

Business Resilience Programme

The Solent LEP is dedicated to ensuring individuals, communities and businesses continue to adapt and thrive despite changing market conditions and economic shocks.

The support programme, developed in partnership with leading accountants and business advisers BDO, includes the following key components:

STEP 1 – Desktop research

STEP 2 – Business diagnostic and stakeholder interview

STEP 3 – One-one workshop between BDO and your business

STEP 4 – 90-day action plan

If you qualify for this funded service, you will receive 12 hours of one-to-one support that will help you to identify critical business issues quickly, and provide action items for consideration.
