

Freedom of Information Request – Electric Vehicle Chargers

Date received – 22/3/24

Request and Response:

How many electric vehicle chargers have been installed in your council area, including on streets, motorways and car parks? If you could provide a breakdown over the past 5 years (preferably calendar year).

We do not hold the data for charge point in the area, only those that we have installed on our own land.

2022 - 8 charge point installed

2023 - 3 charge points installed

2024 - 2 charge points installed

How many broken chargers have had to be fixed over the last 5 years and what has been the cost of this? If you could provide a breakdown over the past 5 years (preferably calendar year).

The charge points are operated and maintained by an external company, no cost is incurred by Eastleigh Borough Council.

How many electric vehicle chargers do you plan to install in 2024?

5

How many electric vehicle chargers do you plan to install in 2025? (If applicable)

Not currently planned
