

**Addendum to ED40d - To address a broken link in the document  
Representations received on Submission version of Local  
Plan at Regulation 19 and EBC responses - Development  
Management Policies**

The Southern Water report 'New Connection Charging Arrangements 2018-19' referenced in comments on Policy DM9 by Persimmon Homes South Coast is no longer available online. It has been replaced by:

<https://www.southernwater.co.uk/media/2282/ds-charging-arrangements-19-20.pdf>

Please note that this Addendum only addresses a broken link and proposes no other changes
