Dear Ms Masters

Examination of the Eastleigh Local Plan

Following the submission by the Council of the Eastleigh Borough Local Plan (2016 – 2036) in October 2018, I would like to thank you for your consideration of the Plan through the examination process to date, and for your letter of 1 April, action points, and letter of 18 May (EDs 71, 72, and 73 respectively on the examination website).

The Council's Cabinet considered a report concerning EDs 71, 72 and 73 at its meeting on 25 June. The report and appendices can be found at this link:

I can confirm that the Cabinet resolved to approve the recommendations in that report. I am therefore writing in response to your letters to confirm that the Council would like to continue with the examination on this basis.

I will keep the Programme Officer informed of our progress regarding the further matters you have requested, and we look forward to continuing the examination process.

Yours sincerely

Graham Tuck
