## **GUIDANCE NOTES:**

1. This application form is to be used for the transfer of an alcohol licensed premises gaming machine permit under the Gambling Act 2005.
2. The premises must be licensed under the Licensing Act 2003 to sell alcohol for consumption on the premises, without the requirement that alcohol is served only with food and there must be a bar for serving alcohol to customers on the premises.
3. The gaming machines must be located on these licensed premises.
4. A "Premises Licence holder" is a person holding a Premises Licence under the Licensing Act 2003.  
There is no statutory limit to the number of machines which may be applied for although the licensing authority has some discretion in this regard. It should also be noted that the licensing authority can cancel the permit or vary the number of machines should the premises be mainly used for making gaming machines available for use on the premises (See *Schedule 13, paragraph 16 of the Gambling Act 2005*). You may therefore wish to contact the licensing authority to ask whether there is a local policy as regards applications and whether applications for certain numbers of machines are decided via a hearing of local councillors.
5. The permit's duration is indefinite as it is linked to the Licensing Act 2003 Premises Licence. There is a first annual fee payable within 30 days after the permit comes into effect or within 12 months from the issue date, whichever is the sooner and an annual fee is subsequently payable after that before each anniversary of the issue date of the permit. Failure to pay the annual fee may result in the cancellation of the permit. The annual fee is £50.
6. Sections 282 and 283 of the Gambling Act 2005 (and The Category of Gaming Machine Regulations Statutory Instrument, which is yet to be finalised) provide for two types of gaming machines which can be located in alcohol licensed premises. These are as set out in the separate note of maximum stakes and prizes
7. **All alcohol licensed premises which provide gaming machines for use on the premises must comply with any relevant Code of Practice issued by the Gambling Commission under Section 24 of the Gambling Act 2005.**  
The Gaming Machine Code of Practice for Alcohol Licensed Premises Permits and Permissions is available via the Gambling Commission's website at:  
[www.gamblingcommission.gov.uk](http://www.gamblingcommission.gov.uk). If you are unclear as to the provisions of the Code of Practice, please contact the Gambling Commission or the Licensing Team.
8. The Licensing Authority may not attach conditions to a permit.
9. As soon as is reasonably practicable after granting an application, the Licensing Authority shall issue a permit to the applicant or if there are concerns in relation to an application, the matter will be determined by a hearing before the Licensing Sub-Committee. The applicant will be given the opportunity to make either representations in person, in writing or both. Should the Committee refuse an application, the applicant will be notified as soon as practicable of the refusal decision and the reasons for it.
10. The applicant for or holder of a permit may appeal if the Licensing Authority:
  - Reject an application for a permit;
  - Grant an application for a permit in respect of a smaller number of machines than that specified in the application or a different category of machines from that specified in the application (or both); or
  - Give a notice to the holder under paragraph 16 of the Gambling Act 2005.
11. A notice of appeal must be given to South West Hampshire Magistrates' Court within 21 days beginning with the day on which the appellant or holder receives notice of the decision against which the appeal is brought.

On an appeal, the Magistrates' Court may:

- Dismiss the appeal;
  - Substitute for the decision appealed against any decision that the Licensing Authority could have made (with effect from such date and on such transitional or other terms as the court may specify);
  - Restore a permit (with effect from such date and on such transitional or other terms as the court may specify);
  - Remit the case to the Licensing Authority to decide in accordance with a direction of the court;
  - Make an order about costs.
12. The holder of a permit may apply to the licensing authority to vary the permit by changing the number and/or category of machines authorised by it. The fee for such an application is £100.
13. If a permit is lost, stolen or damaged, the holder may apply to the issuing licensing authority for a copy. The application must be accompanied by the prescribed fee of £15. The permit holder must report the loss or theft of the permit to the police.
14. A permit will cease to have effect if:
- the premises licence issued under the Licensing Act 2003 ceases to have effect with respect to the premises to which it relates;
  - the permit holder ceases to be the holder of the premises licence; or
  - the holder gives notice of its surrender and returns the permit to the Licensing Authority or provides a statement explaining why it is not reasonably practicable to produce the permit.
15. Where the holder of a permit, or the officer of a permit holder, is convicted of a relevant offence, the court by or before which he is convicted may order forfeiture of the permit. Details of relevant offences under Schedule 7 of the Act can be found on our website or from the Licensing Section.
16. Once a permit has been granted, the holder shall ensure that it is kept on the premises.
17. An occupier of premises in respect of which a permit has effect commits an offence if, without reasonable excuse, he fails to produce the permit on request for inspection by:
- A constable;
  - An enforcement officer; or
  - An authorised local authority officer.
