

Environmental Information Request – Wood burning stoves

Date received 26/2/21

Request;

I would like to know: How many fines have you issued for the illegal use of woodburning stoves between January 2015 - February 2021? Please can you provide me with a breakdown of the number of fines for each year.

Response:

The pollution team have confirmed that we have issued no fines for the illegal use of wood burning stoves between January 2015 - February 2021.
