

Hiltingbury Lakes sign design template

The final
design/ designs
will be put into
this white space

Stuck for ideas!?
Ask to go for a walk around the
lakes and draw what you see. Look
out for birds and plants. What
other wildlife did you spot?

Use the space above to draw your idea! No printer? Just use a blank piece of paper to draw on. Remember to sign your finished drawing with your name and age.

Once your finished, ask your responsible adult to either scan or take a good photo of it and email it to hiltingburylakes@eastleigh.gov.uk.

Don't forget to keep your drawing safe (perhaps pop it on your fridge door), because if you win, we may ask for the original to make it into our sign! And if we can't decide just one winner, we may use more than one drawing together!

Name	Age
