If time or cost restraints are an issue with this request, please can you prioritise the questions in this order: 1, 2, 3, 4.

Response:

We have no reports detailing the information you require or any reporting methods that break down what is 'private' or a 'council home', so this would require manual intervention to collate and check the details.

As each tax year has about 700 empty properties taking approximately 5 minutes each to verify, the Council considers the information to be exempt from disclosure under S12 of the Act. Section 12 of the Act allows the Council to refuse to answer the request where it estimates that answering the request would exceed the appropriate limit. For the purposes of the Act, the appropriate limit is £450 for local authorities.
