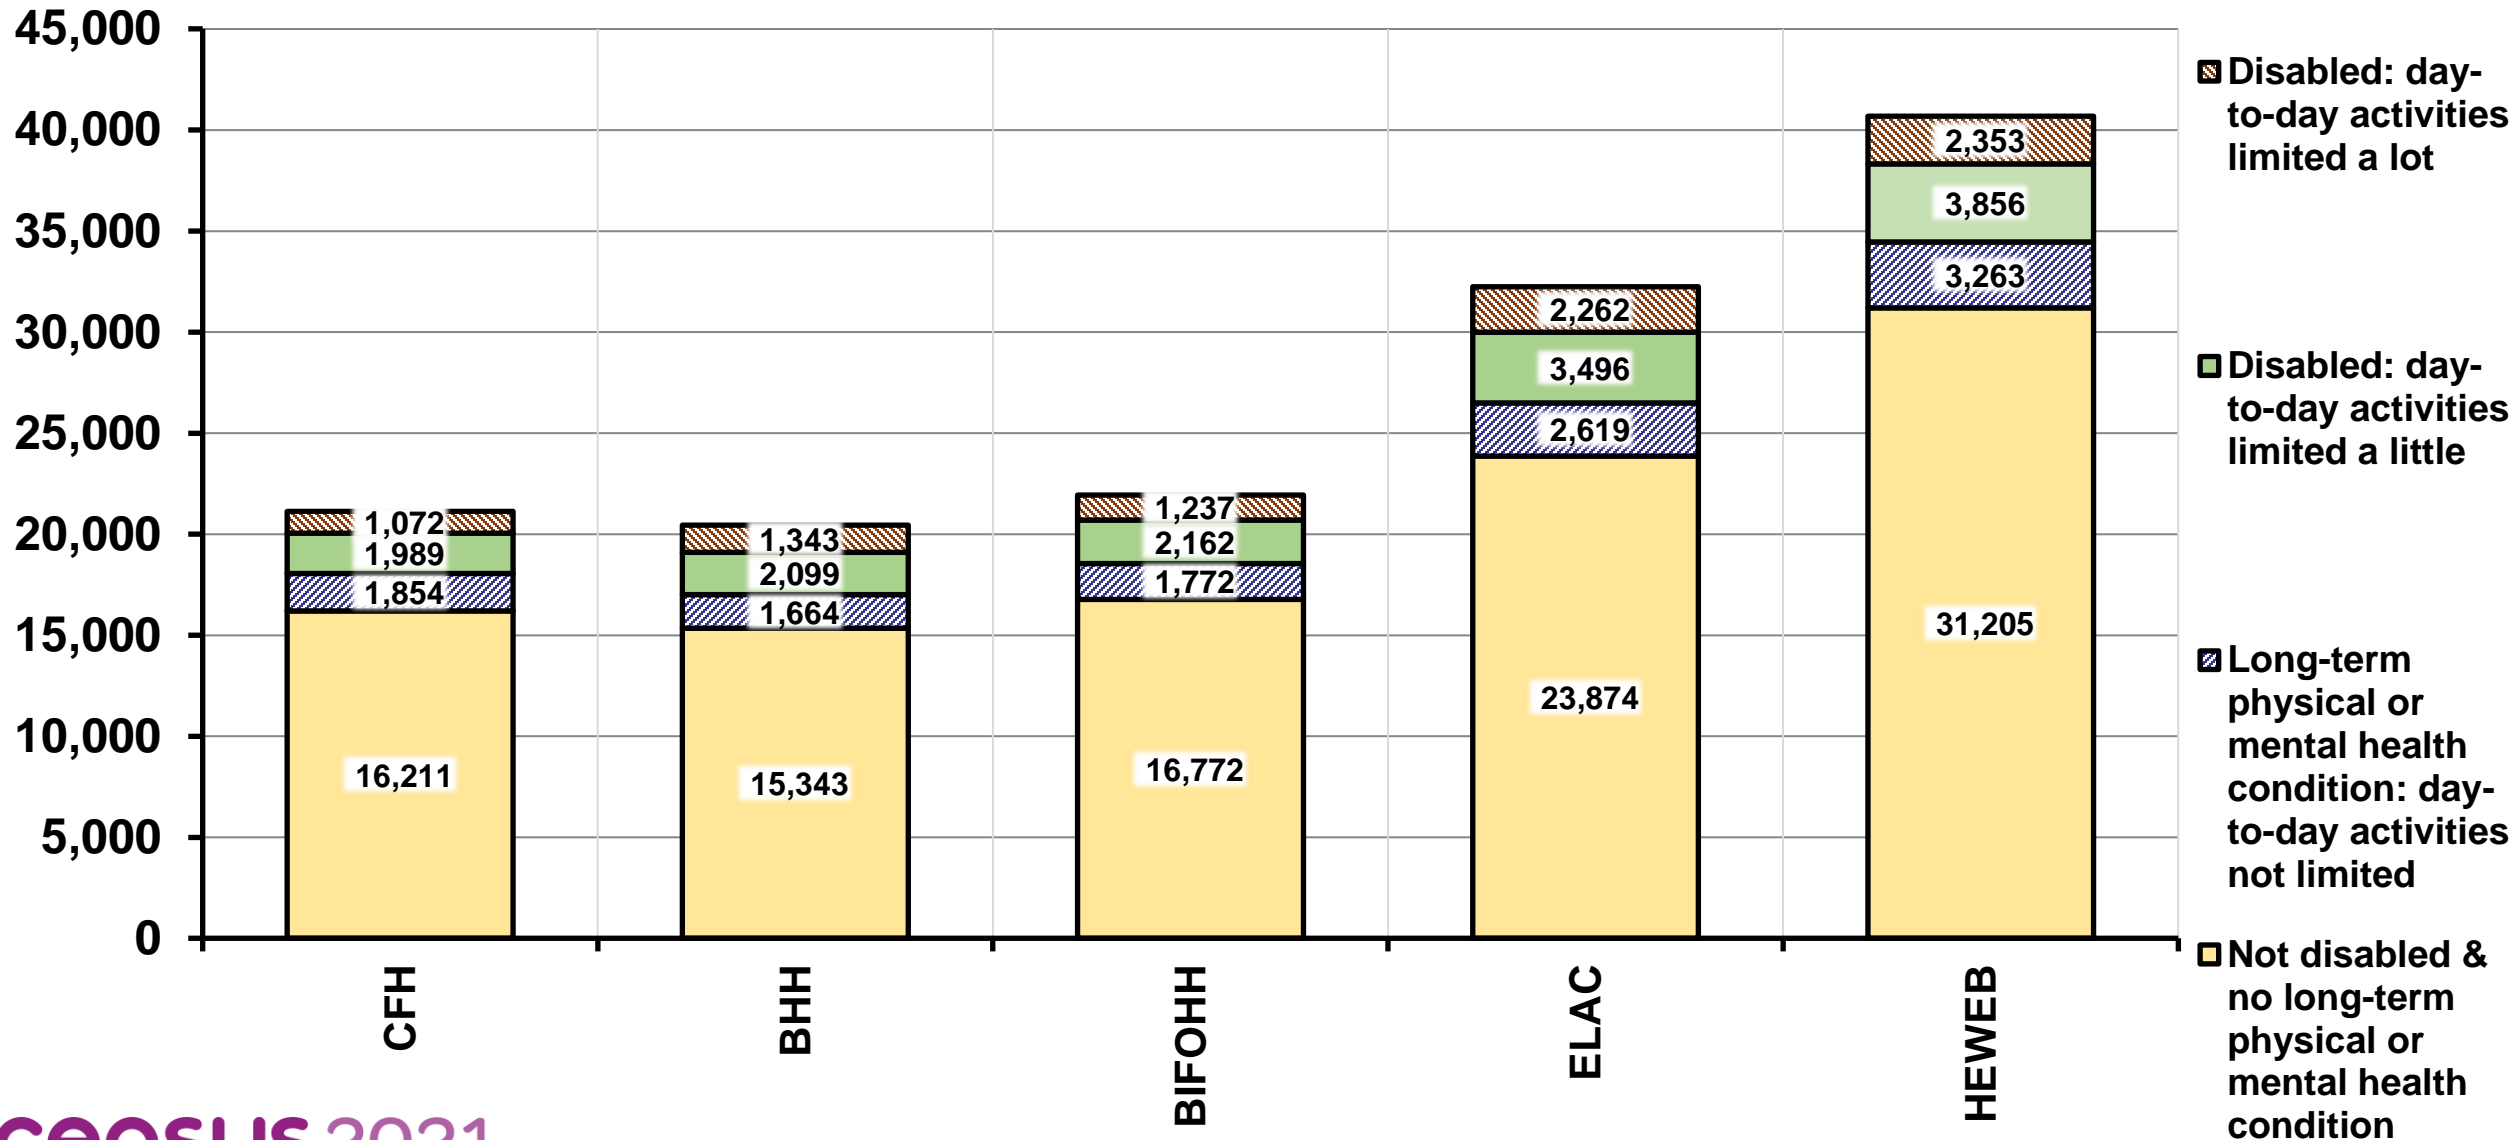

3.13a Local Areas: disability status of usual residents (%*)

(Source: Office for National Statistics, March 2021)

*Figures may not total to 100% due to rounding up

3.13b Local Areas: disability status of usual residents (number) (Source: Office for National Statistics, March 2021)

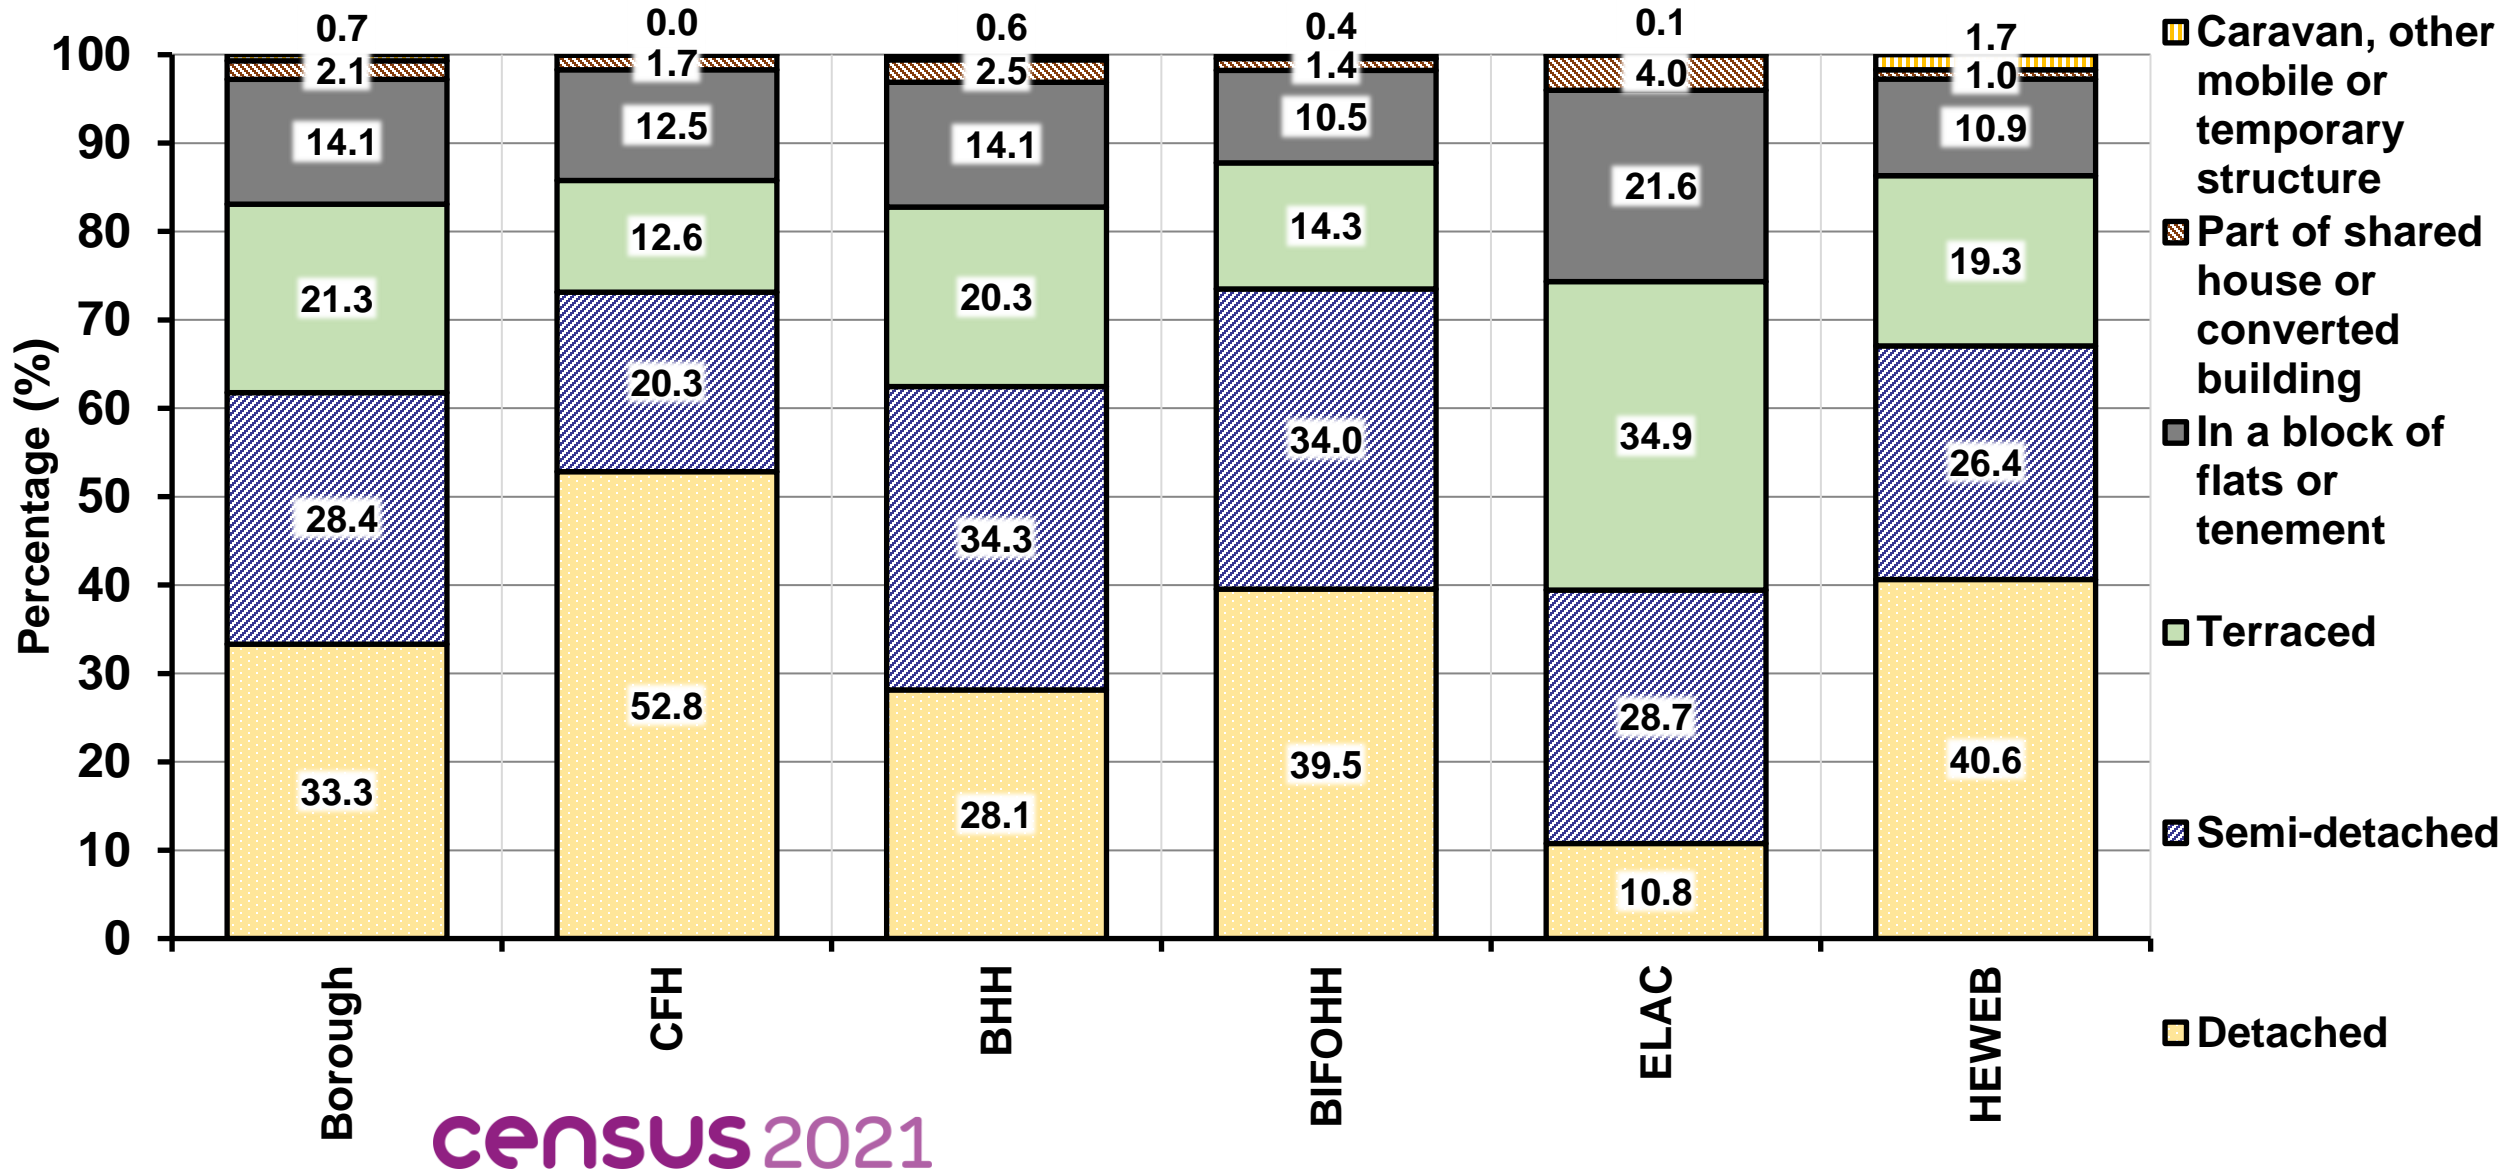

- Housing -

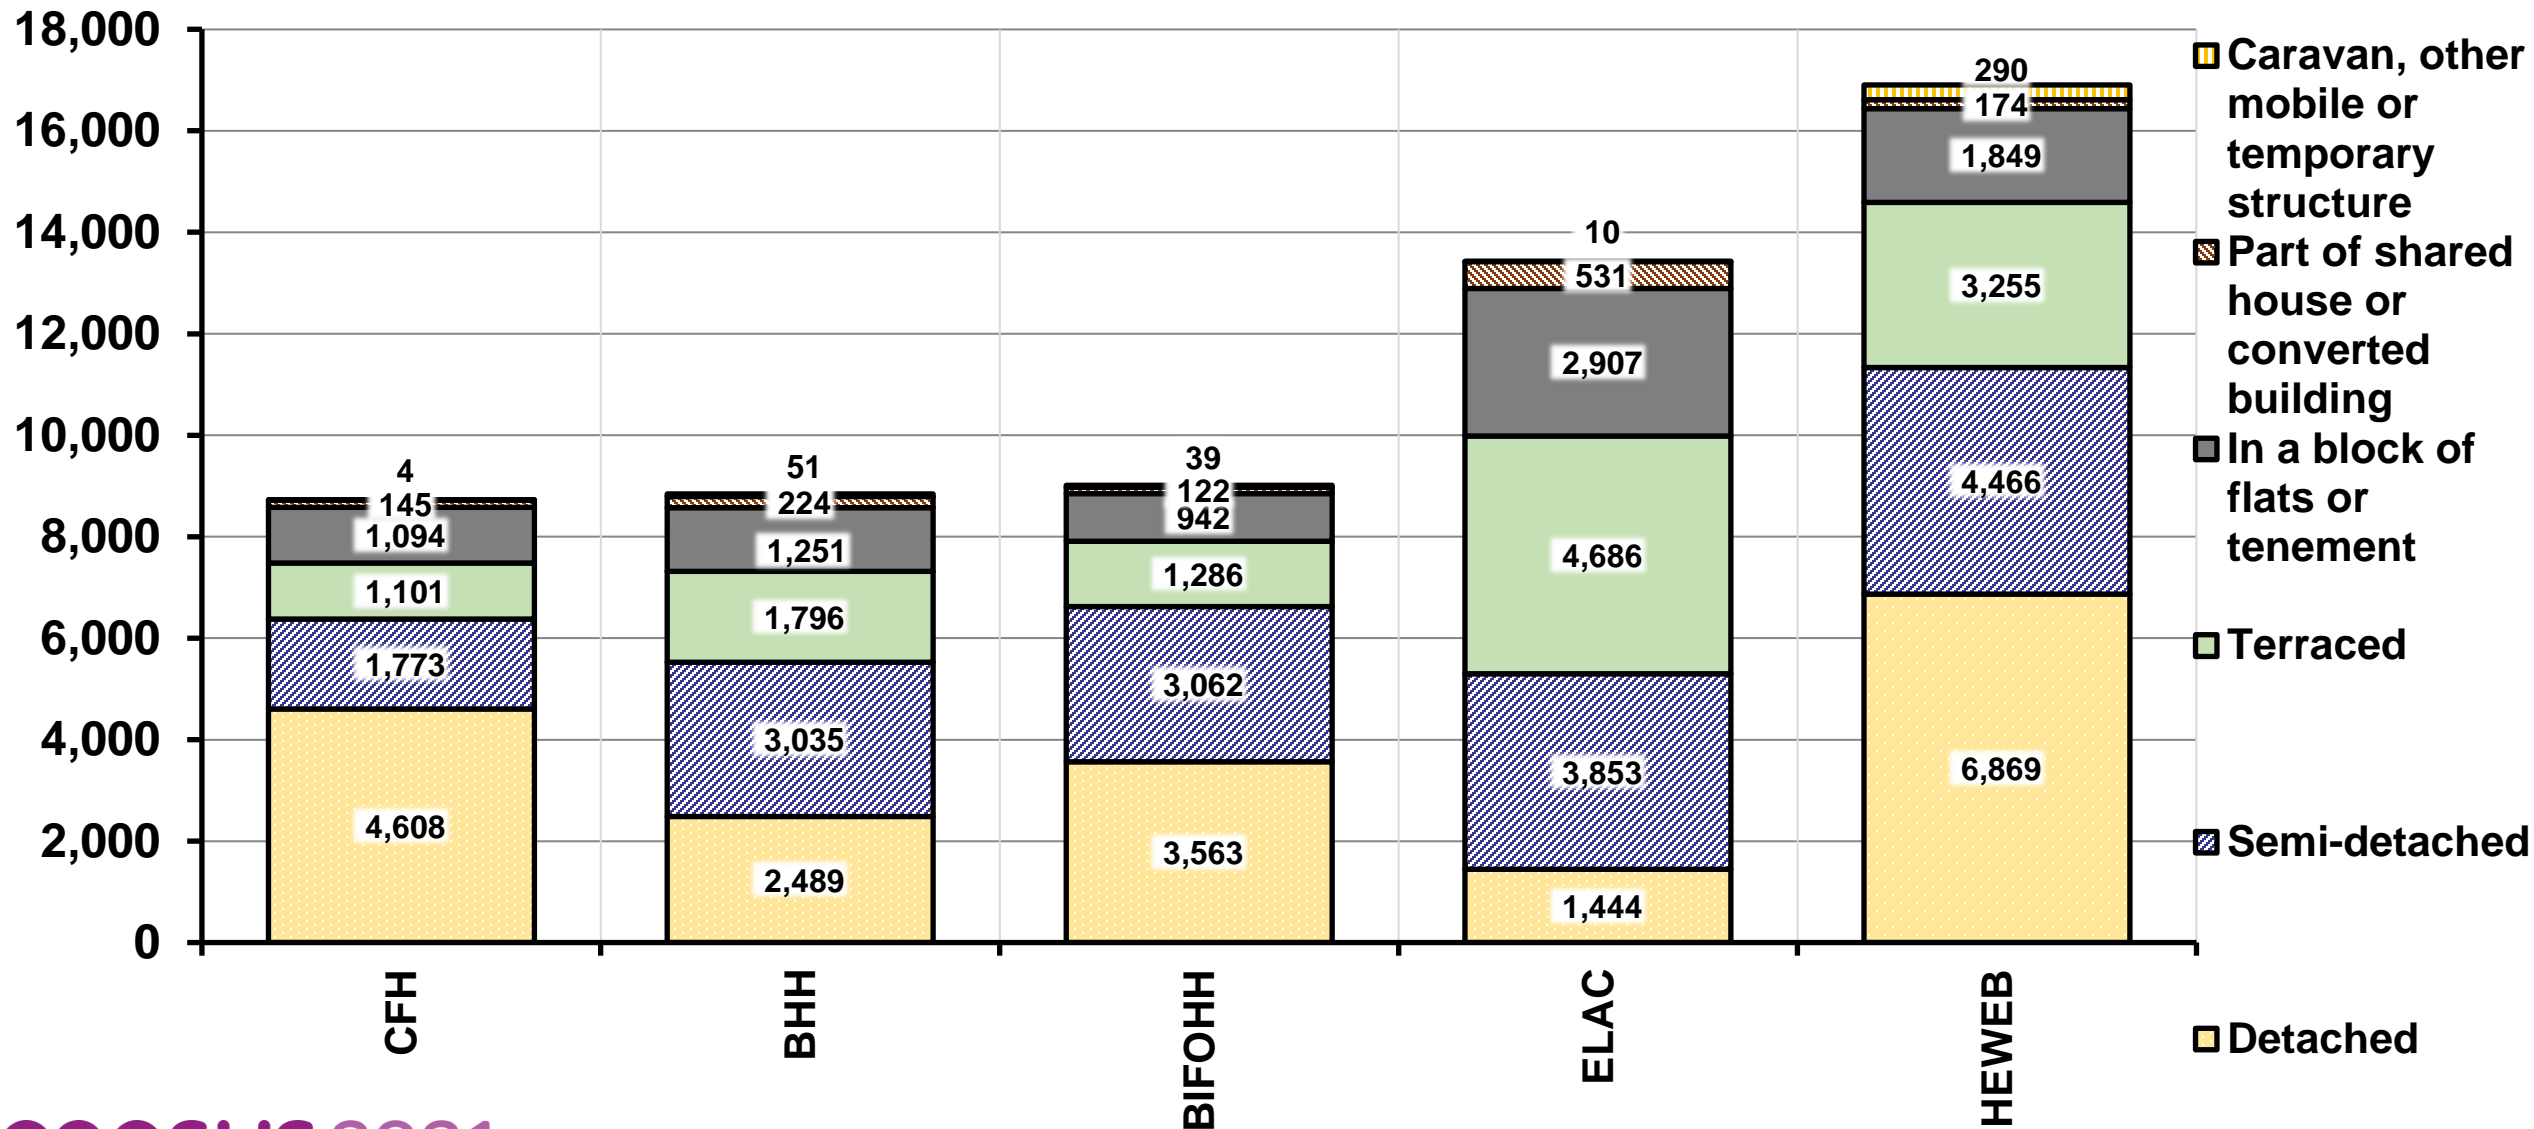

3.14a Local Areas: type of accommodation by household (%*)

(Source: Office for National Statistics, March 2021)

*Figures may not total to 100% due to rounding up

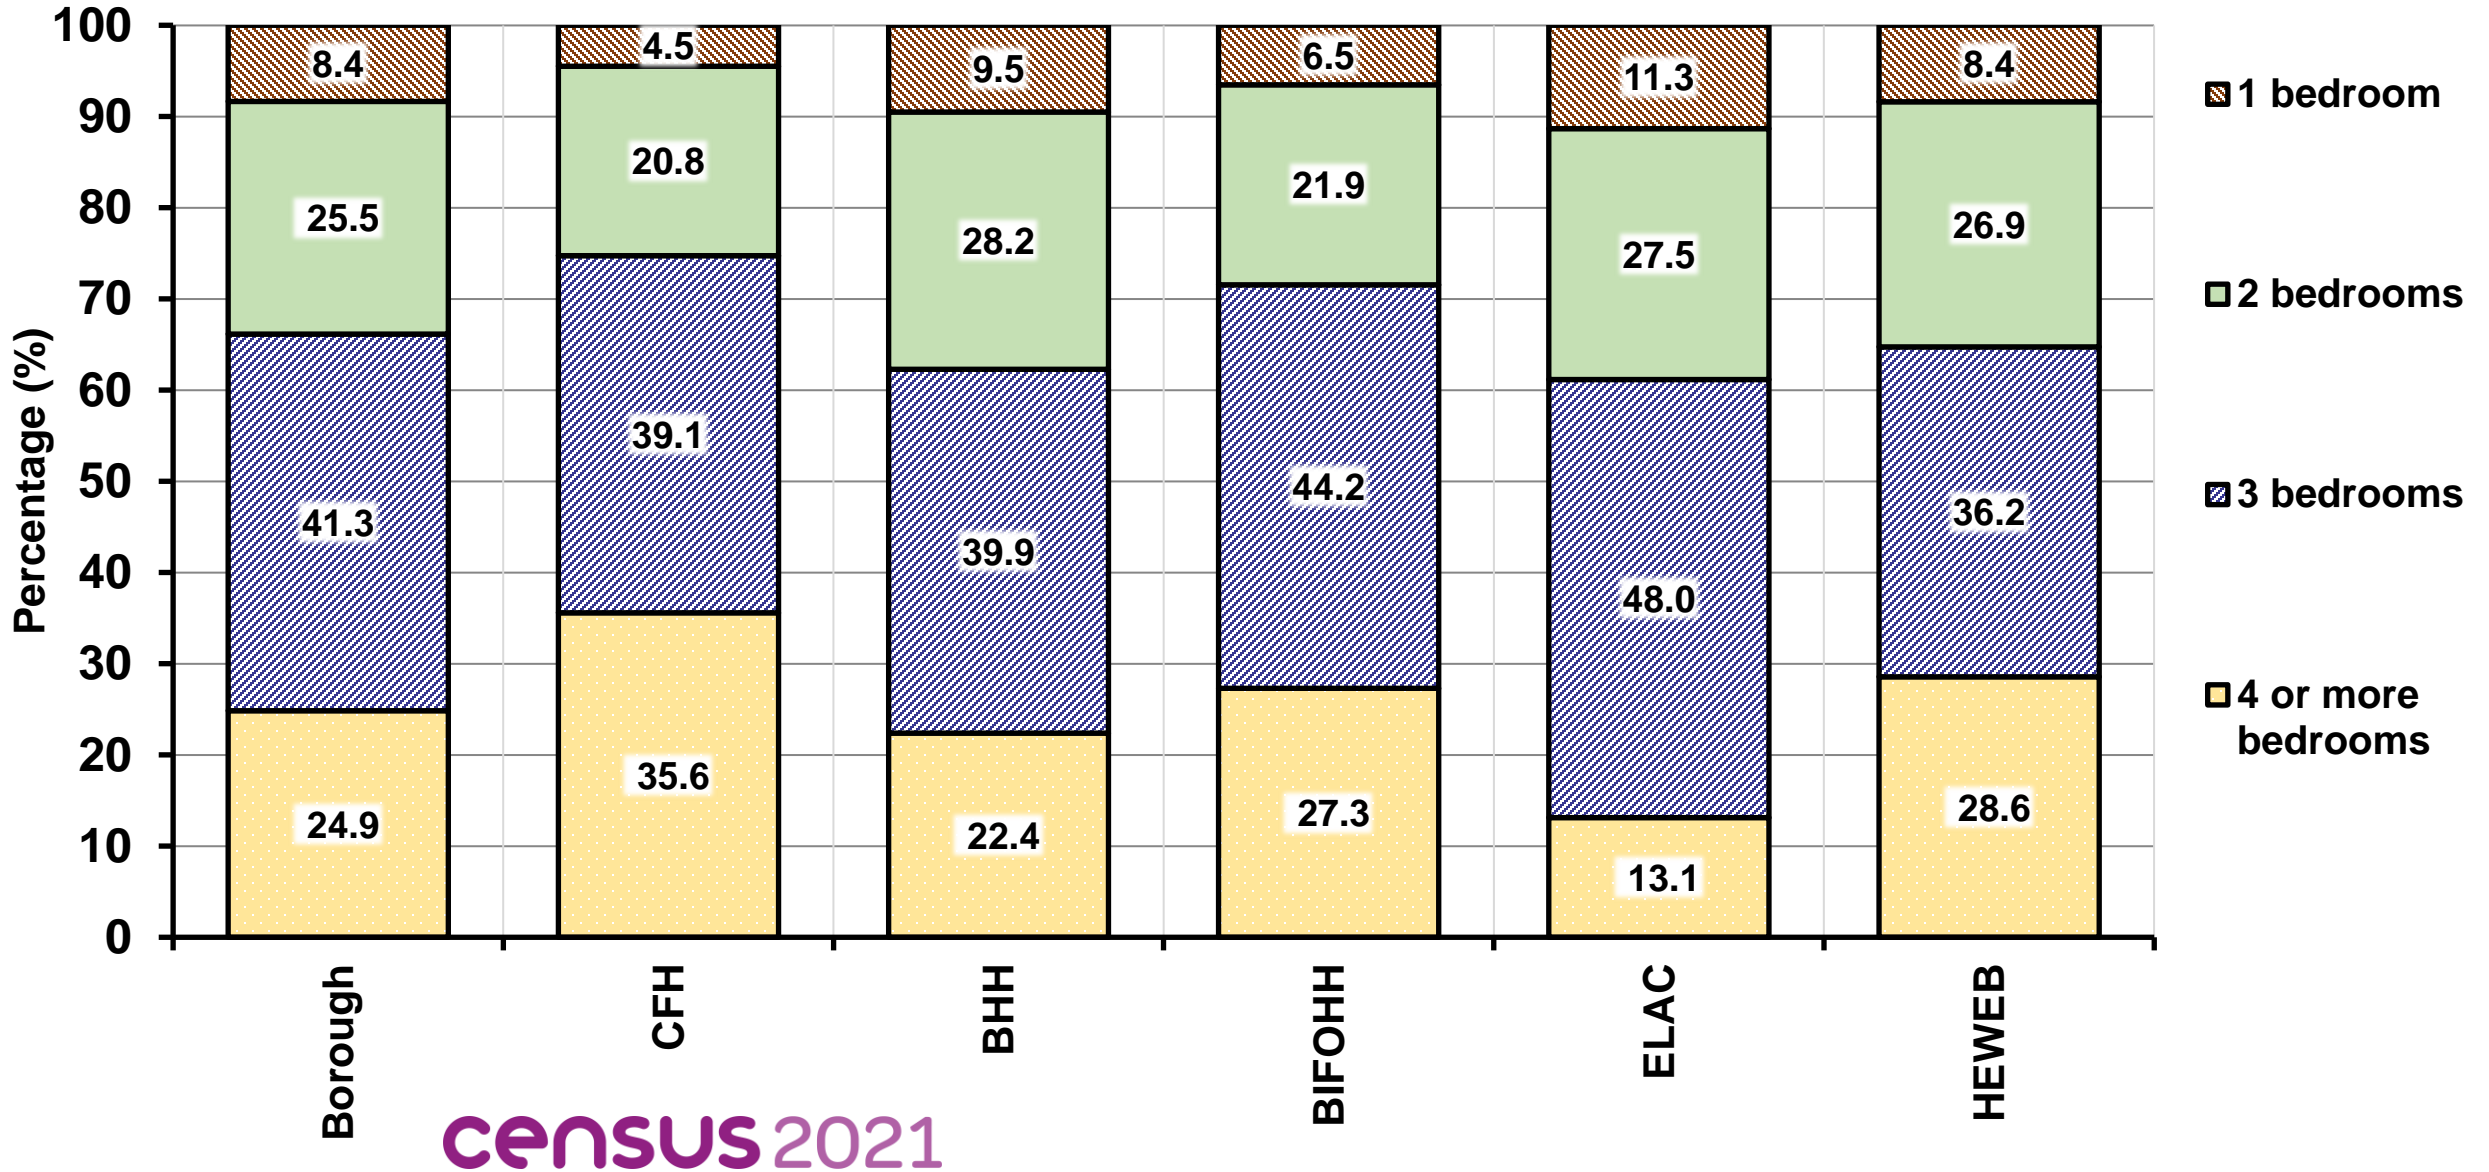

3.14b Local Areas: type of accommodation by household (number) *(Source: Office for National Statistics, March 2021)*

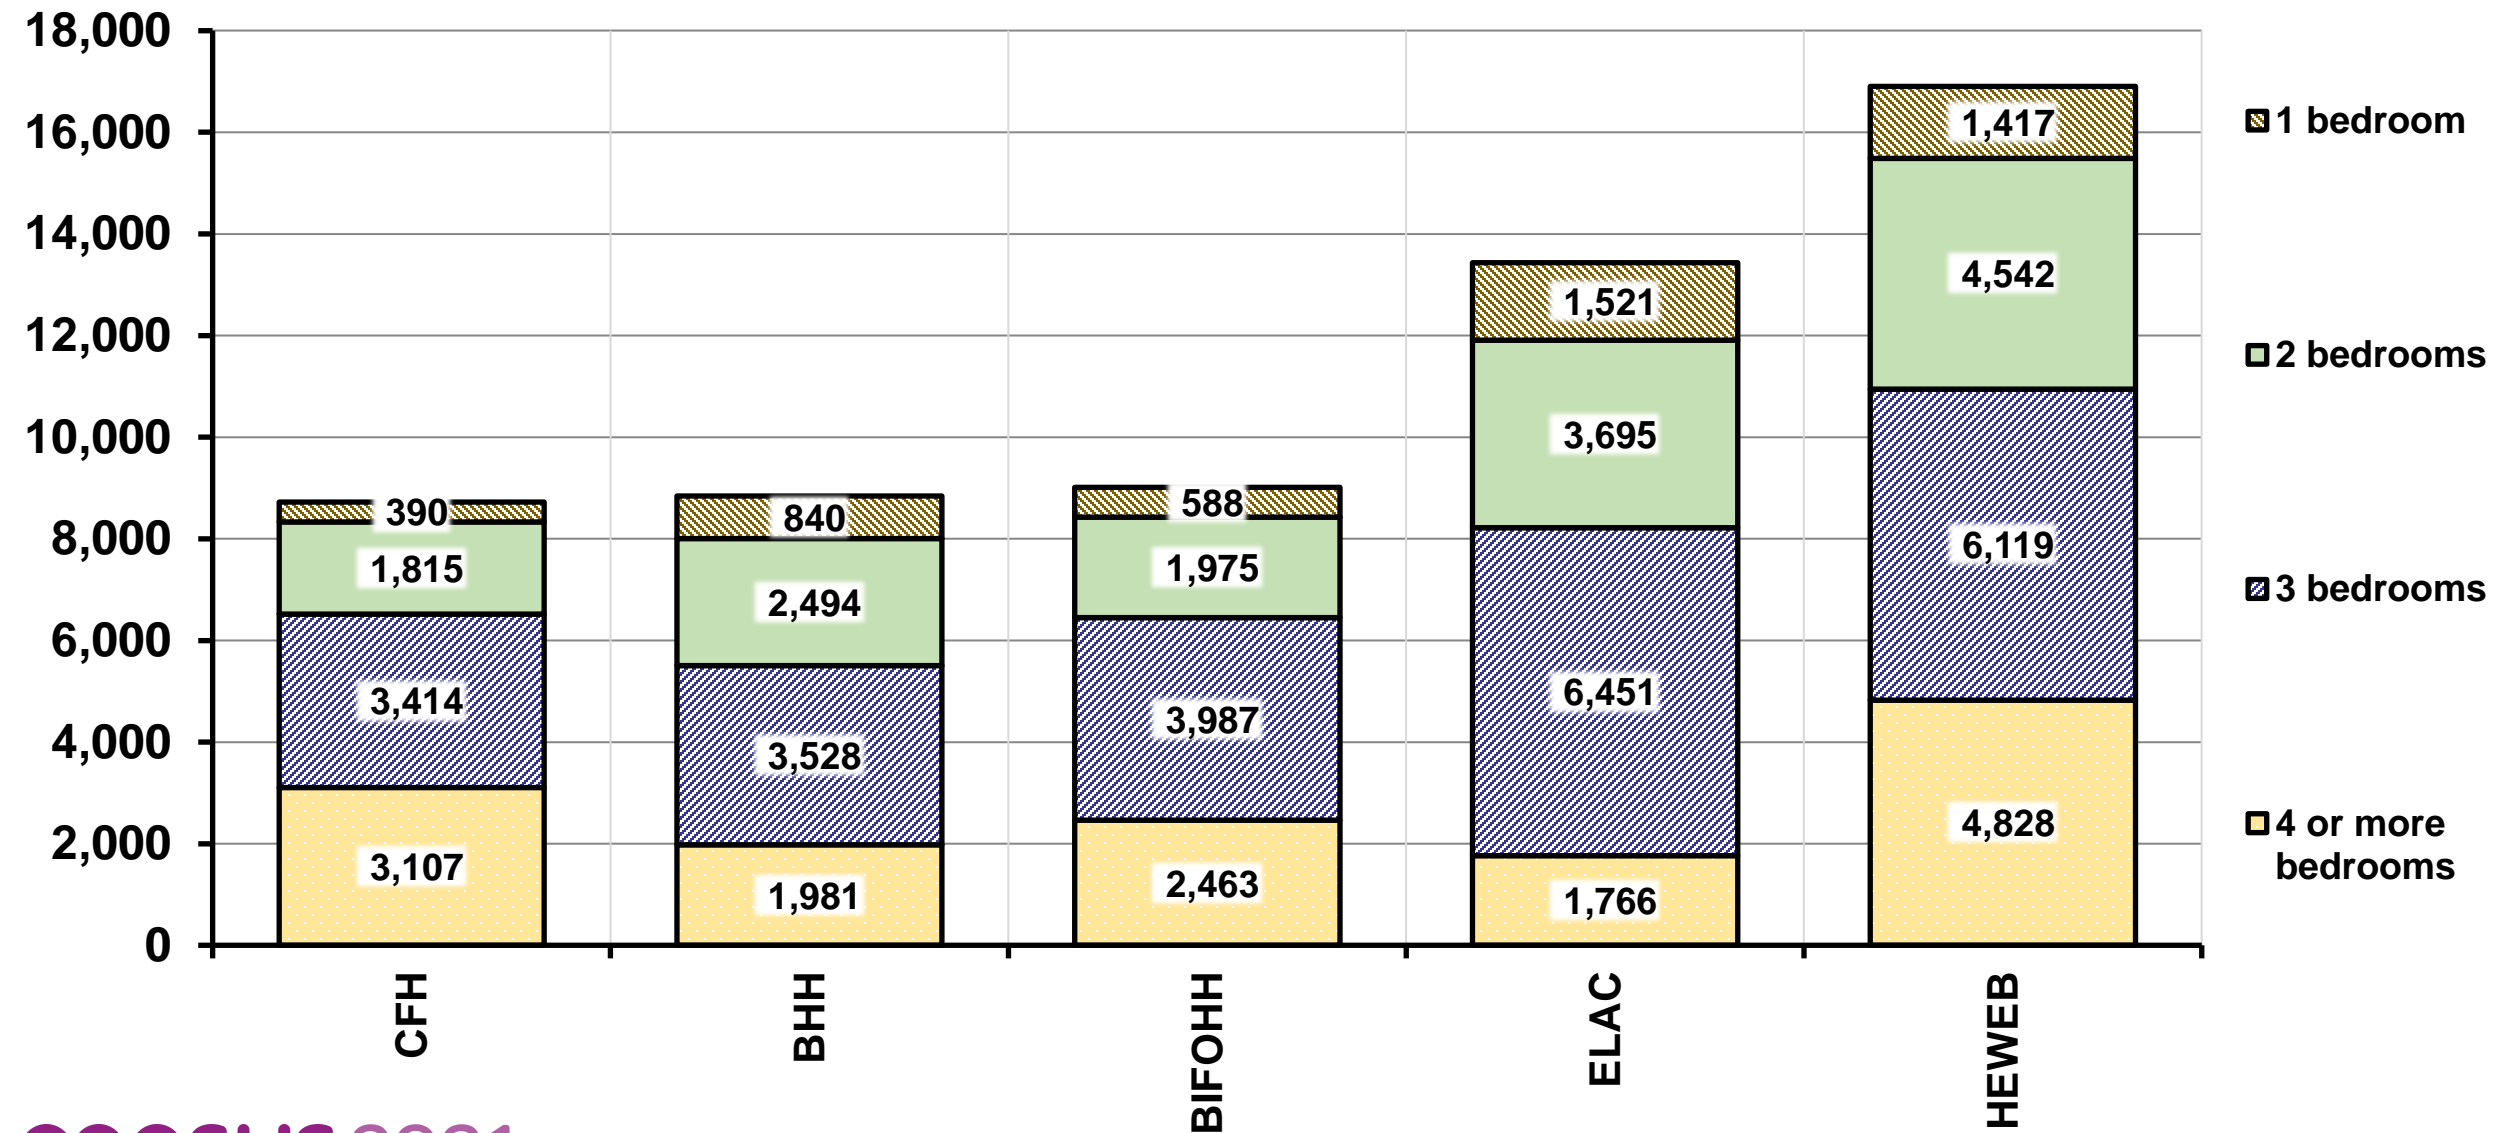

3.15a Local Areas: number of bedrooms per household (%*)

(Source: Office for National Statistics, March 2021)

*Figures may not total to 100% due to rounding up

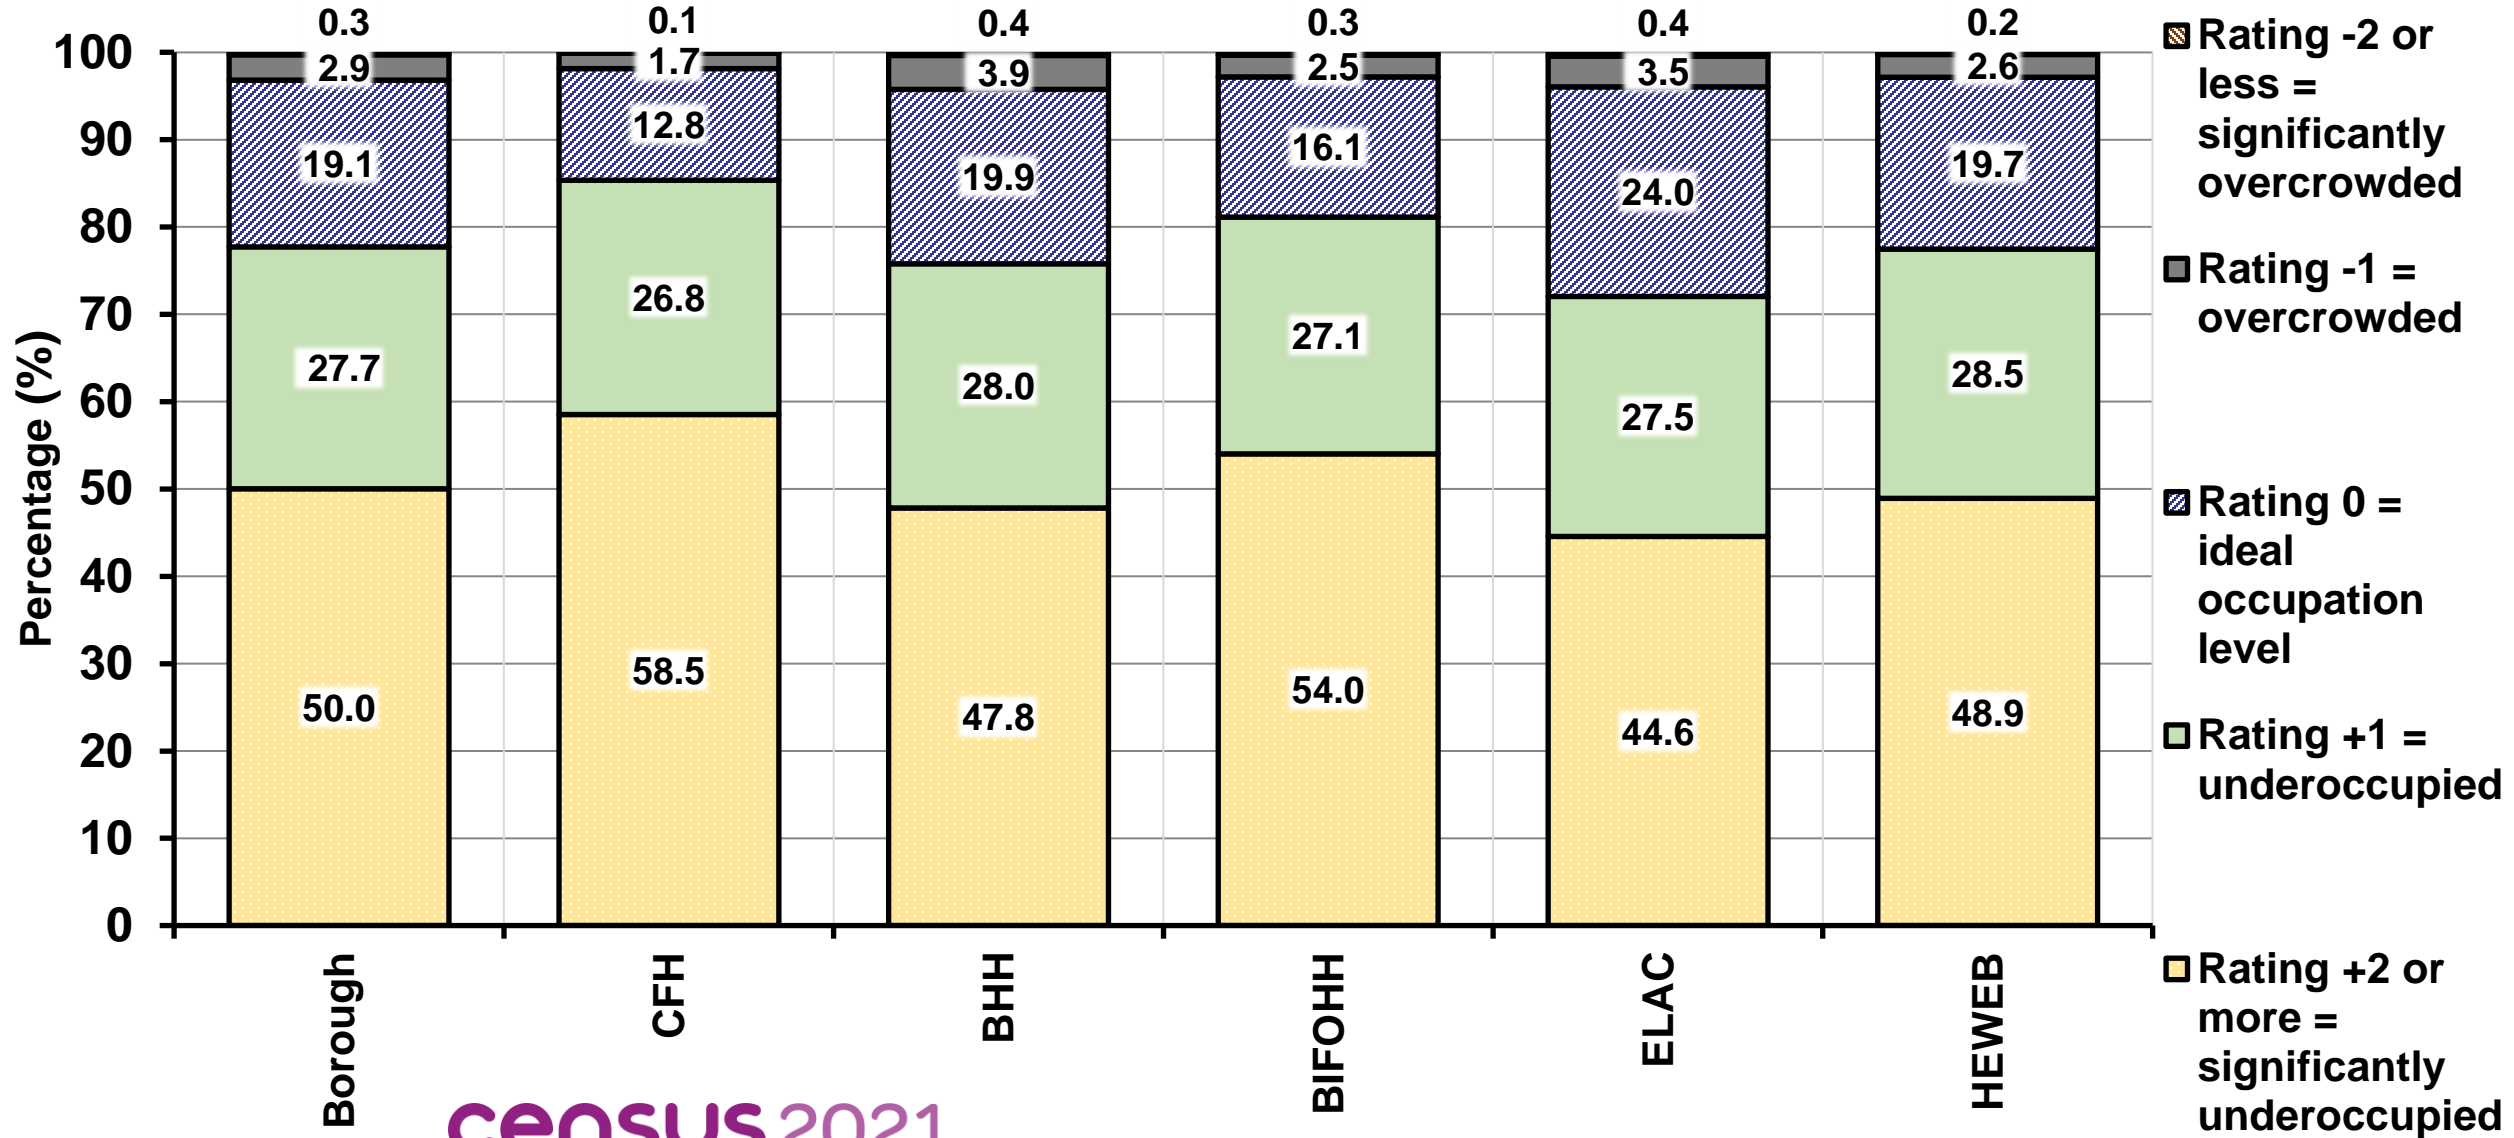

3.15b Local Areas: number of bedrooms per household
(number) (Source: Office for National Statistics, March 2021)

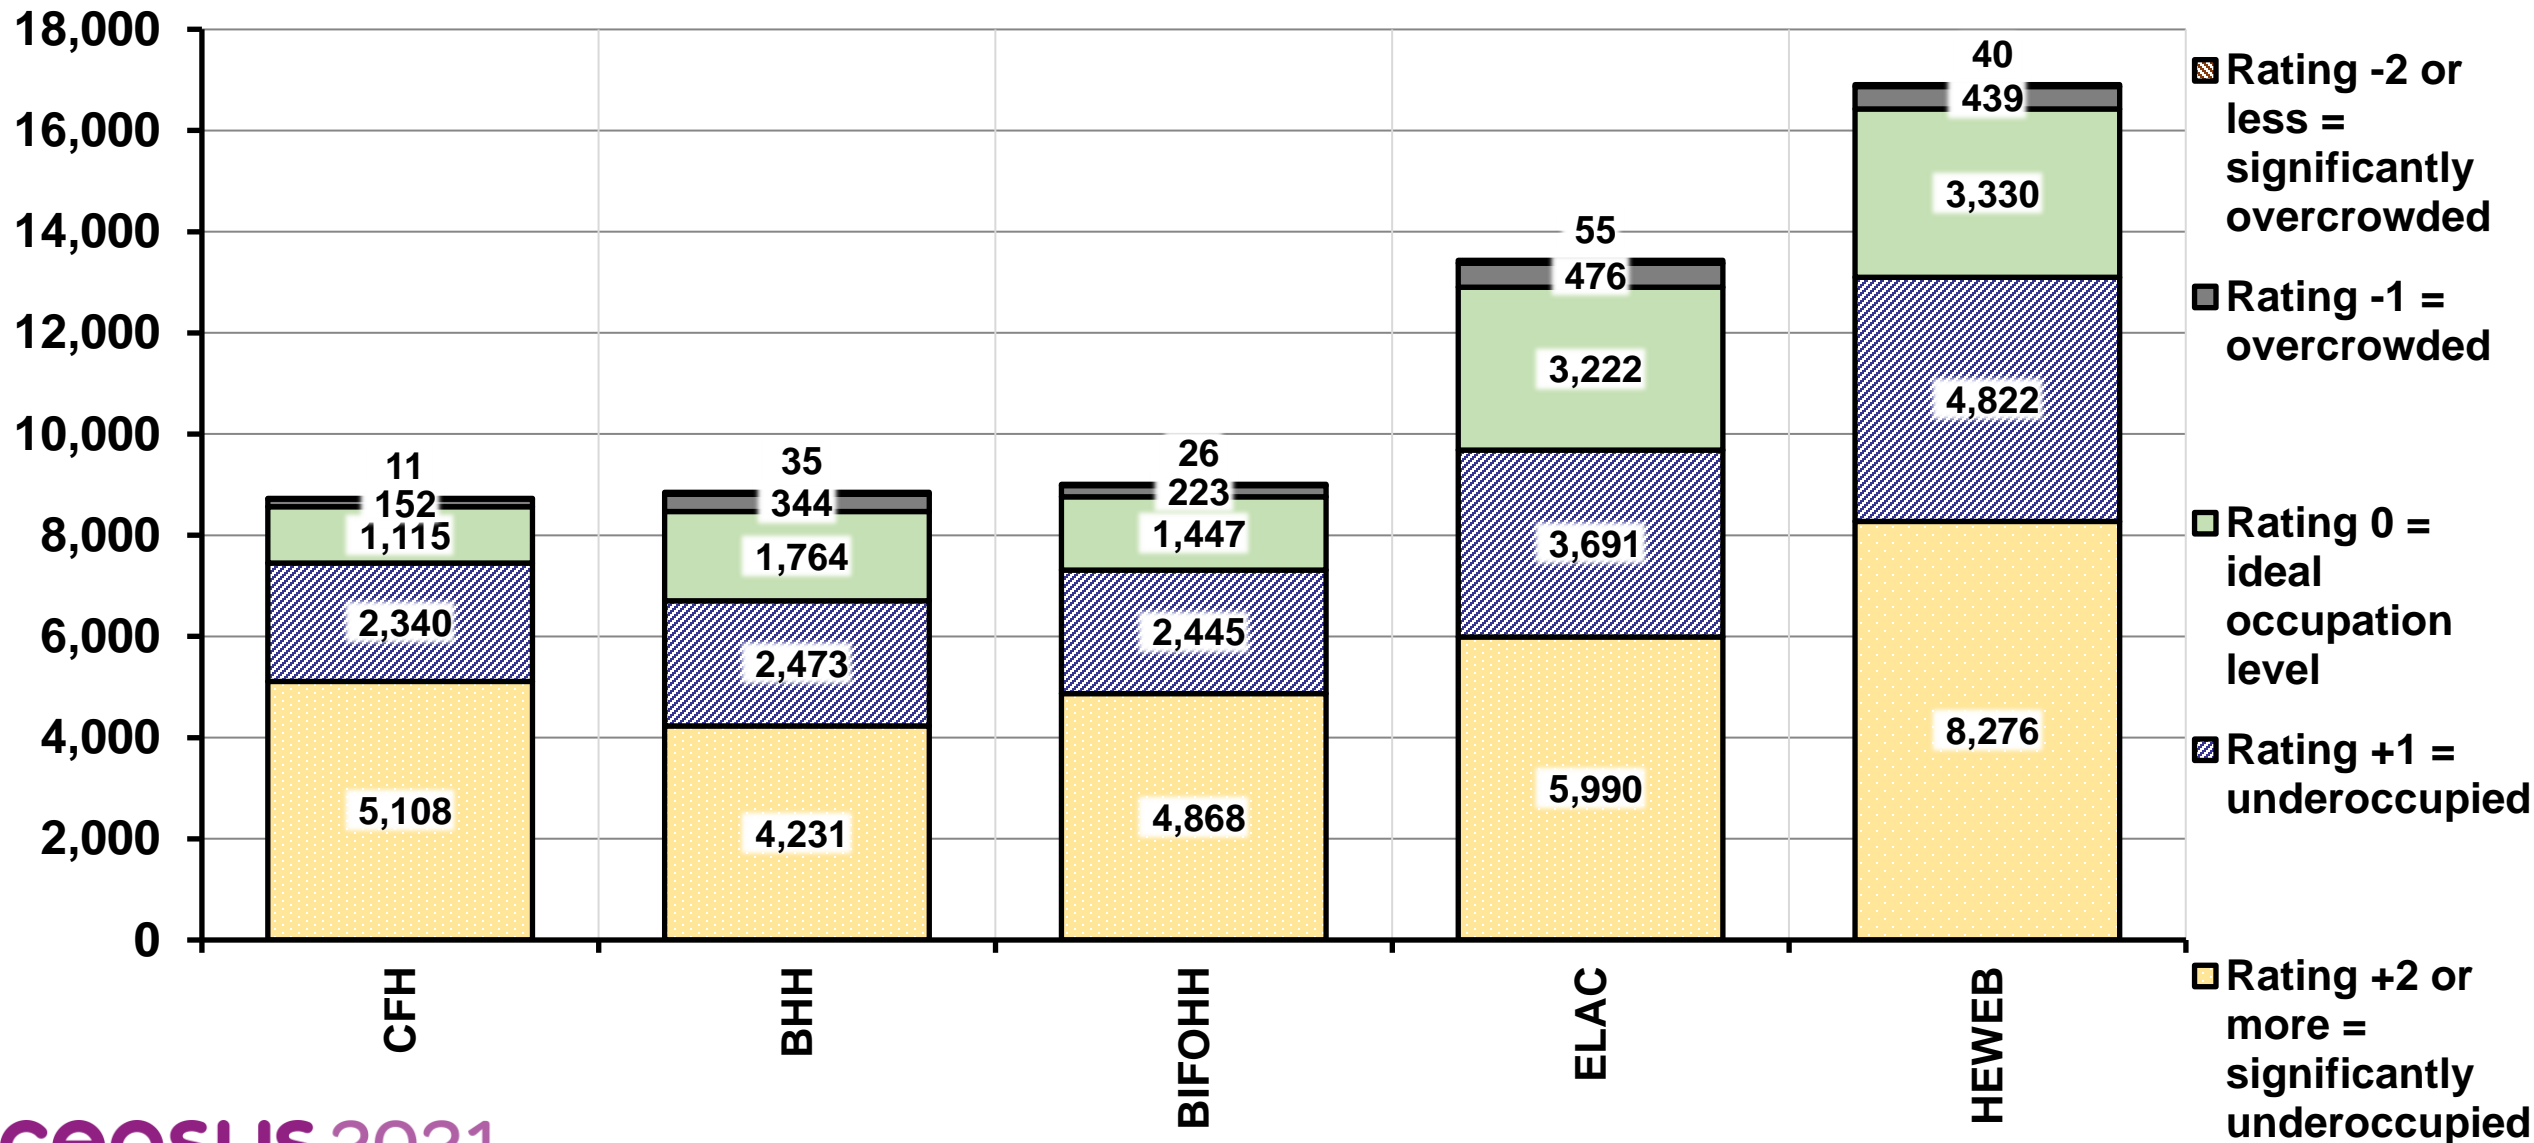

3.16a Local Areas: households by room occupancy rating (%*)

(Source: Office for National Statistics, March 2021)

*Figures may not total to 100% due to rounding up

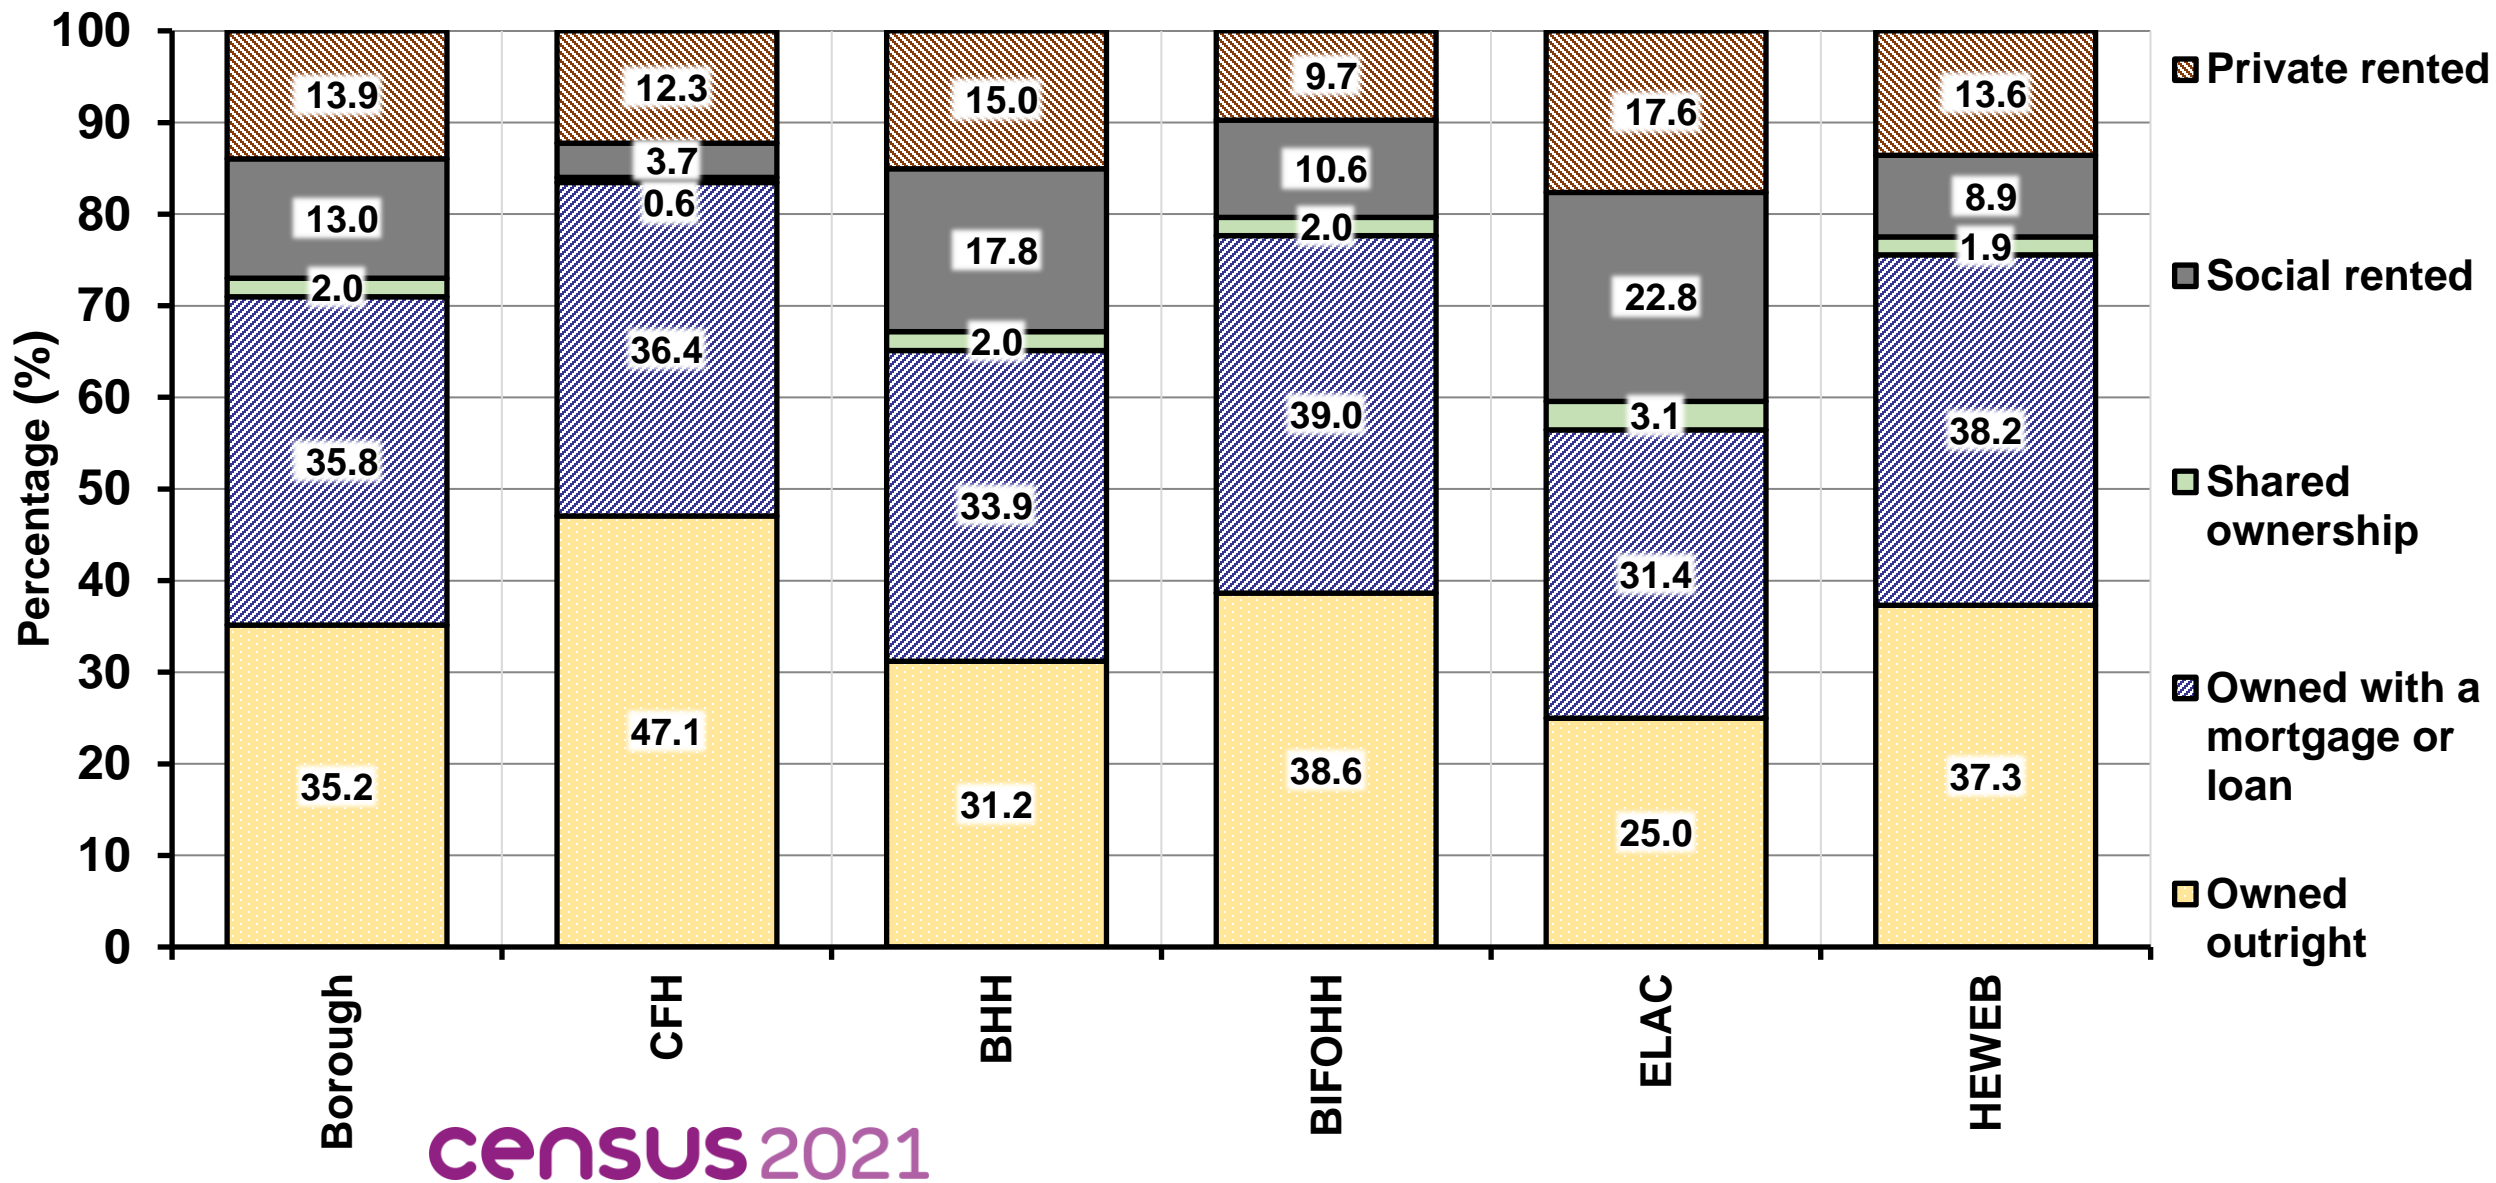

3.16b Local Areas: households by room occupancy rating (number) (Source: Office for National Statistics, March 2021)

3.17a Local Areas: households by housing tenure (%*)

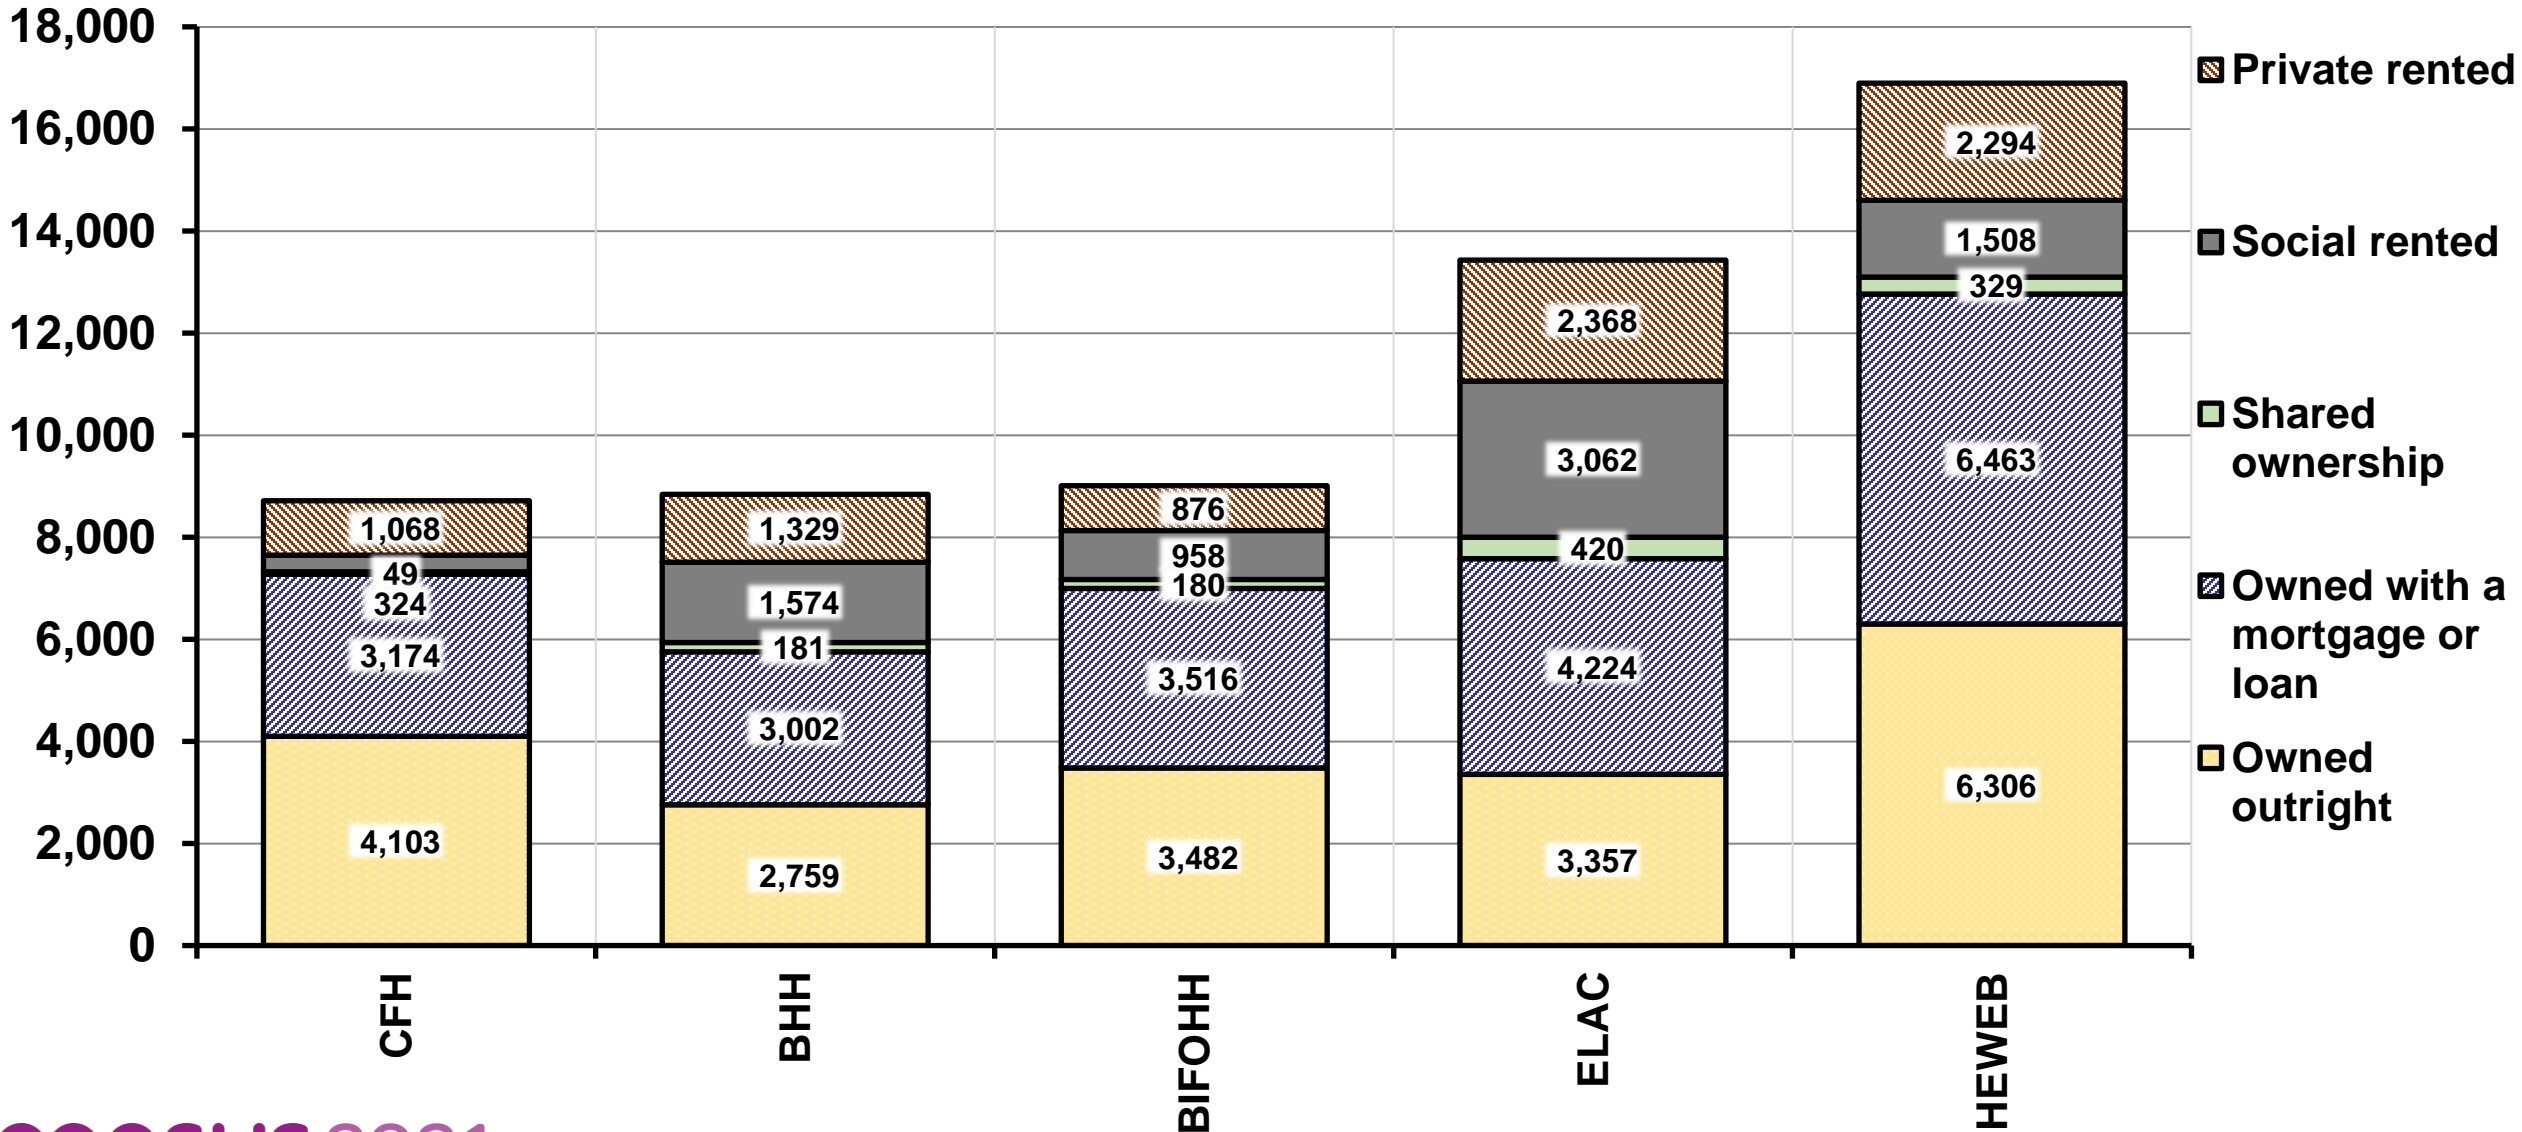

(Source: Office for National Statistics, March 2021)

*Figures may not total to 100% due to rounding up

3.17b Local Areas: households by housing tenure (number)

(Source: Office for National Statistics, March 2021)

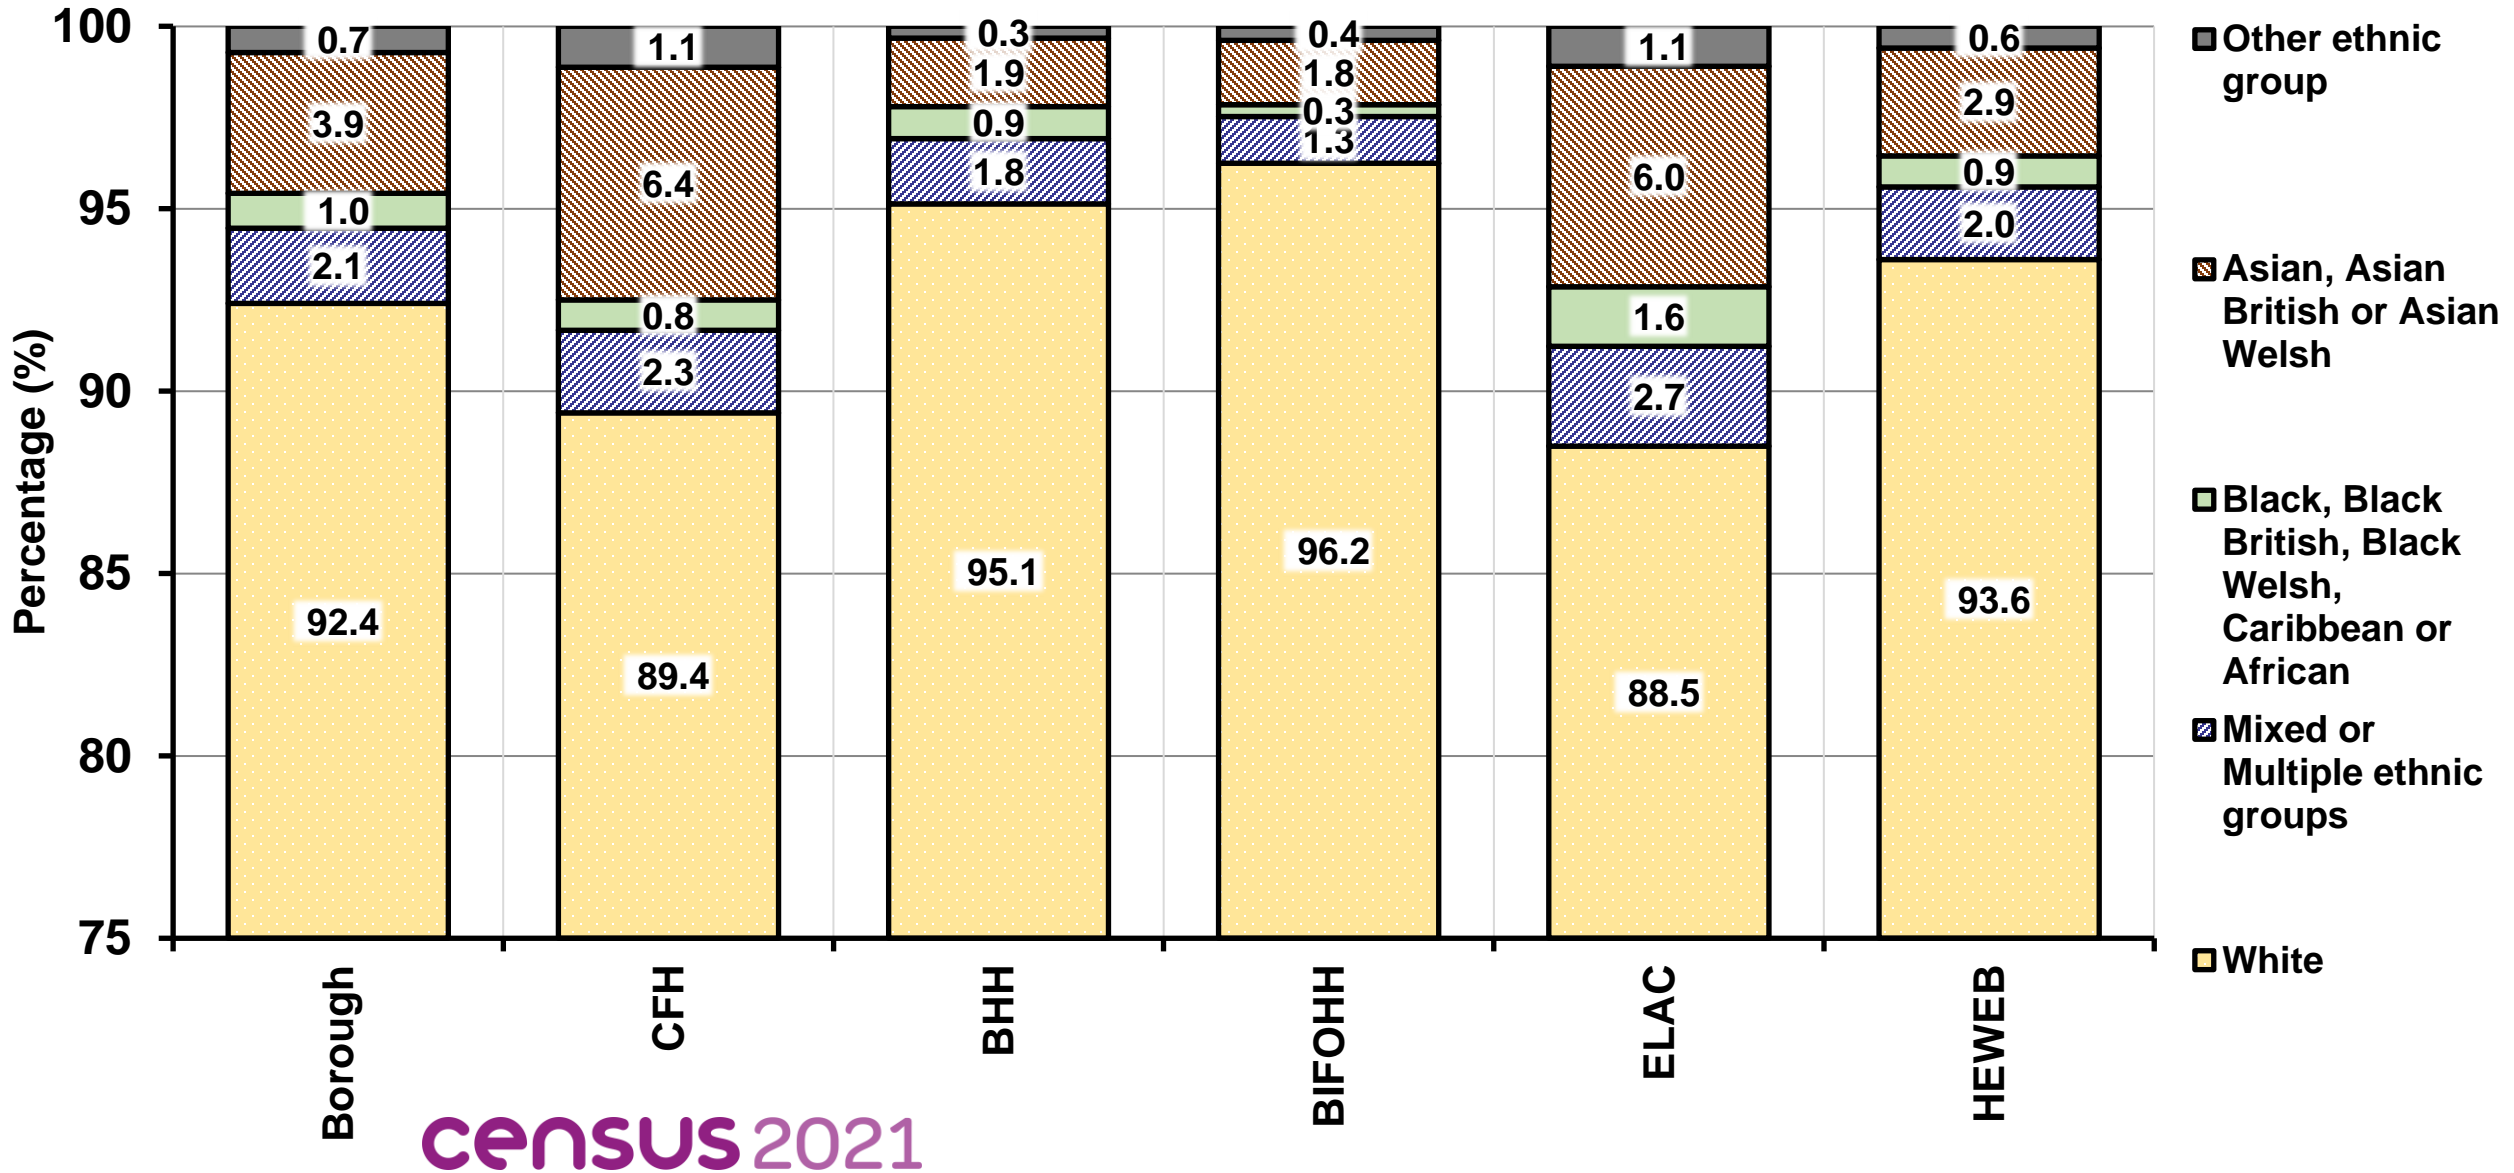

- Identity -

3.18a Local Areas: usual residents by ethnic group (%*)

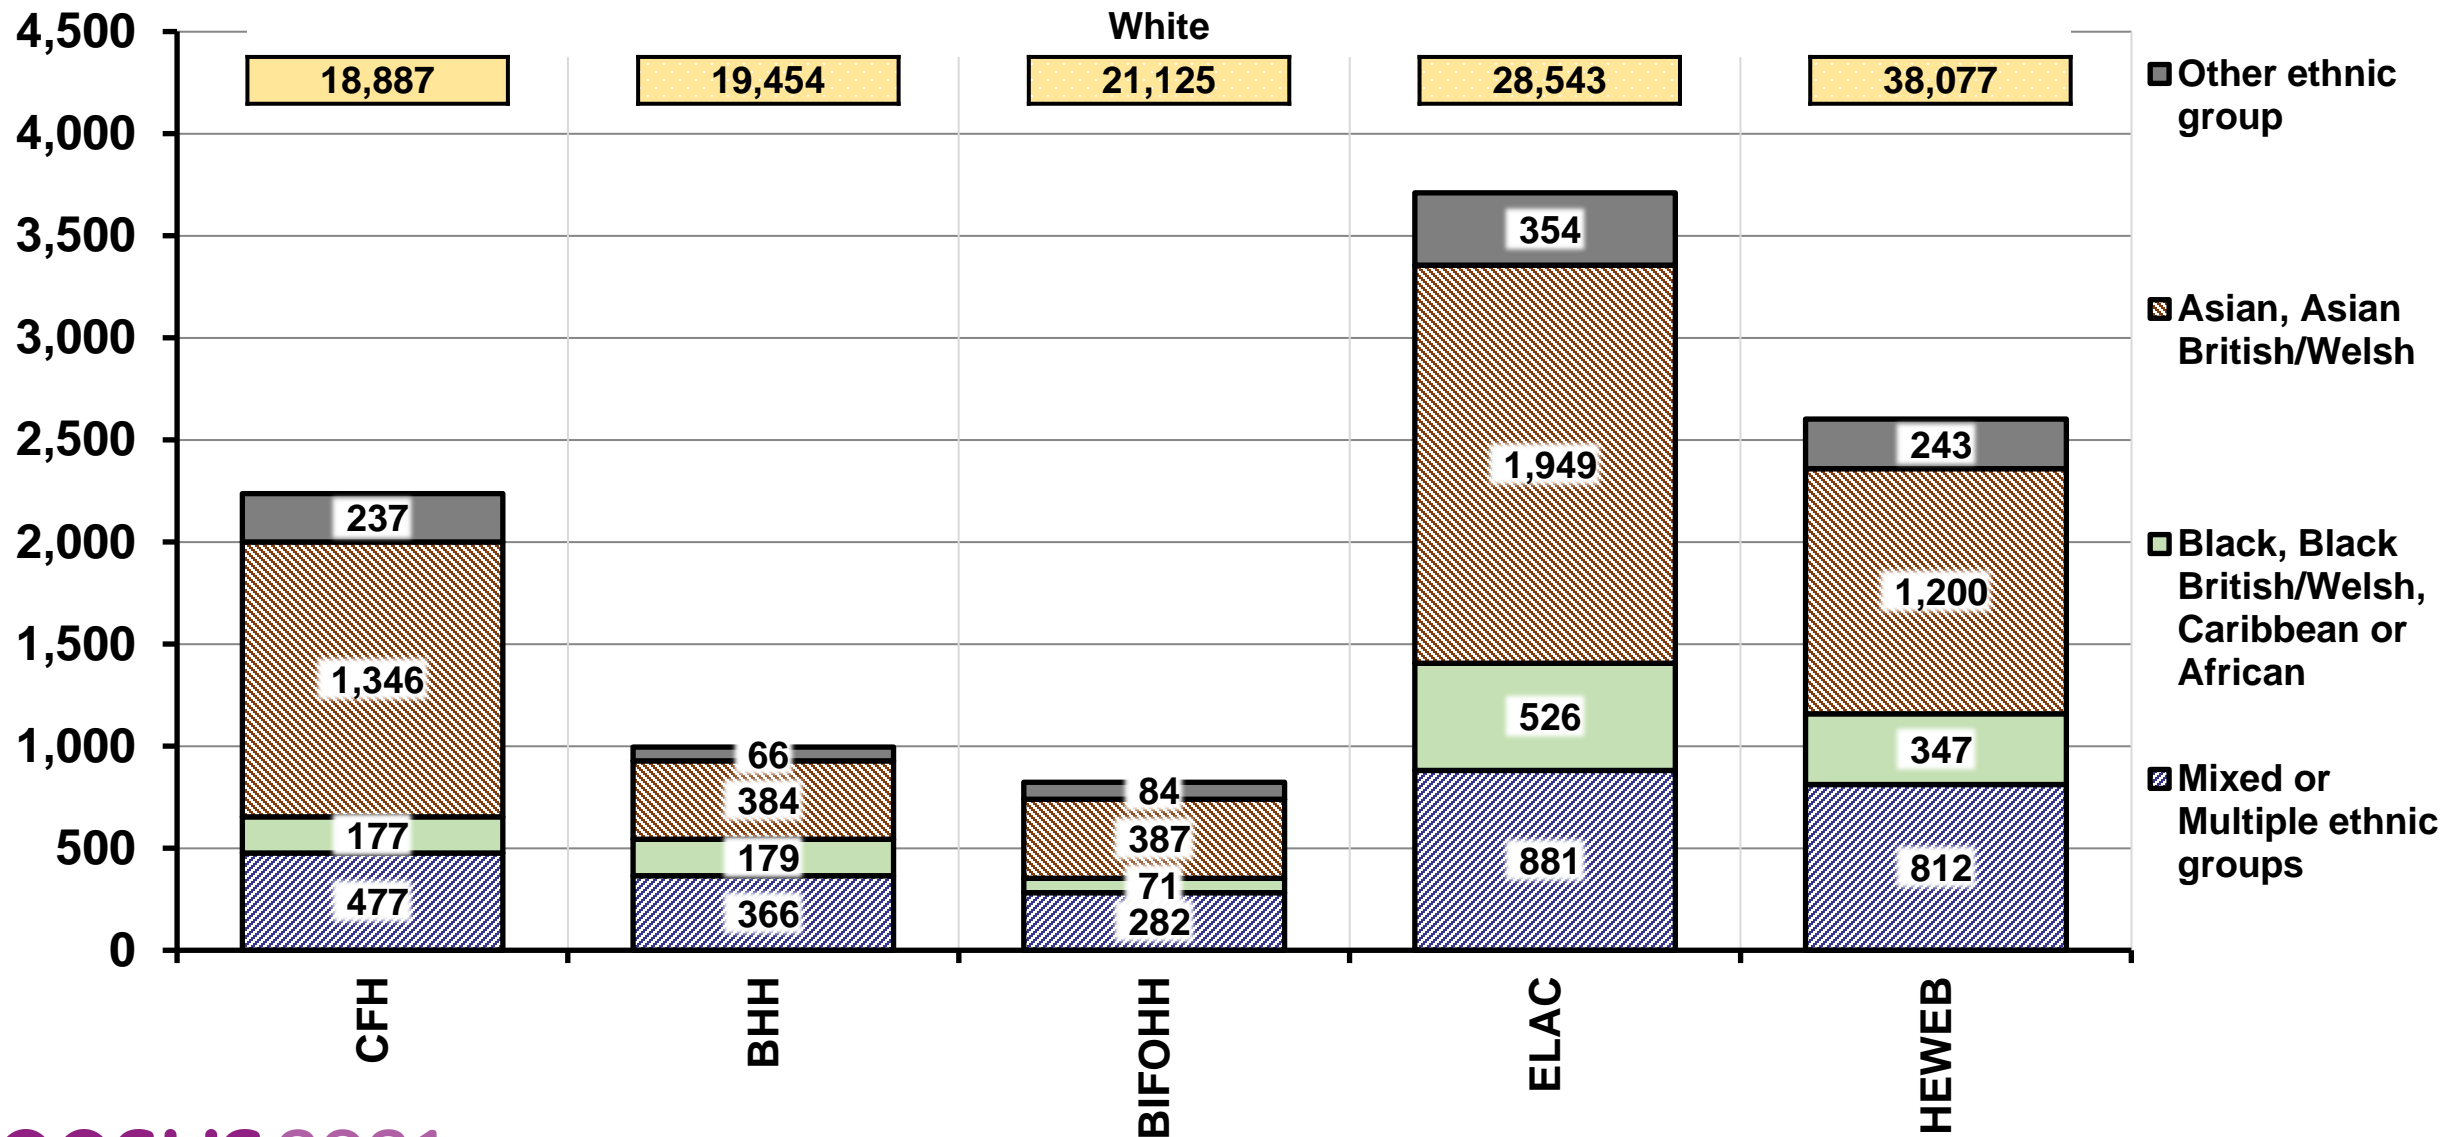

(Source: Office for National Statistics, March 2021)

*Figures may not total to 100% due to rounding up

3.18b Local Areas: usual residents by ethnic group (number)

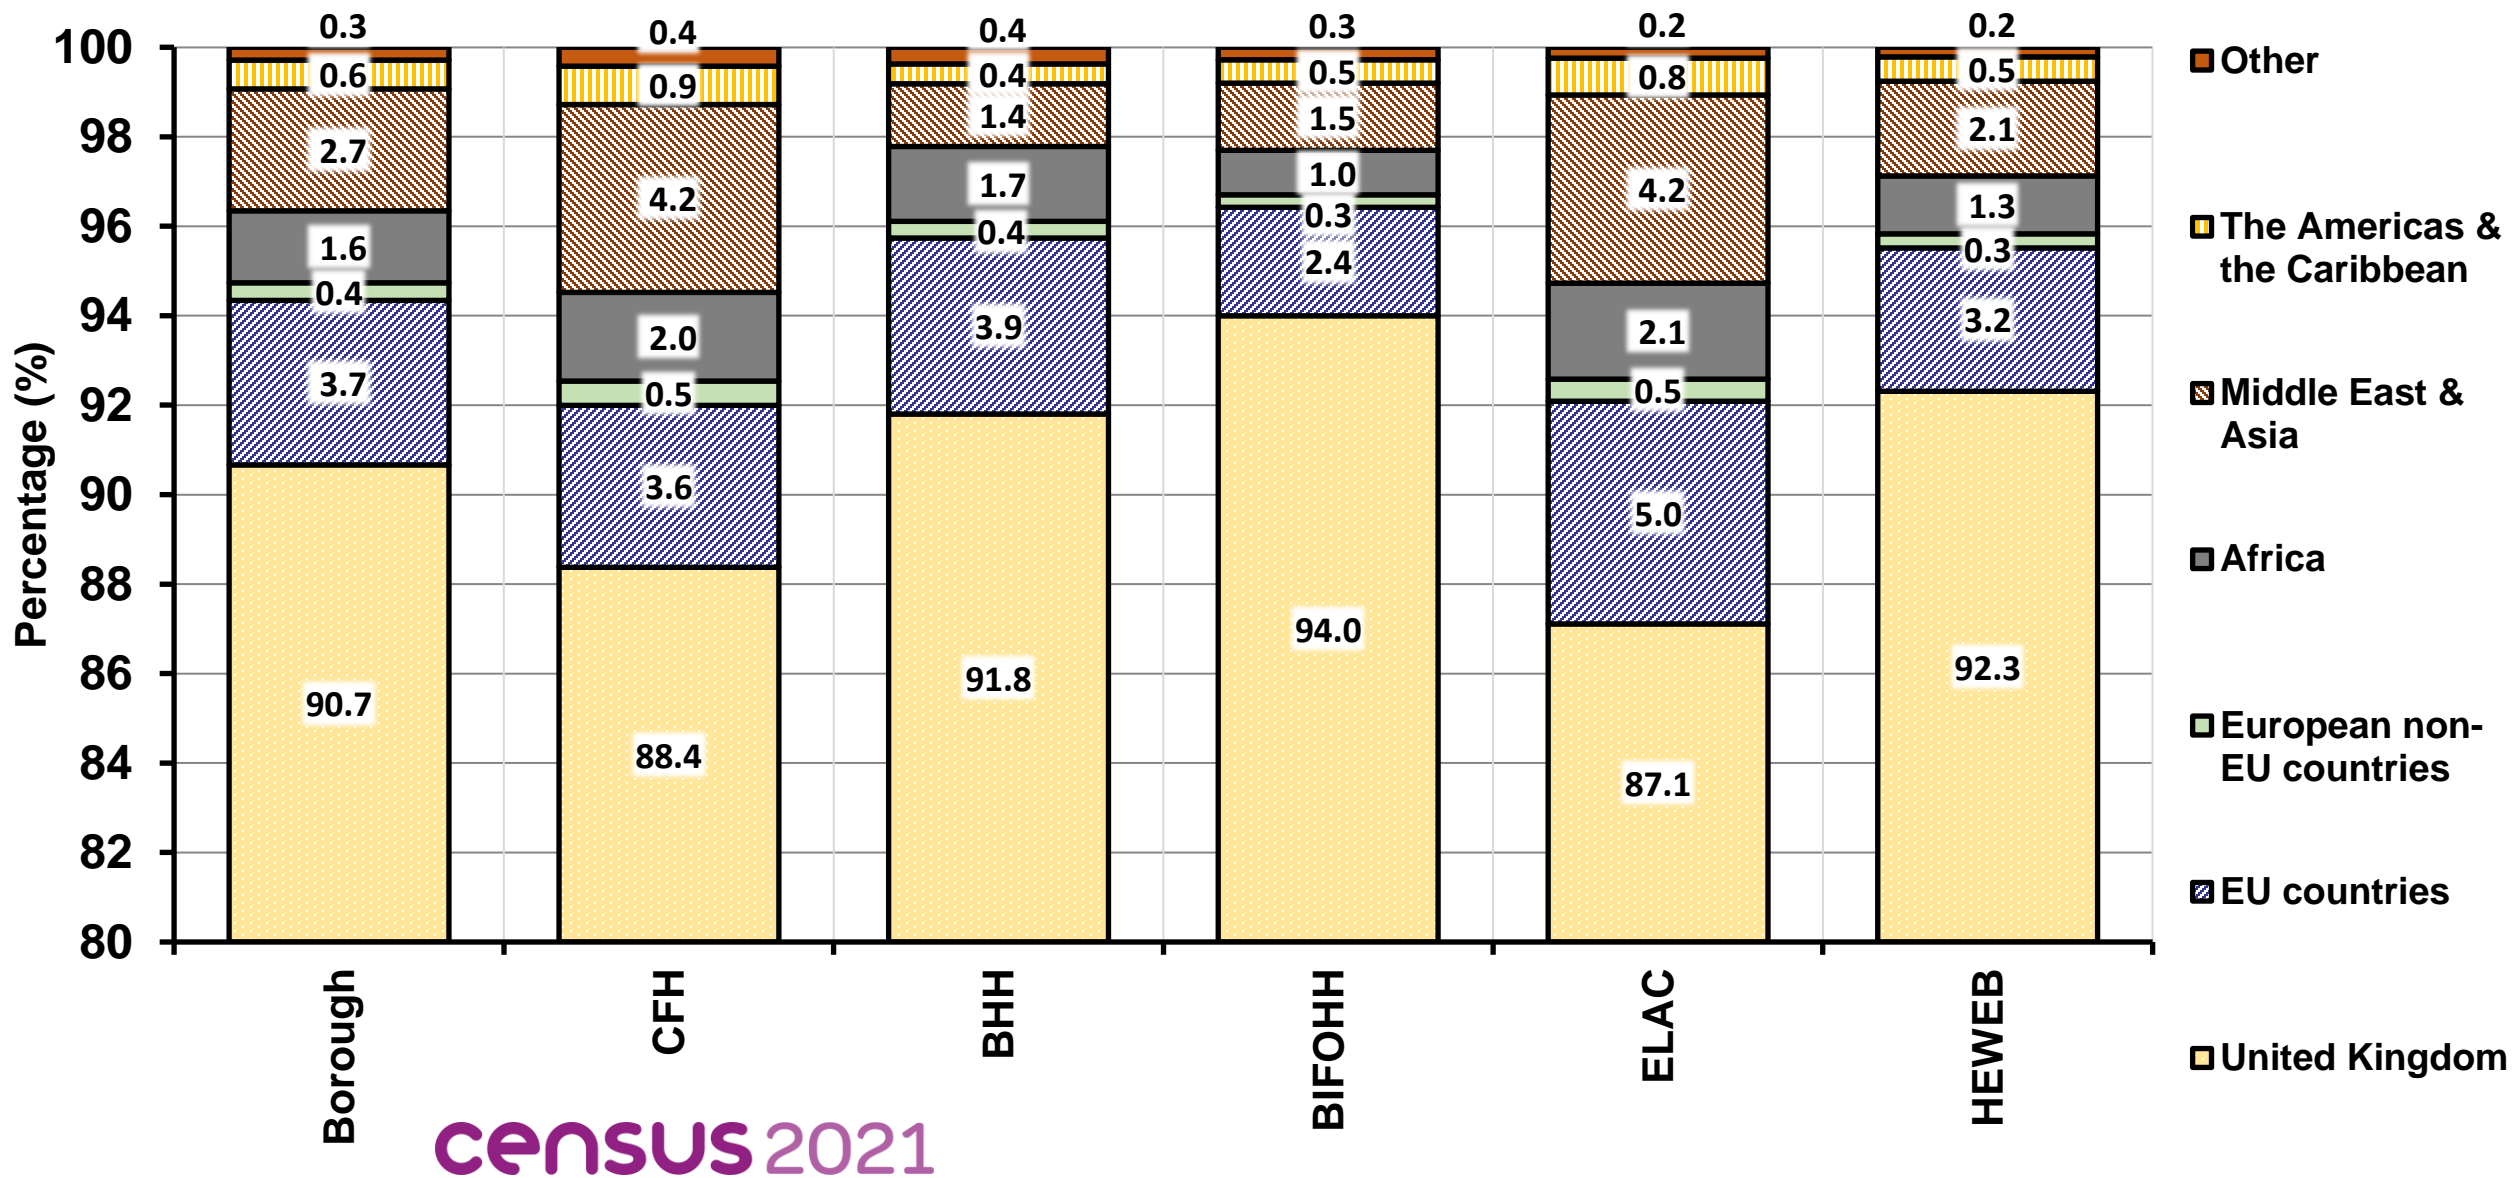

(Source: Office for National Statistics, March 2021)

3.19a Local Areas: usual residents by country of birth (%*)

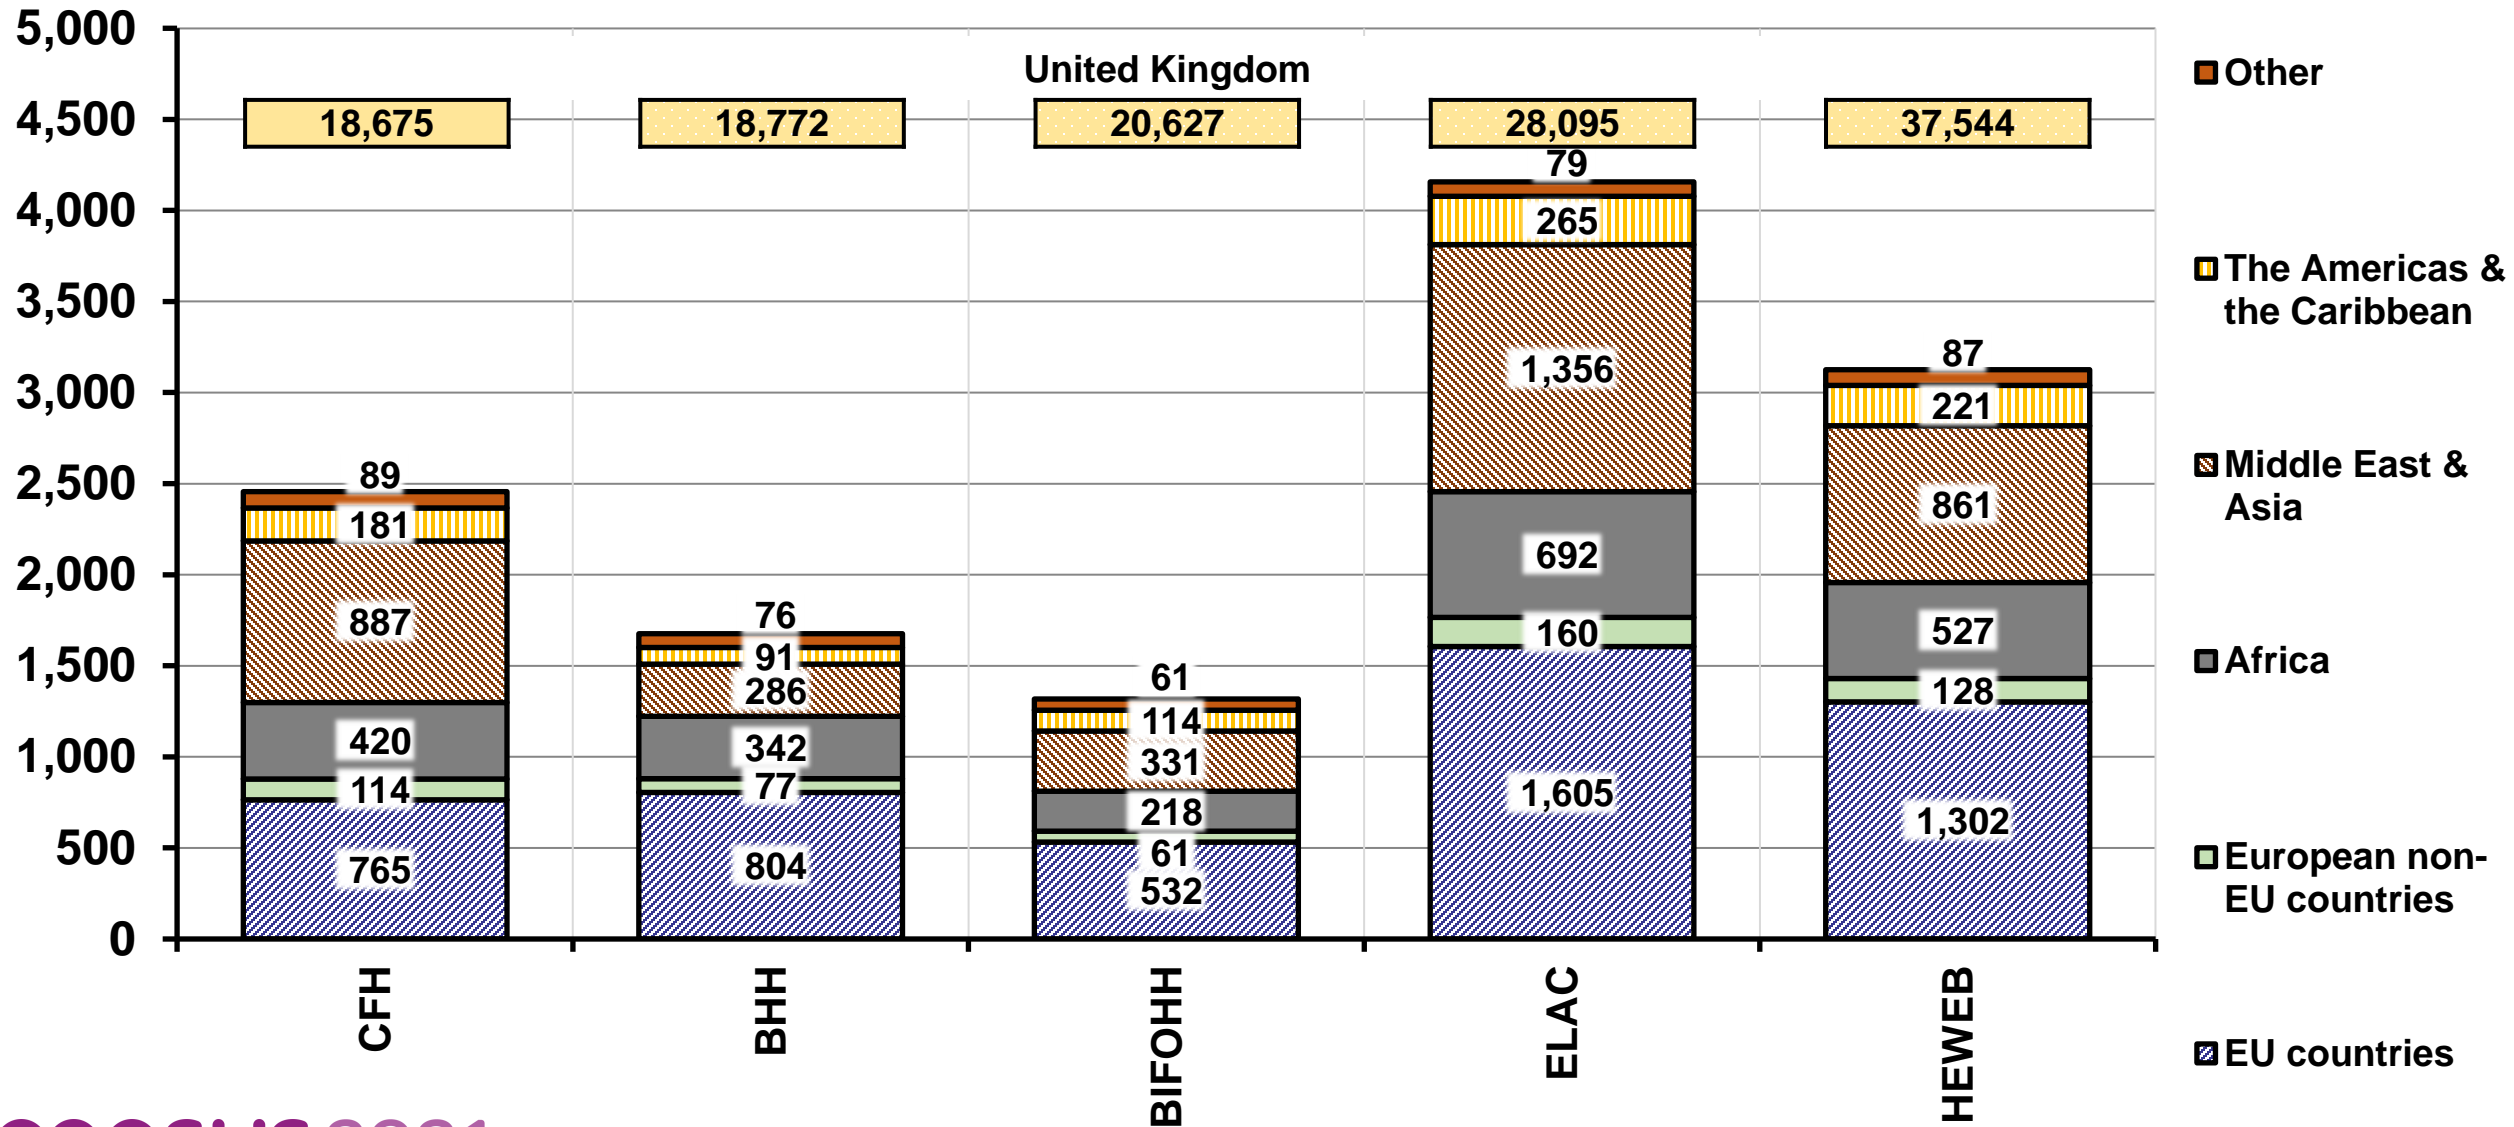

(Source: Office for National Statistics, March 2021)

*Figures may not total to 100% due to rounding up

3.19b Local Areas: usual residents by country of birth (number)

(Source: Office for National Statistics, March 2021)
