

Christmas Scavenger Hunt

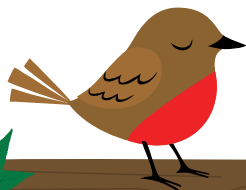

Owned and managed by

EASTLEIGH
BOROUGH COUNCIL

As you wander around the woods can you find things to remind you of the festive times coming up?

- Can you see a stick that looks like Rudolph's antlers?
- What is that flash of red in the bushes? Is it a robin?
- Is there a pine cone on the ground that you could decorate for the tree?
- Find a low branch of a fir tree and smell the fronds with your eyes closed
- Can you see ivy wound tightly round a tree trunk that could be used to make a Christmas wreath?
(symbolises eternal life as it is evergreen)
- Is there a tree that has lost all its leaves as it sleeps through Christmas?
- Are there trees on your walk that look like a Christmas Tree?
- Can you see hoof prints that might mean Rudolph has been here?
- Is there a holly bush with red berries, like you see on Christmas cards?
- Can you see a Toadstool where one of Santa's elves might be living?
- If you look in the mud, are there footprints that could be Santa's?
